## POLICYHOLDER NOTICE TERRORISM INSURANCE COVERAGE

**THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS ENDORSEMENT DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.**

Your policy may contain coverage for certain losses caused by terrorism.

### **Premium:**

In accordance with the federal Terrorism Risk Insurance Act, we are required to notify you of the portion of the premium, if any, attributable to the coverage for terrorist acts certified under the Terrorism Risk Insurance Act.

- Refer to the SUMMARY OF PREMIUMS CHARGED or DECLARATIONS PAGE for the portion of your premium that is attributable to coverage for terrorist acts certified under the Act.

### **Federal Participation:**

The Act also requires us to provide disclosure of federal participation in payment of terrorism losses.

- Under your policy, any losses caused by certified acts of terrorism would be partially reimbursed by the United States Government, Department of Treasury, under a formula established by federal law. Under this formula, the federal share equals a percentage, as specified in the Schedule below, of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

**NOTE: IF YOUR POLICY IS A RENEWAL POLICY, THIS NOTICE IS PROVIDED TO SATISFY THE REQUIREMENTS UNDER THE TERRORISM RISK INSURANCE ACT FOR POLICYHOLDER DISCLOSURE: (1) AT THE TIME OF OUR OFFER TO RENEW THE POLICY AND (2) AT THE TIME THE RENEWAL IS COMPLETED.**

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

- B. Cap On Losses from Certified Acts of Terrorism**

- C. Application of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability, omission or absence of a terrorism exclusion, does not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part, Coverage Form, Policy or Endorsement such as losses excluded by:

1. Exclusions that address war, warlike action, insurrection, rebellion, revolution, military action, nuclear hazard, nuclear materials, nuclear reaction, radiation, or radioactive contamination;
2. Exclusions that address pollutants, contamination, deterioration, fungi or bacteria; or
3. Any other exclusion,

regardless if the "certified act of terrorism" contributes concurrently or in any sequence to the loss.

- D. Sunset Clause**

If the federal Terrorism Risk Insurance Act expires or is repealed, then this endorsement is null and void for any act of terrorism that takes place after the expiration or repeal of the Act.

  - (2)** The full amount of loss, as set by your appraiser, is agreed to by our appraiser or by the umpire.

**3.** The **Concealment, Misrepresentation or Fraud** Condition is replaced by the following:

- (5) Trees, shrubs or plants (other than trees, shrubs or plants that are "stock" or part of a vegetative roof).

**3. Covered Causes of Loss**

**a. Covered Causes of Loss**

Covered Causes of Loss means direct "loss" unless the "loss" is excluded or limited in this Coverage Part.

**b. Exclusions**

- (1) We will not pay for "loss" caused directly or indirectly by any of the following, unless otherwise provided. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss".

**(a) Ordinance or Law**

Except as provided in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law**, the enforcement of or compliance with any ordinance or law:

- 1) Regulating the construction, use or repair of any building or structure; or
- 2) Requiring the tearing down of any building or structure, including the cost of removing its debris.

This exclusion applies whether "loss" results from:

- 1) An ordinance or law that is enforced even if the building or structure has not been damaged; or
- 2) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of any building or structure, or removal of its debris, following a direct "loss" to that building or structure.

**(b) Earth Movement**

- 1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- 2) Landslide, including any earth sinking, rising or shifting related to such event;

- 3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
- 4) Earth sinking (other than "sinkhole collapse"), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **(b)1)** through **4)** above, results in fire or explosion, we will pay for the "loss" caused by that fire or explosion.

- 5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or volcanic action, we will pay for the "loss" caused by that fire, building glass breakage or volcanic action.

Volcanic action means direct "loss" resulting from the eruption of a volcano when the "loss" is caused by:

- a) Airborne volcanic blast or airborne shock waves;
- b) Ash, dust or particulate matter; or
- c) Lava flow.

With respect to coverage for Volcanic Action, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic action does not include the cost to remove ash, dust or particulate matter that does not cause direct "loss" to the described property.

This Earth Movement exclusion applies regardless of whether any of the above, in paragraphs **1)** through **5)**, is caused by an

act of nature or is otherwise caused.

### **(c) Governmental Action**

Seizure or destruction of property by order of governmental authority. However, we will pay for "loss" caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

### **(d) Nuclear Hazard**

Nuclear reaction or radiation, or radioactive contamination, however caused.

### **(e) Utility Services**

- 1) Except as provided in **SECTION A. COVERAGE, 5. Coverage Extensions, q. Utility Services**, the failure of power, communication, water or other utility services supplied to the "premises", however caused, if the failure:

- a) Originates away from the "premises"; or
- b) Originates at the "premises", but only if such failure involves equipment used to supply the utility service to the "premises" from a source away from the "premises".

Failure of any utility service includes lack of sufficient capacity and reduction in supply. "Loss" caused by a surge of power is also excluded if the surge would not have occurred but for an event causing the failure of power.

However, if the failure or surge of power, or the failure of communication, water, wastewater removal or other utility service results in a Covered Cause of Loss, we will pay for that portion of "loss" caused by that Covered Cause of Loss.

Communication services include but are not limited to

service relating to Internet access or access to any electronic, cellular or satellite network.

**(f) War and Military Action**

- 1) War, including undeclared or civil war;
- 2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- 3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

**(g) Water**

- 1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - b) Waves, tidal waters, tidal waves (including tsunami); or
  - c) Water from rivers, ponds, lakes, streams, or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary;

and all whether driven by wind or not, including storm surge.
- 2) Mudslides or mudflows, which are caused by flooding as defined above in Paragraph (g)1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current;

- 3) Water that has entered and then backs up through and is discharged from a sewer, drain, septic system, sump pump system or related equipment; or
- 4) Water under the ground surface pressing on, or flowing or seeping through:
  - a) Foundations, walls, floors or paved surfaces;
  - b) Basements, whether paved or not; or
  - c) Doors, windows or other openings.
- 5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraphs (g)1), 3) or 4), or material carried or otherwise moved by mudslide or mudflow as described in Paragraph (g)2).

This exclusion applies regardless of whether any of the above in Paragraphs (g)1) through (g)5) is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

However, if any of the above, as described in Paragraphs (g)1) through (g)5), results in fire, explosion or sprinkler leakage, we will pay for that portion of "loss" caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**(h) "Fungi", Wet Rot, Dry Rot, and Bacteria**

- 1) Presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot or bacteria. But if "fungi", wet or dry rot or bacteria results in a "specified cause of loss", we will pay for the "loss" caused by that "specified cause of loss".

2) This exclusion does not apply:

- a) When "fungi", wet or dry rot or bacteria results from fire or lightning; or
- b) To the extent that coverage is provided in **SECTION A. COVERAGE, 5. Coverage Extensions, g. "Fungi", Wet Rot, Dry Rot and Bacteria - Limited Coverage** with respect to "loss" from a cause of loss other than fire or lightning.

Exclusions **b.(1)(a)** through **b.(1)(h)** apply whether or not the "loss" event results in widespread damage or affects a substantial area.

(2) We will not pay for "loss" caused by or resulting from any of the following:

**(a) Electrical Current**

Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

- 1) Electrical or electronic wire, device, appliance, system or network; or
- 2) Device, appliance, system or network utilizing cellular or satellite technology.

For the purpose of this exclusion, electrical, magnetic or electromagnetic energy includes but is not limited to:

- 1) Electrical current, including arcing;
- 2) Electrical charge produced or conducted by a magnetic or electromagnetic field;
- 3) Pulse of electromagnetic energy; or
- 4) Electromagnetic waves or microwaves.

However, if fire results, we will pay for "loss" caused by that fire.

**(b) Delay or Loss of Use**

Delay, loss of use or loss of market.

**(c) Smoke, Vapor, Gas**

Smoke, vapor or gas from agricultural smudging or industrial operations.

**(d) Miscellaneous Causes of Loss**

- 1) Wear and tear;
- 2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;
- 3) Smog;
- 4) Settling, cracking, shrinking or expansion;
- 5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals;
- 6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. However, if mechanical breakdown results in elevator collision, we will pay for that portion of "loss" caused by that elevator collision; or
- 7) The following causes of loss to personal property:
  - a) Marring or scratching;
  - b) Except as provided in **SECTION A. COVERAGE, 4. Additional Coverages, a. Change in Temperature or Humidity** and **5. Coverage Extensions, q. Utility Services**;
    - i) Dampness or dryness of atmosphere; and
    - ii) Changes in or extremes of temperature.

However, if an excluded cause of loss listed in **(2)(d)1)** through **7)** results in a "specified cause of "loss" or building glass breakage, we will pay for that portion of "loss" caused by that "specified cause of loss" or building glass breakage.

**(e) Explosion of Steam Apparatus**

Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. However, if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for that portion of "loss" caused by that fire or combustion explosion. We will also pay for "loss" caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

**(f) Water Seepage**

Continuous or repeated seepage or leakage of water or the presence or condensation of humidity, moisture, or vapor that occurs over a period of 14 days or more.

**(g) Freezing of Plumbing**

Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protection systems) caused by or resulting from freezing, unless:

- 1) You did your best to maintain heat in the building or structure; or
- 2) You drained the equipment and shut off the supply if the heat was not maintained.

**(h) Dishonest or Criminal Acts**

Dishonest or criminal acts (including theft) by you, any of your partners, members (if a limited liability company), officers, managers, employees (including leased workers or temporary employees) directors, trustees, or authorized representatives; whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party.

This exclusion applies whether or not an act occurs during the hours of operation.

This **Dishonest or Criminal Acts** exclusion does not apply to acts of destruction by your employees (including leased workers or temporary employees) or by authorized representatives; except theft by employees (including leased workers or temporary employees) is not covered.

**(i) Voluntary Parting Under False Pretense**

Voluntary parting with any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device or false pretense.

**(j) Exposure to Weather**

Rain, snow, ice or sleet to personal property in the open.

**(k) Collapse**

Collapse, including any of the following conditions of property or any part of the property:

- 1) An abrupt falling down or caving in;
- 2) Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
- 3) Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to Paragraph **(k)1)** or **2)** above.

But if collapse results in a Covered Cause of Loss at the "premises", we will pay for "loss" caused by that Covered Cause of Loss.

This exclusion **Collapse** does not apply:

- 1) To the extent that coverage is provided under the **SECTION A. COVERAGE, 5. Coverage Extensions, c. Collapse**; or
- 2) To collapse caused by one or more of the following:

- a) The "specified causes of loss";
- b) Breakage of building glass;
- c) Weight of rain that collects on a roof; or
- d) Weight of people or personal property.

**(l) Pollutants**

Discharge, dispersal, seepage, migration, release, escape or emission of "pollutants" unless the discharge, dispersal, seepage, migration, release, escape or emission is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release, escape or emission of "pollutants" results in a "specified cause of loss", we will pay for the "loss" caused by that "specified cause of loss".

This exclusion does not apply to "loss" to glass caused by chemicals applied to the glass.

**m) Loss or Damage to Product**

We will not pay for "loss" to Covered Property consisting of merchandise, goods or other product caused by or resulting from error or omission by any person or entity (including those having possession under an arrangement where work or a portion of the work is outsourced) in any stage of the development, production or use of the product, including planning, testing, processing, packaging, installation, maintenance or repair. This exclusion applies to any effect that compromises the form, substance or quality of the product. But if such error or omission results in a Covered Cause of Loss, we will pay for "loss" caused by that Covered Cause of Loss.

**(n) Neglect**

Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of "loss".

- (3)** We will not pay for "loss" caused by or resulting from any of the following in Paragraphs **(3)(a)** through **(3)(c)**. However, if an excluded cause of loss that is listed in Paragraphs **(3)(a)** through **(3)(c)** results in a Covered Cause of Loss, we will pay for that portion of "loss" caused by that Covered Cause of Loss:

**(a) Weather Conditions**

Weather conditions, but this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in **SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(a)** through **(1)(h)** to produce the "loss".

**(b) Acts or Decisions**

Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

**(c) Defects, Errors, and Omissions**

- 1)** An act, error, or omission (negligent or not) relating to:

- a) Land use;
- b) Design, specifications, construction, workmanship;
- c) Planning, zoning, development, surveying, siting, grading, compaction; or
- d) Maintenance, installation, renovation, repair, or remodeling

of part or all of any property on or off the "premises";

- 2)** A defect, weakness, inadequacy, fault, or unsoundness in materials used in construction or repair of part or all of any property on or off the "premises"; or
- 3)** The cost to make good any error in design.

**(4) Special Exclusions**

The Special Exclusions apply only to **SECTION A. COVERAGE, 5. Coverage Extensions, b. Business Income and Extra Expense**; and if attached to this policy, the following coverage forms: **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM, BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM, and EXTRA EXPENSE COVERAGE FORM.**

We will not pay for:

- (a)** Any "loss" caused by or resulting from:

- 1) Damage or destruction of "finished stock"; or
- 2) The time required to reproduce "finished stock".

This Exclusion **(4)(a)** does not apply to Extra Expense.

- (b)** Any "loss" caused by or resulting from damage to radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers.

- (c)** Any increase of "loss" caused by or resulting from:

- 1) Delay in rebuilding, repairing or replacing the property or resuming "operations", due to interference at the location of the rebuilding, repair or replacement by strikers or other persons; or
- 2) Suspension, lapse or cancellation of any license, lease or contract. However, if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such "loss" that affects your "Business Income" during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period of Indemnity Optional Coverage or any variation of these.

- (d)** Any Extra Expense caused by or resulting from suspension, lapse

or cancellation of any license, lease or contract beyond the "period of restoration".

- (e)** Any other indirect "loss".

**c. Limitations**

The following limitations apply to all policy forms and endorsements shown on the **COMMERCIAL PROPERTY COVERAGE PART DECLARATIONS**, unless otherwise stated:

**(1) Limitations - Various Types of Property**

We will not pay for "loss" to property as described and limited in this section. In addition, we will not pay for any "loss" that is a consequence of "loss" as described and limited in this section.

**(a) Steam Apparatus**

Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for "loss" to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

**(b) Hot Water Boilers**

Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.

**(c) Building Interiors**

The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

- 1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
- 2) The "loss" is caused by or results from thawing of

snow, sleet or ice on the building or structure.

**(d) Theft of Building Materials**

Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- 1) Building materials and supplies held for sale by you; or
- 2) "Business Income" coverage or Extra Expense coverage.

**(e) Missing Property**

Property that is missing, where the only evidence of the "loss" is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

**(f) Transferred Property**

Property that has been transferred to a person or to a place outside the "premises" on the basis of unauthorized instructions.

**(g) Vegetative Roofs**

Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

- 1) Dampness or dryness of atmosphere or of soil supporting the vegetation;
- 2) Changes in or extremes of temperature;
- 3) Disease;
- 4) Frost or hail; or
- 5) Rain, snow, ice or sleet.

**(2) Limitations - Various Property for Specified Causes**

We will not pay for "loss" to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

- (a)** Animals, and then only if they are killed or their destruction is deemed necessary.

- (b)** Contractors equipment, machinery and tools owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

- 1) If the property is located on or within 1,000 feet of the "premises"; or
- 2) To Business Income coverage or to Extra Expense coverage.

**(3) Limitation - Personal Property Theft**

This Limitation does not apply to "Business Income" coverage or to Extra Expense coverage. For each category described in Paragraph **c.(3)(a)** through **(3)(d)** below, the most we will pay for "loss" in any one occurrence of theft to all property in that category, regardless of the types or number of articles for that category that are lost or damaged in that occurrence, are the following special limits:

- (a)** \$2,500 for Furs, fur garments and garments trimmed with fur.
- (b)** \$2,500 for Jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limitation does not apply to jewelry and watches worth \$100 or less per item.

- (a)** We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes; and
- (b)** We will not pay to replace the substance that escapes as described in Paragraph **c.(4)(a)** above.

But we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage results in discharge of any substance from an automatic fire protection system, or is directly caused by freezing.

However, this Limitation **c.(4)(a)** does not apply to "Business Income" Coverage or to Extra Expense Coverage.

#### 4. **Additional Coverages**

Unless stated otherwise, **SECTION C. DEDUCTIBLE** does not apply to Paragraph 4. **Additional Coverages**.

Unless stated otherwise, these Paragraph 4. **Additional Coverages** apply on a per location basis.

##### **a. Change in Temperature or Humidity**

We will pay for direct "loss" to your covered Business Personal Property caused by a change in temperature or humidity or contamination by refrigerant resulting from damage by a Covered Cause of Loss to equipment used for refrigerating, cooling, humidifying, dehumidifying, air conditioning, heating, generating or converting power (including their connections and supply or transmission lines and pipes) when located on the "premises".

This Coverage is included within the Limits of Insurance shown in the Declarations.

##### **b. Debris Removal**

(1) Subject to Paragraphs **b.(2), (3)** and **(4)** of this Additional Coverage, we will pay your expense to remove debris of Covered Property and other debris that is on the "premises", when such debris is caused by or results from a Covered Cause of Loss that occurs during the "coverage term". The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct "loss".

(2) Debris Removal does not apply to costs to:

- (a) Extract "pollutants" from land or water;
- (b) Remove, restore or replace polluted land or water;
- (c) Remove debris of property of yours that is not insured under this Coverage Part, or property in your possession that is not Covered Property;

(d) Remove debris of property owned by or leased to the landlord of the building where your "premises" are located, unless you have a contractual responsibility to insure such property and it is insured under this Coverage Part;

(e) Remove any property that is Property Not Covered, including property addressed under **5. Coverage Extensions, k. Outdoor Property**.

(f) Remove property of others of a type that would not be Covered Property under this Coverage Part;

(g) Remove deposits of mud or earth from the grounds of the "premises".

(3) Subject to the exceptions in Paragraph **b.(4)** below, the following provisions apply:

(a) The most we will pay for the total of direct "loss" plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained "loss".

(b) Subject to Paragraph **b.(3)(a)**, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct "loss" to the Covered Property that has sustained "loss".

(4) We will pay up to an additional \$10,000 for debris removal expense for each "premises", in any one occurrence of direct "loss" to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct "loss" exceeds the Limit of Insurance on the Covered Property that has sustained "loss".

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct "loss" to the Covered Property that has sustained "loss".

Therefore, if Paragraph **b.(4)(a)** and/or **(4)(b)** apply, our total payment for direct

"loss" and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained "loss", plus \$10,000.

### (5) Examples

The following examples assume that there is no coinsurance penalty.

#### Example #1

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of "Loss"	\$50,000
Amount of "Loss" Payable (\$50,000 - \$500)	\$49,500
Debris Removal Expense	\$10,000
Debris Removal Expense Payable (\$10,000 is 20% of \$50,000)	\$10,000

The debris removal expense is less than 25% of the sum of the "loss" payable plus the deductible. The sum of the "loss" payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

#### Example #2

Limit of Insurance	\$90,000
Amount of Deductible	\$500
Amount of "Loss"	\$80,000
Amount of "Loss" Payable (\$80,000 - \$500)	\$79,500
Debris Removal Expense	\$30,000
Debris Removal Expense Payable	
Basic Amount	\$10,500
Additional Amount	\$10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows:  $\$80,000 (\$79,500 + \$500) \times .25 = \$20,000$ ; capped at \$10,500. The cap applies because the sum of the "loss" payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the "loss" payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the "loss" payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal ex-

pense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

### c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$5,000 in any one occurrence for your liability, which is determined prior to the direct "loss", for fire department service charges:

- (1) Assumed by contract or agreement; or
- (2) Required by local ordinance.

Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed. This Coverage is in addition to the Limits of Insurance shown in the Declarations.

### d. Fire Protection Equipment Recharge

- (1) We will pay for the expenses you incur to recharge your automatic fire suppression system or portable fire extinguishers when the equipment is discharged:
  - (a) To combat a covered fire to which this insurance applies;
  - (b) As a result of another covered Cause of Loss other than fire; or
  - (c) As a result of an accidental discharge.
- (2) We will not pay your expenses to recharge fire protection equipment as a result of a discharge during testing or installation.
- (3) If it is less expensive to do so, we will pay your costs to replace your automatic fire suppression system or portable fire extinguishers rather than recharge that equipment.

The most we will pay in any one occurrence under this Additional Coverage is \$25,000. This Coverage is in addition to the Limits of Insurance shown in the Declarations.

### e. Inventory or Appraisal

- (1) We will pay the necessary expenses you incur to prepare claim information as required by this Coverage Part. Expenses must result from:
  - (a) Taking inventories;
  - (b) Making appraisals; and

- (c) Preparing a statement of loss and other supporting exhibits.

(2) We will not pay for any expenses:

- (a) Incurred to prove that "loss" is covered;
- (b) Incurred under **SECTION D. LOSS CONDITIONS, 2. Appraisal**;
- (c) Incurred for examinations under oath;
- (d) Billed by and payable to independent or public adjusters; or
- (e) To prepare claims not covered by this Coverage Part.

The most we will pay for any one occurrence under this Additional Coverage is \$10,000. This Coverage is in addition to the shown in the Declarations.

**f. Key and Lock Expense**

- (1) If a key or master key is lost, stolen, or damaged, we will pay for:
  - (a) The actual expense of the new keys; and
  - (b) The adjustment of locks to accept new keys; or
  - (c) If required, new locks, including the expense of their installation;
 but only for locks at buildings or structures covered by this Coverage Part.
- (2) This Coverage does not apply to keys that were given to former employees.

The most we will pay in any one occurrence under this Additional Coverage is Limit of Insurance \$1,000. This Coverage is in addition to the Limit of Insurance shown in the Declarations.

**g. Ordinance or Law**

- (1) If a covered building or structure sustains direct "loss" from a Covered Cause of Loss, resulting in the enforcement of or compliance with an ordinance or law that is in force at the time of "loss" and regulates the demolition, construction or repair of buildings or structures, or establishes zoning or land use requirements at the "premises", then subject to **SECTION D, LOSS CONDITIONS, 4. Loss Payment**, we will pay:

**(a) Loss of Use of Undamaged Parts of Buildings**

The costs you incur to rebuild at the same "premises" any undamaged portion of your building or structure caused by enforcement of or compliance with an ordinance or law requiring demolition of undamaged parts of the same building or structure. We will only pay the costs to satisfy the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered.

**(b) Demolition Costs**

The costs you incur to demolish and clear the site of undamaged parts of the same building or structure as a result of Paragraph **g.(1)(a)** above.

**(c) Increased Costs of Construction**

- 1) For buildings or structures to which **SECTION F. OPTIONAL COVERAGES, 3. Replacement Cost** applies, the increased costs to comply with the minimum standards of an ordinance or law to:
  - a) Repair or reconstruct damaged portions of that building or structure; and
  - b) Reconstruct or remodel undamaged portions of that building or structure whether or not demolition is required;

However, this increased cost of construction applies only if the building or structure is repaired, reconstructed or remodeled and is intended for occupancy similar to the building or structure it replaces, unless such occupancy is not permitted by zoning or land use ordinance or law.

- 2) For this Paragraph **g.(1)(c)** only, the increased costs to repair or reconstruct the following:

- a) The cost of excavations, grading, backfilling and filling;
- b) Foundation of the building;
- c) Pilings;
- d) Underground pipes, flues and drains.

The items listed in Paragraphs **g.2a)** through **g.2d)** above are deleted from **SECTION A. COVERAGE, 2. Property Not Covered;**

(2) We will not pay for:

- (a) Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet or dry rot or bacteria; or
- (b) The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet or dry rot or bacteria.

(3) We will not pay for "loss" due to any ordinance or law that:

- (a) You were required to comply with before the "loss", even if the building or structure was undamaged; and
- (b) With which you failed to comply.

(4) The terms of this Additional Coverage apply separately to each building or structure covered by this Coverage Part.

The most we will pay under this Additional Coverage is \$10,000 per building. This is in addition to the Limit of Insurance shown in the Declarations for the building suffering "loss".

#### **h. Pollutant Clean Up and Removal**

We will pay your expenses to extract "pollutants" from land or water at the "premises" if the discharge, dispersal, seepage,

migration, release, escape or emission of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the "coverage term". The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each "premises" is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss during each "coverage term". This Coverage is in addition to the Limit of Insurance shown in the Declarations.

#### **i. Preservation of Property**

If it is necessary to move Covered Property from the "premises" to preserve it from imminent "loss" by a Covered Cause of Loss, we will pay for any direct "loss" to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the "loss" occurs within 60 days after the property is first moved.

This Coverage is included within Limit of Insurance shown in the Declarations for such Covered Property.

#### **j. Rewards**

We will pay to provide a reward for information that leads to a conviction for arson, theft, vandalism, or burglary. The conviction must involve a covered "loss" caused by arson, theft, vandalism, or burglary.

The most we will pay for "loss" in any one occurrence under this Additional Coverage is \$10,000. This Coverage is in addition to the Limit of Insurance shown in the Declarations.

### **5. Coverage Extensions**

Unless amended within a particular Coverage Extension, each Extension applies to property located in or on the building described in the Declarations or in the open (or in a vehicle or portable storage unit) within 1,000 feet of the "premises".

The limits applicable to the Coverage Extensions are in addition to the Limit of Insurance shown in the Property Declarations. Limits of Insurance specified in these Extensions apply per location unless stated otherwise.

**SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance**, does not apply to these Coverage Extensions.

**a. Accounts Receivable**

**SECTION C. DEDUCTIBLE** does not apply to this Coverage Extension.

(1) When you sustain direct "loss" to your accounts receivable records caused by a Covered Cause of Loss, we will pay:

- (a) All amounts due from your customers that you are unable to collect;
- (b) Interest charges on any loan required to offset amounts you are unable to collect pending our payment of these amounts;
- (c) Collection expenses in excess of your normal collection expenses that are made necessary by the "loss"; and
- (d) Other reasonable expenses that you incur to re-establish your records of accounts receivable.

(2) Coverage does not apply to:

- (a) Records of accounts receivable in storage away from the "premises"; or
- (b) Contraband, or property in the course of illegal transportation or trade.

(3) We will extend coverage to include:

**(a) Removal**

If you give us written notice within 30 days of removal of your records of accounts receivable because of imminent danger of direct "loss" from a Covered Cause of Loss, we will pay for "loss" while they are:

- 1) At a safe place away from your "premises"; or
- 2) Being taken to and returned from that place.

This Removal coverage is included within the Limit of Insurance applicable to this Coverage Extension.

**(b) Away From Your Premises**

The most we will pay in any one occurrence is \$5,000, regardless of the number of locations, for "loss" caused by a Covered Cause of Loss to Accounts Receivable while they are away from your "premises".

This Away From Premises Limit is in addition to the Limit of Insurance applicable to this Coverage Extension.

(4) **SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions** does not apply to this Coverage Extension, except as follows:

- (a) **Exclusion (1)(c) Governmental Action;**
- (b) **Exclusion (1)(d) Nuclear Hazard;**
- (c) **Exclusion (1)(f) War and Military Action.**

(5) In addition to Paragraph **a.(4)** of this Coverage Extension, we will not pay for "loss" resulting from any of the following:

**(a) Dishonest or criminal acts by:**

- 1) You, your partners, employees, directors, trustees or authorized representatives;
- 2) A manager or a member if you are a limited liability company;
- 3) Anyone else with an interest in the records of accounts receivable, or their employees or authorized representatives; or
- 4) Anyone else entrusted with the records of accounts receivable for any purpose.

This Paragraph **a.(5)(a)** applies whether or not such persons are acting alone or in collusion with other persons or such act occurs during the hours of employment.

However, this Paragraph **a.(5)(a)** does not apply to dishonest acts of a carrier for hire or to acts of destruction by your employees. However, theft by employees is still not covered.

- (b) Alteration, falsification, concealment or destruction of records of

accounts receivable done to conceal the wrongful giving, taking or withholding of "money", "securities" or other property.

This exclusion applies only to the extent of the wrongful giving, taking or withholding.

- (c) Bookkeeping, accounting or billing errors or omissions.
- (d) Electrical or magnetic injury, disturbance or erasure of "electronic data" that is caused by or results from:
  - 1) Programming errors or faulty machine instructions;
  - 2) Faulty installation or maintenance of data processing equipment or component parts;
  - 3) An occurrence that took place more than 100 feet from your "premises"; or
  - 4) Interruption of electrical power supply, power surge, blackout or brownout if the cause of such occurrence took place more than 100 feet from your "premises".

But we will pay for direct "loss" caused by lightning.

- (e) Voluntary parting with any property by you or anyone entrusted with the property if induced to do so by any fraudulent scheme, trick, device or false pretense.
- (f) A "loss" that requires any audit of records or any inventory computation to prove its factual existence.

**(6) Determination of Receivables:**

- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of direct "loss", the following method will be used:
  - 1) Determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the direct "loss" occurs; and
  - 2) Adjust that total for any normal fluctuations in the amount of accounts receiv-

able for the month in which the direct "loss" occurred or for any demonstrated variance from the average for that month.

- (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
  - 1) The amount of the accounts for which there is no direct "loss"; and
  - 2) The amount of the accounts that you are able to re-establish or collect; and
  - 3) An amount to allow for probable bad debts that you are normally unable to collect; and
  - 4) All unearned interest and service charges.

The most we will pay for "loss" in any one occurrence under this Coverage Extension is \$25,000.

**b. Business Income and Extra Expense**

**SECTION C. DEDUCTIBLE** does not apply to this Coverage Extension.

**(1) Business Income**

We will pay for the actual loss of "Business Income" and "Rental Value" you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct "loss" to property at a "premises" caused by or resulting from any Covered Cause of Loss. With respect to "loss" to personal property in the open or personal property in a vehicle or portable storage unit, the "premises" include the area within 1,000 feet of the building or 1,000 feet of the "premises", whichever is greater.

With respect to the requirements of the preceding paragraph, if you are a tenant and occupy only part of the site at which the "premises" are located, for the purpose of this Coverage Extension only, your "premises" is the portion of the building that you rent, lease or occupy, including:

- (a) Any area within the building or on the site at which the "premises" are located if that area ser-

vices or is used to gain access to the "premises"; and

- (b) Your personal property in the open (or in a vehicle or portable storage unit) within 1,000 feet of the building or 1,000 feet of the "premises", whichever is greater.

## (2) Extra Expense

- (a) We will pay Extra Expense you sustain during the "period of restoration". Extra Expense means necessary expenses you sustain (as described in Paragraphs **(2)(b)**, **(c)** and **(d)**) during the "period of restoration" that you would not have sustained if there had been no direct "loss" to property caused by or resulting from a Covered Cause of Loss.
- (b) If these expenses reduce the otherwise payable "Business Income" "loss", we will pay expenses (other than the expense to repair or replace property as described in Paragraph **(2)(c)**) to:
  - 1) Avoid or minimize the "suspension" of business and to continue "operations" either:
    - a) At the "premises"; or
    - b) At replacement "premises" or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location; or
  - 2) Minimize the "suspension" of business if you cannot continue "operations".
- (c) We will also pay expenses to:
  - 1) Repair or replace property; or
  - 2) Research, replace or restore the lost information on damaged "valuable papers and records";

but only to the extent this payment reduces the otherwise payable "Business Income" "loss". If any property obtained for temporary use during the "period of restoration" remains after the resumption of normal

"operations", the amount we will pay under this Coverage will be reduced by the salvage value of that property.

- (d) Extra Expense does not apply to "loss" to Covered Property as described in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.

## (3) Civil Authority

When a Covered Cause of Loss causes damage to property other than Covered Property at a "premises", we will pay for the actual loss of "Business Income" and necessary Extra Expense you sustain caused by action of civil authority that prohibits access to the "premises", provided that both of the following apply:

- (a) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage; and
- (b) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

This Civil Authority coverage for "Business Income" will begin immediately after the time of that action and will apply for a period of up to 30 days from the date of that action.

This Civil Authority coverage for Extra Expense will begin immediately after the time of that action and will end:

- 1) 30 consecutive days after the time of that action; or
- 2) When your "Business Income" coverage ends;

whichever is later.

## (4) Alterations and New Buildings

We will pay for the actual loss of "Business Income" you sustain and Extra Expense you incur due to direct "loss" at the "premises" caused by or resulting from any Covered Cause of Loss to:

- (a) New buildings or structures, whether complete or under construction;
- (b) Alterations or additions to existing buildings or structures; and
- (c) Machinery, equipment, supplies or building materials located on or within 1,000 feet of the "premises" and:
  - 1) Used in the construction, alterations or additions; or
  - 2) Incidental to the occupancy of new buildings.

If such direct "loss" delays the start of "operations", the "period of restoration" for "Business Income" Coverage will begin on the date "operations" would have begun if the direct "loss" had not occurred.

#### **(5) Newly Purchased or Leased Locations**

We will pay the actual loss of "Business Income" you sustain and Extra Expense you incur due to direct "loss" to Covered Property at any location you purchase or lease caused by or resulting from a Covered Cause of Loss. This coverage for the Newly Purchased or Leased Locations will end when any of the following first occurs:

- (a) This policy expires;
- (b) You report values to us;
- (c) 90 days pass from the date you acquire or begin to construct the Covered Property.

#### **(6) Extended Business Income**

- (a) For "Business Income" Other Than "Rental Value", if the necessary "suspension" of your "operations" produces a "Business Income" or Extra Expense "loss" payable under this Coverage Part, we will pay for the actual loss of "Business Income" you sustain and Extra Expense you incur during the period that:
  - 1) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
  - 2) Ends on the earlier of:

- a) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct "loss" had occurred; or
- b) 60 consecutive days after the date determined in **b.(6)(a)1)** above.

However, Extended Business Income does not apply to loss of "Business Income" sustained or Extra Expense incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the "premises" are located.

Loss of "Business Income" must be caused by direct "loss" at the "premises" caused by or resulting from any Covered Cause of Loss.

- (b) For "Rental Value", if the necessary "suspension" of your "operations" produces a "Rental Value" "loss" payable under this Coverage Part, we will pay for the actual loss of "Rental Value" you incur during the period that:

- 1) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- 2) Ends on the earlier of:

- a) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct "loss" had occurred; or
- b) 60 consecutive days after the date determined in **b.(6)(b)1)** above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of

Loss in the area where the "premises" are located.

Loss of "Rental Value" must be caused by direct "loss" at the "premises" caused by or resulting from any Covered Cause of Loss.

**(7) Interruption of Computer Operations**

- (a) Subject to all provisions of this Coverage Extension, you may extend the insurance that applies to "Business Income" and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" as described in **SECTION A. COVERAGE, 5. Coverage Extensions, d. Electronic Data.**
- (b) Paragraph **b.(7)(a)** does not apply to "loss" sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in Paragraph **b.(7)(c)** has not been exhausted.
- (c) The most we will pay under Paragraph **b.(7)** of this Coverage Extension is \$2,500 for all "loss" sustained and expense incurred in the "coverage term", regardless of the number of interruptions or the number of "premises" or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for subsequent interruptions in that "coverage term". A balance remaining at the end of a "coverage term" does not carry over to the next "coverage term". With respect to an interruption that begins in a "coverage term" and continues or results in additional "loss" or expense in a subsequent "coverage term", all "loss" and expense is deemed to be sustained in the "coverage term" in which the interruption began.

This \$2,500 coverage for Interruption of Computer Operations does not increase the Limit of Insurance provided in this Coverage Extension.

The most we will pay for "loss" in any one occurrence under this "Business Income" and Extra Expense Coverage Extension is \$25,000.

**c. Collapse**

The coverage provided under this Coverage Extension applies only to an abrupt collapse as described and limited in Paragraphs **c.(1)** through **c.(7)** below.

- (1) For the purpose of this Coverage Extension only, abrupt collapse means an abrupt falling down or caving in of a building or structure or any part of a building or structure with the result that the building or structure or part of the building or structure cannot be occupied for its intended purpose.
- (2) We will pay for direct "loss" to Covered Property, caused by abrupt collapse of a building or structure or any part of a building or structure insured under this Coverage Part, or that contains Covered property insured under this Coverage Part, if such collapse is caused by one or more of the following:
  - (a) Building or structure decay that is hidden from view, unless the presence of such decay is known or should reasonably have been known to an insured prior to collapse;
  - (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known or should reasonably have been known to an insured prior to collapse;
  - (c) Use of defective material or methods in construction, remodeling, or renovation if the abrupt collapse occurs during the course of the construction, remodeling, or renovation.
  - (d) Use of defective materials or methods in construction, remodeling, or renovation if the abrupt collapse occurs after construction, remodeling, or renovation is complete but only if the collapse is caused in part by:
    - 1) A cause of loss listed in Paragraph **c.(2)(a)** or **c.(2)(b)** of this Coverage Extension;
    - 2) One or more of the "specified causes of loss";

- 3) Breakage of building glass;
  - 4) Weight of people or personal property; or
  - 5) Weight of rain that collects on a roof.
- (3) This Coverage Extension does not apply to:
- (a) A building or structure or any part of a building or structure that is in danger of falling down or caving in;
  - (b) A part of a building or structure that is standing, even if it has separated from another part of the building or structure; or
  - (c) A building or structure that is standing or any part of a building or structure that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (4) With respect to the following property:
- (a) Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
  - (b) Awnings, gutters and downspouts;
  - (c) Yard fixtures;
  - (d) Outdoor swimming pools;
  - (e) Fences;
  - (f) Piers, wharves and docks;
  - (g) Beach or diving platforms; including their appurtenances;
  - (h) Retaining walls; and
  - (i) Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in Paragraph **c.(2)(a)** through **c.(2)(d)**, we will pay for "loss" to that property only if:
- (a) Such "loss" is a direct result of the abrupt collapse of a building or structure insured under this Coverage Part; and
  - (b) The property is Covered Property under this Coverage Part.
- (5) If personal property abruptly falls down or caves in and such collapse

is **not** the result of abrupt collapse of a building or structure, we will pay for direct "loss" to Covered Property caused by such collapse of personal property only if:

- (a) The collapse of personal property was caused by a Cause of Loss listed in **c.(2)(a)** through **c.(2)(d)** of this Coverage Extension;
- (b) The personal property that collapses is inside a building; and
- (c) The property that collapses is not of a kind listed in Paragraph **c.(4)** above of this Coverage Extension, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **c.(5)** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This Coverage Extension does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- (7) This Coverage Extension shall not increase the Limit of Insurance provided in this Coverage Part.
- (8) The term Covered Cause of Loss includes Collapse as described and limited in Paragraphs **c.(1)** through **c.(7)**.

#### **d. Electronic Data**

- (1) This Coverage Extension does not apply to your "stock" of prepackaged software, or to "electronic data" which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) We will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss that applies to **SECTION A. COVERAGE, 1. Covered Property, d. Business Personal Property**. To the extent that "electronic data" is not replaced or restored, the "loss" will be valued at the cost of replacement of the me-

dia on which the "electronic data" was stored with blank media of substantially identical type.

- (3) For the purposes of this Coverage Extension only, Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, that is designed to damage or destroy any part of the system or disrupt its normal operation. However, there is no coverage for "loss" caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system or "electronic data".
- (4) The most we will pay for all direct "loss" under this Coverage Extension, regardless of the number of "premises" or computer systems involved, is \$2,500. This limit is the most we will pay for the total of all direct "loss" arising out of all occurrences that take place in the "coverage term". If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent "loss" sustained in the "coverage term". A balance remaining in a "coverage term" does not carry over to the next "coverage term". With respect to an occurrence which begins in the "coverage term" and continues or results in additional "loss" in a subsequent "coverage term", all "loss" is deemed to be sustained in the "coverage term" in which the occurrence began.

**e. Exhibitions, Fairs or Trade Shows**

We will pay for direct "loss" caused by a Covered Cause of Loss to your Covered Property, including covered property of others, while it is located at exhibitions, fairs or trade shows. This Coverage Extension does not apply while Covered Property is in transit to or from the exhibition, fair or trade show.

The most we will pay for "loss" in any one occurrence is \$10,000.

The Limit of Insurance provided under this Coverage Extension does not apply per location.

**f. Fences**

We will pay for direct "loss" caused by a Covered Cause of Loss to your outdoor fences that are located within 1,000 feet of the "premises" and not otherwise insured as Covered Property in this Coverage Part.

The most we will pay for "loss" in any one occurrence under this Coverage Extension is \$5,000.

**g. Fungi, Wet Rot, Dry Rot, and Bacteria - Limited Coverage**

- (1) The coverage described in Paragraphs **g.(2)** and **g.(3)** of this Coverage Extension only apply when the "fungi", wet or dry rot or bacteria is the result of a Covered Cause of Loss that occurs during the "coverage term" and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
- (2) We will pay for "loss" by "fungi", wet or dry rot or bacteria. As used in this Coverage Extension, the term "loss" means:
- (a) Direct "loss" to Covered Property caused by "fungi", wet or dry rot or bacteria, including the cost of removal of the "fungi", wet or dry rot or bacteria;
  - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet or dry rot or bacteria; and
  - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet or dry rot or bacteria are present.
- (3) For the coverage described under Paragraph **g.(2)** of this Coverage Extension, the most we will pay for "loss", regardless of the number of claims, is \$15,000. This limit is the most we will pay for the total of all "loss" arising out of all occurrences that take place in the "coverage term". With respect to a particular occurrence of "loss" which results in "fungi", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungi", wet or dry rot or bacteria continues to be pre-

sent or active, or recurs, in a subsequent "coverage term".

- (4) The coverage provided under this Coverage Extension does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in "loss" by "fungi", wet or dry rot or bacteria, and other "loss", we will not pay more, for the total of all "loss" than the applicable Limit of Insurance on the affected Covered Property.

If there is covered "loss" to Covered Property, not caused by "fungi", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Coverage Extension, except to the extent that "fungi", wet or dry rot or bacteria causes an increase in the "loss". Any such increase in the "loss" will be subject to the terms of this Coverage Extension.

- (5) The terms of this Coverage Extension do not increase or reduce the coverage provided under:

(a) **SECTION A. COVERAGE, 5. Coverage Extensions, c. Collapse;**

(b) **SECTION A. COVERAGE, 5. Coverage Extensions, s. Water, Other Liquids, Powder or Molten Material Damage**

- (6) The following (6)(a) or (6)(b) apply only if "Business Income", "Rental Value", or Extra Expense Coverage applies to the "premises" and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable "Business Income", "Rental Value", or Extra Expense Coverage.

(a) If the "loss" which resulted in "fungi", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to "loss" to property caused by "fungi", wet or dry rot or bacteria, then our payment under "Business Income" and/or Extra Expense is limited to the amount of "loss" and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

(b) If a covered "suspension" of "operations" was caused by "loss" other than "fungi", wet or dry rot or bacteria but remedia-

tion of "fungi", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for "loss" and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

- (7) This Coverage Extension does not apply to lawns, trees, plants or shrubs that are part of any vegetative roof.

(2) Loss of "Business Income" you sustain and Extra Expenses you incur as provided in **SECTION A. COVERAGE, 5. Coverage Extensions, b. Business Income and Extra Expense;**

caused by or resulting from the partial or complete failure of utility services to the "premises".

The partial or complete failure of the utility services listed below must be caused by direct "loss" caused by a Covered Cause of Loss to the following property:

(1) Power Supply Property, meaning the following types of property supplying

electricity, steam or natural gas to the "premises":

- (4) We will extend coverage to include:

**(a) Removal**

because of imminent danger of direct "loss" from a Covered Cause of Loss, we will pay for direct "loss" while they are:

- 1) At a safe place away from your "premises"; or
- 2) Being taken to and returned from that place.

This Removal coverage is included within the Limits of Insurance applicable to this Coverage Extension.

**(b) Away From Your Premises**

We will pay up to \$5,000 in any one occurrence, regardless of the number of locations, for direct "loss" caused by a Covered Cause of Loss to "valuable papers and records" while they are away from your "premises".

- (a) Exclusion (1)(c) Governmental Action;**
- (b) Exclusion (1)(d) Nuclear Hazard; and**
- (c) Exclusion (1)(f) War and Military Action.**

**(6) In addition to Paragraph r.(5) of this Coverage Extension, we will not pay for direct "loss" resulting from any of the following:**

- (a) Dishonest or criminal acts by:**
  - 1) You, your partners, employees, directors, trustees or authorized representatives;

**s. Water Damage, Other Liquids, Powder or Molten Material Damage**

If a covered direct "loss" to which this insurance applies was caused by or resulted from water or other liquid, powder or molten material damage, we will also pay the cost to tear out and replace any otherwise undamaged part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

**SECTION B. LIMITS OF INSURANCE**

The most we will pay for "loss" in any one occurrence is the applicable Limit of Insurance shown in the Declarations, except as amended in **SECTION A. COVERAGE, 3. Covered Causes of Loss, c. Limitations, 4. Additional Coverages, and 5. Coverage Extensions.**

**SECTION C. DEDUCTIBLE**

Except as otherwise provided; in any one occurrence of direct "loss" we will first reduce the amount of "loss" if required by **SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance or SECTION F. OPTIONAL COVERAGES, 1. Agreed Value.** If the adjusted amount of direct "loss" is less than or equal to the Deductible, we will not pay for that direct "loss". If the adjusted amount of direct "loss" exceeds the Deductible, we will then

subtract the Deductible from the adjusted amount of direct "loss", and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves direct "loss" to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

## 1. Deductible Examples

### Example No. 1:

(This example assumes there is no coinsurance penalty as outlined in **SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance**).

Deductible:	\$250
Limit of Insurance - Bldg. 1:	\$60,000
Limit of Insurance - Bldg. 2:	\$80,000
"Loss" to Bldg. 1:	\$60,100
"Loss" to Bldg. 2:	\$90,000

The amount of "loss" to Bldg. 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Bldg. 1 plus the Deductible.

The Deductible will be subtracted from the amount of "loss" in calculating the "loss" payable for Bldg. 1:

$$\$60,100 - \$250 = \$59,850 \text{ "Loss" Payable - Bldg. 1}$$

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of "loss" payable for Bldg. 2. "Loss" payable for Bldg. 2 is the Limit of Insurance of \$80,000.

Total amount of "loss" payable: \$59,850 + 80,000 = \$139,850.

### Example No. 2:

(This example also assumes there is no coinsurance penalty).

The Deductible and Limits of Insurance are the same as those in Example No. 1:

"Loss" to Bldg. 1: \$70,000 (Exceeds Limit of Insurance plus Deductible)

"Loss" to Bldg. 2: \$90,000 (Exceeds Limit of Insurance plus Deductible)

"Loss" Payable - Bldg. 1: \$60,000 (Limit of Insurance)

"Loss" Payable - Bldg. 2: \$80,000 (Limit of Insurance)

Total amount of "loss" payable: \$140,000.

## 2. Glass Deductible

When direct "loss" to the building you occupy only involves building glass, the Deductible for that "loss" will be the lesser of:

- a. \$500; or
- b. The Deductible shown in the Declarations for that Covered Property.

## SECTION D. LOSS CONDITIONS

The following conditions apply in addition to the **COMMON POLICY CONDITIONS** and the **COMMERCIAL PROPERTY CONDITIONS**.

### 1. Abandonment

There can be no abandonment of any property to us.

### 2. Appraisal

If we and you disagree on the value of the property, the amount of Net Income and operating expense, or the amount of "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property, the amount of Net Income and operating expense, and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we still retain our right to deny the claim.

### 3. Duties in the Event of Loss or Damage

- a. In the event of "loss" to Covered Property, you must see that the following are done in order for coverage to apply:
  - (1) Notify the police if a law may have been broken.
  - (2) Give us prompt notice of the "loss". Include a description of the property involved.
  - (3) As soon as possible, give us a description of how, when and where the "loss" occurred.
  - (4) Take all reasonable steps to protect the Covered Property from further damage. If feasible, set the damaged property aside and in the best possible order for examination. Keep a

record of your expenses necessary to protect the Covered Property for consideration in the settlement of the claim. This will not increase your limit of insurance. However, in no event will we pay for any subsequent "loss" resulting from a cause of loss that is not a Covered Cause of Loss.

- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of "loss" claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the "loss" and examine your books and records.  
  
Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis and permit us to make copies from your books and records.
- (7) Submit a signed sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.
- (9) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

#### 4. Loss Payment

- a. In the event of "loss" insured by this Coverage Part, at our option, we will either:
  - (1) Pay the value of lost or damaged property;
  - (2) Pay the cost of repairing or replacing the lost or damaged property;
  - (3) Take all or any part of the property at an agreed or appraised value; or
  - (4) Repair, rebuild or replace the property with other property of like kind and quality.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of **SECTION D. LOSS CONDITIONS, 7. Valuation** or any applicable provision that amends or supercedes this valuation condition.

- b. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property, except as provided in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law**.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust "losses" with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. Our payment for "loss" to personal property of others and personal effects will only be for the account of the owner of the property.
- g. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- h. We will pay for insured "loss" within 30 days after we receive the sworn proof of loss if you have complied with all of the terms of this Coverage Part; and
  - (1) We have reached agreement with you on the amount of "loss"; or
  - (2) An appraisal award has been made.

#### i. **Loss Payment - Ordinance or Law.**

With respect to **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law**:

##### (1) **Loss of Use of Undamaged Parts of Building**

When there is a loss in value of an undamaged portion of a building or structure to which this coverage applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

(a) If **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION F. OPTIONAL COVERAGES, 3. Replacement Cost** applies and the property is repaired or replaced, on the same "premises" or another "premises"; we will not pay more than the lesser of:

- 1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same "premises" and to the same height, floor area, style and comparable quality of the original property insured; or
- 2) The limit of insurance indicated in **SECTION A. COVERAGE, 4. Additional Coverages g. Ordinance or Law for Loss of Use of Undamaged Parts of Building** for the building that has suffered "loss".

(b) If **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION F. OPTIONAL COVERAGES, 3. Replacement Cost** applies and the property is not repaired or replaced, or if the Replacement Cost Coverage Option does not apply, we will not pay more than the lesser of:

- 1) The "actual cash value" of the building at the time of "loss"; or
- 2) The limit of insurance indicated in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law for Loss of Use of Undamaged Parts of Building** for the building that has suffered "loss".

## (2) Demolition Costs

Loss payment for Demolition Costs will be determined as follows:

We will not pay more than the lesser of the following:

- (a) The amount you actually spend to demolish and clear the site of the "premises"; or

(b) The limit of insurance indicated in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law for Demolition Costs** for the building that has suffered "loss".

## (3) Increased Costs of Construction

Loss payment for **Increased Costs of Construction** will be determined as follows:

(a) We will not pay for the increased cost of construction until the property is actually repaired or replaced, at the same "premises" or another location and unless the repairs or replacement are made as soon as reasonably possible after the direct "loss", not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same "premises", or if you elect to rebuild at another "premises", the most we will pay for the **Increased cost of construction** is the lesser of:

- 1) The increased cost of construction at the same "premises"; or
- 2) The limit of insurance indicated in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law for Increased Costs of Construction** for the building that has suffered "loss".

(c) If the ordinance or law requires relocation to another location the most we will pay for the increased cost of construction is the lesser of:

- 1) The increased cost of construction at the new location; or
- 2) The limit of insurance indicated in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law for Increased Costs of Construction** for the building that has suffered "loss".

## (4) Proportional Payments

If the building or structure sustains both direct "loss" that is covered un-

der this Coverage Part and direct "loss" that is not covered under this Coverage Part; and as a result of the direct "loss" in its entirety you are required to comply with the ordinance or law, we will not pay the full amount of direct "loss" otherwise payable under the terms of **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law**. Instead, we will pay a proportion of such direct "loss"; meaning the proportion that the covered direct "loss" bears to the total direct "loss".

**j. Loss Determination - Business Income and Extra Expense**

With respect to **SECTION A. COVERAGE, 5. Coverage Extensions, b. Business Income and Extra Expense**,

- (1) The amount of "Business Income" and "Rental Value" "loss" will be determined based on:
  - (a) The Net Income of the business before the direct "loss" occurred;
  - (b) The likely Net Income of the business if no direct "loss" had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
  - (c) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct "loss"; and
  - (d) Other relevant sources of information, including:
    - 1) Your financial records and accounting procedures;
    - 2) Bills, invoices and other vouchers; and
    - 3) Deeds, liens or contracts.
- (2) The amount of Extra Expense will be determined based on:
  - (a) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct "loss"

had occurred. We will deduct from the total of such expenses:

- 1) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
  - 2) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (b) Necessary expenses that reduce the "Business Income" and "Rental Value" "loss" that otherwise would have been incurred.

**(3) Resumption of Operations**

We will reduce the amount of your:

- (a) "Business Income" and "Rental Value" "loss", other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or "stock") at the "premises" or elsewhere.
  - (b) Extra Expense "loss" to the extent you can return "operations" to normal and discontinue such Extra Expense.
- (4) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

**k. Party Walls**

A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the "loss" to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the "loss" to the party wall, subject to all applicable policy provisions all other provisions of this **SECTION D. LOSS CONDITIONS, 4. Loss Payment** including:

- (1) Limit of Insurance shown in the Declarations;
- (2) **SECTION D. LOSS CONDITIONS, 7. Valuation**; and
- (3) **SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance.**

Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of **COMMERCIAL PROPERTY CONDITIONS, I. Transfer Of Rights Of Recovery Against Others To Us** in this Coverage Part.

## 5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

## 6. Vacancy

### a. Description of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
  - (a) When this Coverage Part is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
  - (b) When this Coverage Part is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
    - 1) Rented to a lessee or sublessee and used by them to conduct their customary operations; or
    - 2) Used by the building owner to conduct customary operations.

- (2) Buildings under construction or renovation are not considered vacant.

### b. Vacancy Provisions

If the building where direct "loss" occurs has been vacant for more than 60 consecutive days before that "loss", we will:

- (1) Not pay for any "loss" caused by any of the following, even if they are Covered Causes of Loss:
  - (a) Vandalism;
  - (b) Sprinkler leakage, unless you have protected the system against freezing;
  - (c) Building glass breakage;
  - (d) Water damage;
  - (e) Theft; or
  - (f) Attempted theft.
- (2) Reduce the amount we would otherwise pay for the "loss" by 15% with respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** of this Loss Condition.

## 7. Valuation

We will determine the value of Covered Property in the event of direct "loss" as follows:

- a. At "Actual Cash Value" as of the time of direct "loss", except as provided in **b.**, **c.**, **d.**, and **e.** below.
- b. If the Limit of Insurance for Building satisfies **SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance**, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at actual cash value even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.

- d. Glass at the cost of replacement with safety glazing material if required by law.
  - e. Tenant's Improvements and Betterments at:
    - (1) Replacement Cost of the lost or damaged property if you make repairs promptly.
    - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
      - (a) Multiply the original cost by the number of days from the "loss" or damage to the expiration of the lease; and
      - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.
- If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
- (3) Nothing if others pay for repairs or replacement.
  - (4) For the purposes of valuation, tenants' improvements and betterments are not considered to be the personal property of others.

## SECTION E. ADDITIONAL CONDITIONS

The following conditions apply in addition to the **COMMON POLICY CONDITIONS** and the **COMMERCIAL PROPERTY CONDITIONS**.

### 1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any "loss" if the value of Covered Property at the time of direct "loss" times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of direct "loss" by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in step (1);

- (3) Multiply to the total amount of "loss", before the application of any deductible, by the figure determined in step (2); and
- (4) Subtract the deductible from the figure determined in step (3).

We will pay the amount determined in step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the "loss" yourself.

### Example No. 1 (Underinsurance):

The value of the property is: \$250,000  
 The coinsurance percentage is: 80%  
 The Limit of Insurance is: \$100,000  
 The Deductible is: \$250  
 The amount of "loss" is: \$40,000

Step (1):

$\$250,000 \times 80\% = \$200,000$  (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):

$\$100,000 \text{ divided by } \$200,000 = .50$

Step (3):

$\$40,000 \times .50 = \$20,000$

Step (4):

$\$20,000 - \$250 = \$19,750$ .

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

### Example No. 2 (Adequate Insurance):

The value of the property is: \$250,000  
 The coinsurance percentage is: 80%  
 The Limit of Insurance is: \$200,000  
 The Deductible is: \$250  
 The amount of "loss" is: \$40,000

Step (1):

$\$250,000 \times 80\% = \$200,000$  (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):

$\$200,000 : \$200,000 = 1.00$

Step (3):

$\$40,000 \times 1.00 = \$40,000$

Step (4):

$\$40,000 - \$250 = \$39,750$ .

We will pay no more than \$39,750 "loss" in excess of the Deductible. No penalty applies.

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

**Example No. 3:**

The values of the property are:

Bldg. at Location No. 1:	\$75,000
Bldg. at Location No. 2:	\$100,000
Personal Property at Location No. 2:	<u>\$75,000</u>
	250,000

The coinsurance percentage is: 90%  
The Limit of Insurance for Buildings and Personal

Property at Location Nos. 1 and 2 is:	\$180,000
The Deductible is:	\$1,000
The amount of "loss" is:	
Bldg. at Location No. 2:	\$30,000
Personal Property at Location No. 2:	<u>\$20,000</u>
	\$50,000

Step (1):

$\$250,000 \times 90\% = \$225,000$   
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2):  
 $\$180,000 : \$225,000 = .80$

Step (3):  
 $\$50,000 \times .80 = \$40,000$

Step (4):  
 $\$40,000 - \$1,000 = \$39,000.$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

## 2. Mortgage Holders

- a. The term "mortgage holder" includes trustee.
- b. We will pay for covered "loss" to buildings or structures to each mortgage holder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgage holder has the right to receive loss payment even if the mortgage holder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply

with the terms of this Coverage Part, the mortgage holder will still have the right to receive loss payment if the mortgage holder:

- (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2) Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgage holder.

All of the terms of this Coverage Part will then apply directly to the mortgage holder.

- e. If we pay the mortgage holder for any "loss" and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgage holder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgage holder's right to recover the full amount of the mortgage holder's claim will not be impaired.

At our option, we may pay to the mortgage holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgage holder at least:
- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgage holder at least ten days before the expiration date of this policy.

## SECTION F. OPTIONAL COVERAGES

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

**1. Agreed Value**

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for direct "loss" to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Limit of Insurance indicated in the most current Statement of Values that applies to this Coverage Part.
- b. If the Agreed Value Optional Coverage is deleted from the policy, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage does not apply.
- c. The terms of this Optional Coverage apply only to "loss" that occurs:
  - (1) On or after the effective date of this Optional Coverage; and
  - (2) Before the policy expiration date.
- d. This Agreed Value Optional Coverage does not apply to **SECTION A. COVERAGE, 5. Coverage Extensions, b. Business Income and Extra Expense.**

**2. Inflation Guard**

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
  - (1) The Limit of Insurance that applied on the beginning of the current "coverage term" or any other Coverage Part change amending the Limit of Insurance, multiplied by
  - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), multiplied by
  - (3) The number of days since the beginning of the current "coverage term" or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365. In the event of "loss", this number of days ends at the original date of "loss".

Example:

If: The applicable Limit of Insurance is: \$100,000

The Annual percentage increase is: 8%

The number of days since the beginning of the policy year (or last policy change) is: 146

The amount of increase is  
 $\$100,000 \times .08 \times (146/365) = \$3,200$

**3. Replacement Cost**

- a. Replacement Cost (without deduction for depreciation) replaces "Actual Cash Value" in **SECTION D. LOSS CONDITIONS, 7. Valuation** of this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. This Optional Coverage does not apply to:
  - (1) Personal Property of others, except leased personal property as described in **SECTION A. COVERAGE, 1. Covered Property, d.(7)**. The valuation of such leased personal property will be based on the amount for which you are liable under the lease, but not to exceed the replacement cost of the leased item.
  - (2) Personal effects;
  - (3) Contents of a residence;
  - (4) Manuscripts;
  - (5) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac;
  - (6) "Stock" unless the Replacement Cost including "Stock" option is shown in the Declarations; or
  - (7) Property, that at the time of "loss":
    - (a) Is outdated, or obsolete and is stored or not being used; or
    - (b) Has no practical value to you.
- c. You may make a claim for "loss" covered by this insurance on an "Actual Cash Value" basis instead of on a replacement cost basis. In the event you elect to have "loss" settled on an "Actual Cash Value" basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the "loss".
- d. We will not pay on a replacement cost basis for any "loss":
  - (1) Until the lost or damaged property is actually repaired or replaced with other property of generally the same construction and used for the same

purpose as the lost or damaged property; and

- (2) Unless the repairs or replacement have been completed or at least underway within 2 years following the date of "loss".

e. We will not pay more for "loss" on a replacement cost basis than the least of:

- (1) The Limit of Insurance applicable to the lost or damaged property;
- (2) The cost to replace, on the same "premises", the lost or damaged property with other property:
  - (a) Of comparable material and quality; and
  - (b) Used for the same purpose; or
- (3) The amount you actually spend that is necessary to repair or replace the lost or damaged property.

f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use, or repair of any building or structure except as provided in **SECTION A. COVERAGE, 4. Additional Coverages, g. Ordinance or Law.**

## SECTION G. DEFINITIONS

1. "Actual cash value" means replacement cost less a deduction that reflects depreciation, age, condition and obsolescence.
2. "Business Income" means the:
  - a. Net Income (net profit or loss before income taxes) that would have been earned or incurred; and
  - b. Continuing normal operating expenses sustained, including payroll.
3. "Computer programs" means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
4. "Coverage term" means the following individual increment, or if a multi-year policy period, increments, of time, which comprise the policy period of this Coverage Part:
  - a. The year commencing on the Effective Date of this Coverage Part at 12:01 A.M. standard time at your mailing address shown in the Declarations, and if a multi-year policy period, each consecutive annual period thereafter, or portion thereof if

any period is for a period of less than 12 months, constitute individual "coverage terms". The last "coverage term" ends at 12:00 A.M. standard time at your mailing address shown in the Declarations on the earlier of:

- (1) The day the policy period shown in the Declarations ends; or
- (2) The day the policy to which this Coverage Part is attached is terminated or cancelled.

b. However, if after the issuance of this Coverage Part, any "coverage term" is extended for an additional period of less than 12 months, that additional period of time will be deemed to be part of the last preceding "coverage term".

5. "Electronic data" means information, facts or "computer programs" stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment.
6. "Finished stock" means stock you have manufactured, except "stock" you have manufactured that is held for sale on the "premises" of any retail outlet insured under this Coverage Part.
7. "Fungi" means any type or form of fungus, and includes, but is not limited to, any form or type of mold, mushroom or mildew and any mycotoxins, spores, scents or byproducts produced or released by fungi.
8. "Loss" means accidental physical loss or accidental physical damage.
9. "Money" means:
  - a. Currency, coins and bank notes whether or not in current use; and
  - b. Travelers checks, registered checks and money orders held for sale to the public.
10. "Operations" means:
  - a. Your business activities occurring at the "premises"; and
  - b. The tenantability of the "premises", if coverage for "Business Income" including "Rental Value" or "Rental Value" applies.
11. "Period of restoration" means the period of time that:
  - a. Begins at the time of direct "loss".
  - b. Ends on the earlier of:

- (1) The date when the property at the "premises" should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
    - (2) The date when business is resumed at a new permanent location.
  - c. "Period of restoration" does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
    - (1) Regulates the construction, use or repair, or requires the tearing down of any property; or
    - (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants".
  - d. The expiration date of the policy will not cut short the "period of restoration".
12. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, asbestos, chemicals, petroleum, petroleum products and petroleum by-products, and waste. Waste includes materials to be recycled, reconditioned or reclaimed. "Pollutants" include but are not limited to substances which are generally recognized in industry or government to be harmful or toxic to persons, property, or the environment regardless of whether injury or damage is caused directly or indirectly by the "pollutants" and whether:
- a. You are regularly or otherwise engaged in activities which taint or degrade the environment; or
  - b. You use, generate or produce the "pollutant".
13. "Premises" means the Locations and Buildings described in the Declarations.
14. "Rental Value" means "Business Income" that consists of :
- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred as rental income from tenant occupancy of the "premises" described in the Declarations as furnished and equipped by you, including fair rental value of any portion of the "premises" which is occupied by you; and
  - b. Continuing normal operating expenses incurred in connection with that "premises", including:
    - (1) Payroll; and
    - (2) The amount of charges, which are the legal obligation of the tenant(s) but would otherwise be your obligations.
15. "Securities" means negotiable and non-negotiable instruments or contracts representing either "money" or other property and includes:
- a. Tokens, tickets, revenue and other stamps whether or not in current use; and
  - b. Evidences of debt issued in connection with credit or charge cards, which are not of your own issue; but does not include "money". Lottery tickets held for sale are not "securities" or evidences of debt.
16. "Sinkhole collapse" means the sudden settlement or collapse of earth supporting the Covered Property into subterranean voids created by the action of water on a limestone or similar rock formation. This does not include:
- a. The cost of filling sinkholes;
  - b. Sinking or collapse of land into man-made subterranean cavities; or
  - c. The value of the land.
17. "Specified causes of loss" means fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; "sinkhole collapse"; volcanic action; falling objects; weight of snow, ice or sleet; and water damage.
- a. Falling objects does not include "loss" to:
    - (1) Personal property in the open; or
    - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
  - b. Water damage means:
    - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and
    - (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the "premises" and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include "loss" otherwise excluded under the terms of **BUILDING AND BUSINESS PERSONAL PROPERTY, SECTION A. COVERAGE, 3. Covered Causes of Loss, (g) Water**. Therefore, for example, there is no coverage under this Coverage Part in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Exclusion **(g) Water**, there is no coverage for "loss" caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **18.b.(1)** or **18.b.(2)** of this definition of "Specified causes of loss", such

water is not subject to the provisions of Exclusion **(g) Water**.

18. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.
19. "Suspension" means:
  - a. The slowdown or cessation of your business activities; and
  - b. That a part or all of the "premises" is rendered untenable.
20. "Valuable papers and records" means inscribed, printed or written documents, manuscripts or records, including abstracts, books, card index systems, deeds, drawings, films, maps, mortgages, or proprietary information.

But "valuable papers and records" does not mean "money" or "securities" or "electronic data", including the materials on which the "electronic data" is recorded.

  - We will pay for covered "loss" to each Loss Payee in their order of precedence, as interests may appear.
  - The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the Covered Property.
  - If we deny your claim because of your acts or because you have failed to comply with the terms of the Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:
    - (1) Pays any premium due under the Coverage Part, at our request, if you have failed to do so;
    - (2) Submits a signed, sworn report of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee.

All of the terms of this Coverage Part will then apply directly to the Loss Payee.

- d. If we pay the Loss Payee for any "loss" and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part,

(1) The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and

(2) The Loss Payee's rights to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

3. If we cancel the policy, we will give written notice to the Loss Payee at least:
- 15 days before the effective date of cancellation if we cancel for your non-payment of premium;
  - 30 days before the effective date of cancellation if we cancel for any other reason.

4. If we elect not to renew this policy, we will give written notice to the Loss Payee at least 30 days before the expiration date of this policy.

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the bargeage, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remediating Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

\$ 1,000,000 in any single "coverage term", regardless of the number of floods

**C. Flood Deductible**

\$ 50,000 is the deductible per flood

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

See **SECTION L. Other Insurance** for an explanation of this option.

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the bargeage, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remedialing Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remedialing land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. - a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". - (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

See **SECTION L. Other Insurance** for an explanation of this option

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remedialing Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remedialing land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.

Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.

### K. Coinsurance

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

See **SECTION L. Other Insurance** for an explanation of this option

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remedialing Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remedialing land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1, Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

See **SECTION L. Other Insurance** for an explanation of this option

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the bargeage, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remedialing Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remedialing land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.

Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).

    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## FLOOD COVERAGE ENDORSEMENT

- D.** ☐ **Underlying Insurance Waiver** ("X" box if this condition applies)

See **SECTION L. Other Insurance** for an explanation of this option

**A. Flood Coverage**

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

**a. Covered Causes of Loss**

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunamis) or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph a.(1) above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph a.(1) and a.(2) above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

**B. Covered Property for Flood**

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

**C. Property Not Covered by Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-891, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

**D. Revised Exclusions**

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A, COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

**E. Exclusions**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

**Destabilization of Land**

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

**Cost of Restoring or Remediating Land**

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

**Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems**

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

**Property in the Open**

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

**F. Debris Removal from Flood**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

- i. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**Pre-Existing Flood or Flood at Inception**

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

**b. Debris Removal**

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hauled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

**G. Flood for Newly Purchased, Leased or Constructed Property**

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, 1. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages and Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood limit)

Total Loss Payment is \$800,000

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C, DEDUCTIBLE** is amended to include the following.

#### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A- COVERAGE, 5. Coverage Extensions, b- Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E, ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

### L. Other Insurance

For the purposes of this endorsement only, **SECTION G, Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

### G. Other Insurance

#### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1, Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the Flood Coverage Schedule or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in G.1. above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.

Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).

    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

##### 1. Underlying Insurance Requirement

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. - a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. - (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy.   - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". ## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. ### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy.   - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". ## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## A. Flood Coverage

1. This endorsement applies to the Covered Property and Coverages for which a Flood Limit of Insurance is shown in the Flood Coverage Schedule or in the Declarations.
2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:
  - (a) The unusual or rapid accumulation or runoff of rain or surface waters from any source; or
  - (b) Waves, tidal waters, tidal waves (including tsunami); or
  - (c) Water from rivers, ponds, lakes, streams or any other body of water that rises above, overflows from, or is not contained within its natural or man-made boundary; and

All whether driven by wind or not, including storm surge.

- (2) Mudslides or mudflows, which are caused by flooding as defined in Paragraph **a.(1)** above. Mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.
- (3) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **a.(1)** and **a.(2)** above, or material carried or otherwise moved by mudslide or mudflow.

All flooding in a continuous or protracted event will constitute a single flood.

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
2. **Property Not Covered** includes boat-houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
3. Even if bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building have been removed from **Property Not Covered** and added under **1. Covered Property** by separate endorsement, this Flood Coverage Endorsement does not apply to such property.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. 2. For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, a. Covered Causes of Loss** is deleted in its entirety and replaced by the following:

### a. Covered Causes of Loss

- (1) Flood, meaning the partial or complete inundation of normally dry land areas due to:

## B. Covered Property for Flood

Unless the following property has already been endorsed to become Covered Property, for the purposes of this endorsement only, the

following is added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 1. Covered Property**:

1. Foundations below the lowest basement floor or the subsurface of the ground; and
2. Underground pipes, flues and drains.

## C. Property Not Covered by Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 2. Property Not Covered** is amended to include the following:

1. **Property Not Covered** includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.

## D. Revised Exclusions

For the purposes of this endorsement only:

1. In **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(g) Water** is amended to include the following:

To the extent that a part of this Water exclusion might conflict with coverage provided by this endorsement, that part of the Water exclusion does not apply.

2. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement** is amended to include the following:

To the extent that a tsunami causes the overflow of tidal waters, then Paragraph 1) does not apply.

## E. Exclusions

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)** is amended to include the following:

### Pre-Existing Flood or Flood at Inception

We will not pay for any "loss" caused by or resulting from any flood that begins before or within 72 hours after the inception date of this endorsement. However, this limitation does not apply to a particular location if flood coverage was in effect for that location for at least 72 hours immediately prior to the inception date of this endorsement, under a policy issued by us or by another insurer, and this policy replaces the previous policy without a lapse in coverage. If you request and we provide an increase in the stated Limit of Insurance for flood during the term of this policy, with the exception of an increase at the time of renewal of the policy, the increase will not apply to "loss" from any flood that begins before or within 72 hours after your request was made.

If the flood is due to the overflow of inland or tidal waters, then the flood is considered to begin when the water first overflows its banks.

### Destabilization of Land

We will not pay for any "loss" caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.

### Cost of Restoring or Remediating Land

As stated in **A. COVERAGE, 2. Property Not Covered**, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this endorsement does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from flood. However, coverage under this endorsement includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause flood.

### Water Backup Discharged From Sewers, Drains, Septic or Sump Pump Systems

We will not pay for any "loss" caused by discharge of water or waterborne material from sewers, drains, septic systems, or sump pump systems or related equipment unless such discharge results from flood and occurs within 72 hours after the flood recedes.

## Property in the Open

We do not cover any "loss" by flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.

## F. Debris Removal from Flood

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 4. Additional Coverages, b. Debris Removal** (and any additional limit for Debris Removal under a LIMIT OF INSURANCE clause or an endorsement) is deleted in its entirety and replaced by the following:

### b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property and other debris that is on the "premises" when such debris is caused by or results from flood. However, we will not pay to remove deposits of mud or earth from the grounds of the "premises".
- (2) We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the "premises" by flood.
- (3) This Debris Removal Coverage does not increase the applicable Limit of Insurance for flood. Therefore, the most we will pay for the total of debris removal and "loss" to Covered Property is the Limit of Insurance for flood that applies to the Covered Property at the affected "premises" covered under this endorsement.

## G. Flood for Newly Purchased, Leased or Constructed Property

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, i. Newly Purchased, Leased or Constructed Property** is amended to include the following:

- (4) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in Paragraphs (1) and (2) of this Coverage Extension do not apply to flood coverage. Instead, the most we will pay for all "loss" to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for flood coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for flood.

- (5) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.

#### H. Anti-Stacking of Flood Coverage

For the purposes of this endorsement only with respect to any applicable **Additional Coverages** and **Coverage Extensions** in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**, other than those addressed in **SECTIONS F. and G.** of this endorsement, amounts payable under such other provisions, as set forth therein, do not increase the Limit of Insurance for flood.

#### I. Limit of Insurance for Flood

##### 1. General Information

- a. Flood coverage may be written at a Limit of Insurance that is equal to or less than the Limit of Insurance which applies to other Covered Causes of Loss (e.g., fire) under this **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.
- b. The Limit of Insurance for flood is shown in the **Flood Coverage Schedule** or in the Declarations. If such Limit of Insurance is not shown, then the Limit of Insurance applicable to fire also applies to flood.

##### 2. Application of Limit and Aggregate

- a. The Limit of Insurance for flood is the most we will pay in a single occurrence of flood for "loss" caused by the flood. If there is more than one flood in a "coverage term" the most we will pay for the total of all "loss" sustained during that "coverage term" and caused by flood is the amount that is identified as the Annual Aggregate for flood as shown in the **Flood Coverage Schedule** or the Declarations.
- b. If the Limit of Insurance and the Annual Aggregate amount are the same, or if there is no amount stated as an Annual Aggregate, then the Limit of Insurance is the most we will pay for the total of all "loss" that is caused by flood in a "coverage term", even if there is more than one occurrence of flood during that "coverage term". Thus, if the first flood does not exhaust the applicable Limit of Insurance, then the balance of that Limit of Insurance is available for subsequent floods.
- c. If a single occurrence of flood begins during one "coverage term" and ends

during the following "coverage term", any Limit of Insurance or Annual Aggregate applicable to the following "coverage term" will not apply to that flood.

- d. If a Blanket Limit of Insurance option is selected on the **Flood Coverage Schedule**, that Blanket Limit of Insurance does not apply separately to the Locations, Covered Property or Coverages listed. The Blanket Limit of Insurance is the most we will pay for all "loss" to the indicated Covered Property/Coverages at the Locations listed, subject to all other applicable provisions of this **Flood Coverage Endorsement**.

##### 3. Ensuing Loss

In the event of covered ensuing direct "loss", for example, direct "loss" caused by fire, explosion and/or sprinkler leakage which results from the flood, the most we will pay, for the total of all "loss" caused by flood, fire, explosion and sprinkler leakage, is the Limit of Insurance applicable to fire. We will not pay the sum of the fire and flood Limits.

#### EXAMPLES - ENSUING LOSS

The following two examples use these facts: In both examples assume the policy contains the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** (which covers fire) and this **FLOOD COVERAGE ENDORSEMENT**. A building is damaged by flood and by fire which is caused by the flood. The value of the damaged building is \$1,000,000. The Limit of Insurance applicable to the building is \$800,000. The Limit of Insurance for flood is \$400,000. The flood deductible amount is \$5,000.

##### EXAMPLE #1

The damage due to flood is \$500,000. The damage due to fire is \$500,000.

Payment for flood damage is \$400,000 (\$500,000 damage minus \$5,000 flood deductible = \$495,000; Limit is \$400,000)

Payment for fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the flood Limit)

Total Loss Payment is \$800,000.

##### EXAMPLE #2

The damage due to flood is \$800,000. The damage due to fire is \$100,000.

Payment for flood damage is \$400,000 (\$800,000 damage minus \$5,000 flood deductible = \$795,000; Limit is \$400,000)

Payment for fire damage is \$100,000 (amount of damage)

Total Loss Payment is \$500,000.

**Note:** These Examples are given only to illustrate the situation of flood and ensuing loss. Therefore, the loss payment stated for flood damage does not address the situation where another policy also covers the flood damage.

#### J. Deductible

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

##### Flood Deductible

- a. The deductible for coverage provided under this endorsement is the deductible applicable to flood as shown in the **Flood Coverage Schedule**.
- b. We will not pay that part of the "loss" that is attributable to any deductible(s) in the National Flood Insurance Program policy.
- c. If flood results in another Covered Cause of Loss and if both Covered Causes of Loss cause "loss", then only the higher deductible applies (e.g., the Flood Deductible or the fire deductible).
- d. The Flood Deductible does not apply to the following:
  - (1) **SECTION A. COVERAGE, 5. Coverage Extensions, h. Glass;** and
  - (2) If endorsed to this policy, the following Coverage Forms:
    - (a) **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
    - (b) **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;** and
    - (c) **EXTRA EXPENSE COVERAGE FORM.**

#### K. Coinsurance

1. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this endorsement.

#### L. Other Insurance

For the purposes of this endorsement only, **SECTION G. Other Insurance** of the **COM-**

**MERCIAL PROPERTY CONDITIONS** form is deleted in its entirety and replaced by the following:

#### G. Other Insurance

##### 1. Underlying Insurance Requirement

If the "loss" is also covered under a National Flood Insurance Program (NFIP) policy, or if the property is eligible to be written under an NFIP policy but there is no such policy in effect, then we will pay only the amount of "loss" in excess of the maximum limit that is eligible to be written under that NFIP policy. This provision applies whether or not the maximum NFIP limit was obtained or maintained, and whether or not you can collect on the NFIP policy. We will not, under any circumstances, pay more than the applicable Limit of Insurance for flood as stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

However, this Provision **G.1. Underlying Insurance Requirement** does not apply under the following circumstances:

- a. At the time of "loss", the property is eligible to be written under an NFIP policy but such policy is not in effect due solely to ineligibility of the property at the time this **FLOOD COVERAGE ENDORSEMENT** was written; or
  - b. An NFIP policy is not in effect because we have agreed to write this **FLOOD COVERAGE ENDORSEMENT** without underlying NFIP coverage. There is such an agreement only if the **Flood Coverage Schedule** or the Declarations indicate that the **Underlying Insurance Waiver** applies.
2. If there is other insurance covering the "loss", other than that described in **G.1.** above, we will pay our share of the "loss". Our share is the proportion that the applicable Limit of Insurance under this endorsement bears to the total of the applicable Limits of Insurance under all other such insurance. But we will not pay more than the applicable Limit of Insurance stated in the Flood Coverage Schedule or the Declarations of this Coverage Part.

2. To the extent that the Earth Movement Exclusion of any other form attached to this Coverage Part might conflict with coverage provided under this endorsement, that Earth Movement Exclusion does not apply.

**B. Additional Covered Causes of Loss - Earthquake and Volcanic Eruption**

For the purposes of this endorsement only, the following are added as Covered Causes of Loss to any other Coverage Form endorsed to this Coverage Part:

1. Earthquake, including tremors and after-shocks and any earth sinking, rising, or shifting related to such event.
2. Volcanic Eruption, meaning the eruption, explosion or effusion of a volcano.

All Earthquake shocks or Volcanic Eruptions that occur within any 168-hour period will constitute a single Earthquake or Volcanic Eruption. The expiration of this Coverage Part will not reduce the 168-hour period.

**C. Additional Covered Causes of Loss - Earthquake and Volcanic Eruption - Sprinkler Leakage Only**

If the Declarations indicate that this endorsement covers Earthquake - Sprinkler Leakage Only, then Section **B.** of this endorsement is deleted and replaced by the following:

The following are added as Covered Causes of Loss to any other Coverage Form endorsed to this Coverage Part:

1. Sprinkler Leakage resulting from Earthquake.
2. Sprinkler Leakage resulting from Volcanic Eruption. Volcanic Eruption means the eruption, explosion or effusion of a volcano.

**D. Amended Exclusions and Provisions**

For the purposes of this endorsement only:

1. The following provisions:

a. **SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions and c. Limitations of the BUILDING AND PERSONAL PROPERTY COVERAGE FORM;** and

b. **SECTION E. EXCLUSIONS of the MORTGAGE INTEREST COVERAGE FORM;**

apply to coverage provided under this endorsement, except as provided in Section **D.2.** and **D.3** below.

2. The following exclusions:

a. **SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (2)(k) Collapse of the BUILDING AND PERSONAL PROPERTY COVERAGE FORM;** and

b. **SECTION E. EXCLUSIONS, 4.a. Collapse of the MORTGAGE INTEREST COVERAGE FORM;**

do not apply to collapse caused by Earthquake or Volcanic Eruption.

3. The following provisions:

a. **SECTION A. COVERAGE, 5. Coverage Extensions, c. Collapse of the BUILDING AND PERSONAL PROPERTY COVERAGE FORM;** and

b. **SECTION H. ADDITIONAL COVERAGE - COLLAPSE of the MORTGAGE INTEREST COVERAGE FORM;**

do not apply to the coverage provided under this endorsement. This endorsement includes coverage for collapse caused by Earthquake or Volcanic Eruption.

4. Any Ordinance or Law Exclusion in this Coverage Part continues to apply with respect to any direct "loss" under this Coverage Part including any direct "loss" under this endorsement, unless Ordinance or Law Coverage is added by endorsement.

**E. Additional Exclusions**

**1. Pre-Existing Earthquake**

We will not pay for direct "loss" caused by or resulting from any Earthquake or Volcanic Eruption that begins before the inception of this insurance.

**2. Tidal Wave or Tsunami**

We will not pay for direct "loss" caused directly or indirectly by tidal wave or tsunami.

mi, even if attributable to an Earthquake or Volcanic Eruption.

### 3. Exterior Masonry Veneer

We will not pay for direct "loss" to exterior masonry veneer (except stucco) on wood frame walls caused by or resulting from the Earthquake or Volcanic Eruption. The value of such veneer will not be included in the value of Covered Property or the amount of "loss" when applying the **Property Damage Deductible** applicable to this endorsement.

This Exclusion **E.3.** does not apply if:

- a. The Schedule of this endorsement indicates that the "Including Masonry Veneer" option applies or the "premises" description in the Declarations specifically states "Including Masonry Veneer"; or
- b. Less than 10% of the total outside wall area is faced with masonry veneer (excluding stucco).

### 4. Cost of Restoring Land

Coverage under this endorsement does not include the cost of restoring or remediate land or the cost of excavations, grading, backfilling or filling.

## F. Coinsurance

For the purposes of this endorsement only, **SECTION E. ADDITIONAL CONDITIONS, 1. Coinsurance** of the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** is deleted in its entirety.

## G. Sublimits of Insurance

### 1. Earthquake Limit of Insurance

- a. For this endorsement only, the term Limit of Insurance means the Sublimit of Insurance applicable to Covered Property that suffers direct "loss" from earthquake or volcanic eruption.

Information on the Limit of Insurance applicable to Covered Property for direct "loss" from earthquake or volcanic eruption is provided in the Schedule of this endorsement. This earthquake limit is included in, and not in addition to, the Limit of Insurance shown in the Declarations for that Covered Property.

### 2. Annual Aggregate Limit

- a. The Limit of Insurance for Earthquake - Volcanic Eruption is an annual aggregate limit and is the most we will pay for the total of all direct

"loss" caused by Earthquake or Volcanic Eruption in any one "coverage term", even if there is more than one Earthquake or Volcanic Eruption during that "coverage term". Thus, if the first Earthquake or Volcanic Eruption does not exhaust the Limit of Insurance, then the balance of that Limit is available for a subsequent Earthquake(s) or Volcanic Eruption(s) during that "coverage term".

- b. If a single Earthquake or Volcanic Eruption (as defined in Section **B.** of this endorsement) begins in the "coverage term" and continues or results in additional direct "loss" in a subsequent "coverage term", all direct "loss" is deemed to be sustained in the "coverage term" in which it began.

### 3. Additional Coverages and Coverage Extensions

Amounts payable under **SECTION A. COVERAGE, 4. Additional Coverages** or **5. Coverage Extensions** of the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM** do not increase the Limit of Insurance for Earthquake - Volcanic Eruption.

### 4. Limitation

For property or coverage that is subject to a Blanket Limit on Earthquake - Volcanic Eruption (as shown in the Schedule of this endorsement or in the Declarations), we will not pay more than we would pay in the absence of such Blanket Limit. Therefore, the maximum amount payable for any such item of property or coverage is the Limit of Insurance or stated value (as shown in a Statement of Values on file with us) specific to that item of property or coverage for Covered Causes of Loss other than Earthquake - Volcanic Eruption.

### 5. Ensuing Loss

If a Cause of Loss is covered by means of an exception to the Earth Movement Exclusion as in **SECTION A. COVERAGE, 3. Covered Causes of Loss, b. Exclusions, (1)(b) Earth Movement**, we will also pay for the direct "loss" caused by that other Covered Cause of Loss. But the most we will pay, for the total of all direct "loss" caused by the Earthquake, Volcanic Eruption and other Covered Cause of Loss, is the Limit of Insurance applicable to such other Covered Cause of Loss. We will **not** pay the sum of the two Limits.

## 6. Ensuing Loss - Examples

The two examples below use the following information:

- a. The Coverage Part provides direct coverage for the cause of loss of fire and has this **Earthquake and Volcanic Eruption Endorsement (Sub-limit Form)** attached;
- b. The Limit of Insurance applicable to the building for fire is \$800,000;
- c. The Limit of Insurance for Earthquake and Volcanic Eruption is \$400,000 and the Earthquake Deductible is \$50,000.

### d. Example #1

A building is damaged by Earthquake, and by Fire which is caused by the Earthquake.

The direct damage due to Earthquake is \$500,000. The damage due to Fire is \$500,000.

Payment for Earthquake damage is \$400,000 (\$500,000 damage minus \$50,000 Earthquake deductible = \$450,000; Limit is \$400,000).

Payment for Fire damage is \$400,000 (\$500,000 damage capped at the difference between the Basic Limit and the Earthquake Limit).

Total Loss Payment is \$800,000.

### e. Example #2

The direct damage due to Earthquake is \$800,000. The damage due to Fire is \$100,000.

Payment for Earthquake damage is \$400,000 (\$800,000 damage minus \$50,000 Earthquake deductible = \$750,000; Limit is \$400,000).

Payment for Fire damage is \$100,000 (amount of damage).

Total Loss Payment is \$500,000.

## H. Earthquake Property Damage Deductible

- 1. The provisions of Section **H.3.** of this endorsement are applicable to all Coverage Forms except:
  - a. **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
  - b. **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;**

### c. **EXTRA EXPENSE COVERAGE FORM;** and

### d. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, b. Business Income and Extra Expense.**

- 2. If the Declarations indicate that this endorsement covers Earthquake - Sprinkler Leakage Only, then the deductible set forth in Section **H.3.** of this endorsement does not apply to such coverage. The applicable deductible for such coverage is the same deductible that applies to fire.
- 3. The Deductible, if any, in this Coverage Part is replaced by the following with respect to Earthquake and Volcanic Eruption:

#### a. **All Policies**

- (1) The Deductible provisions apply to each Earthquake or Volcanic Eruption.
- (2) Separate Deductibles are calculated for, and apply to, each building and business personal property at each building and business personal property in the open. Deductibles are separately calculated and applied even if:
  - (a) Two or more buildings sustain direct "loss";
  - (b) Business personal property at two or more buildings sustains direct "loss"; or
  - (c) A building and the personal property in that building sustain direct "loss".
- (3) We will not pay for direct "loss" until the amount of "loss" exceeds the applicable Deductible. We will then pay the amount of "loss" in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition, Agreed Value Optional Coverage, Additional Condition - Need for Adequate Insurance, or Additional Condition - Need for Full Reports.
- (4) When property is covered under the Coverage Extension for Newly Purchased, Leased or Constructed Property, in determining the amount, if any, that

we will pay for direct "loss", we will deduct an amount equal to a percentage of the value of the property at time of "loss". The applicable percentage for Newly Purchased, Leased or Constructed Property is the highest percentage shown in the Declarations for any "premises".

- (5) If there is direct "loss" caused by Earthquake or Volcanic Eruption, and direct "loss" caused by a Cause of Loss (e.g., fire) that is covered by means of an exception to the Earth Movement Exclusion, then the only applicable Deductible provisions are those stated in this endorsement.
- (6) The Earthquake or Volcanic Eruption deductible can be expressed as a dollar amount or as a percentage of the Earthquake Limit of Insurance shown in the Schedule. If blanket coverage applies, the percentage deductible is applied to the blanket Earthquake Limit of Insurance shown in the Schedule of this endorsement.

**b. Calculation of the Dollar Deductible**

In determining the amount, if any, that we will pay for direct "loss", we will deduct an amount equal to the dollar amount shown in the Schedule, for the applicable (blanket or specific) Earthquake Limit of Insurance shown in the Schedule of this endorsement.

**c. Calculation of the Percentage Deductible**

In determining the amount, if any, that we will pay for direct "loss", we will deduct an amount equal to the percentage that the deductible bears to the applicable (blanket or specific) Earthquake Limit of Insurance shown in the Schedule of this endorsement.

**I. Example - Application of Percentage Deductible in H.3.c.**

The example below uses the following information:

1. The specific Earthquake limits of insurance are:

- (a) Building #1 - \$500,000  
Building #2 - \$500,000
- (b) Business Personal Property at Building #1 - \$250,000  
Business Personal Property at Building #2 - \$250,000

The Deductible is 10%

**2. Deductible Calculation**

Building #1 and Business Personal Property at Building #1 have sustained damage and the amounts of direct "loss" are \$95,000 (Building) and \$5,000 (Business Personal Property).

**(a) Building**

Step (1):  $\$500,000 \times 10\% = \$50,000$   
Step (2):  $\$95,000 \text{ loss} - \$50,000 \text{ deductible} = \$45,000$

**(b) Business Personal Property**

Step (1):  $\$250,000 \times 10\% = \$25,000$

The loss, \$5,000, does not exceed the deductible.

The most we will pay is \$45,000. The remainder of the building "loss", \$50,000, is not covered due to application of the Deductible. There is no "loss" payment for the business personal property.

**J. Business Income and Extra Expense Period of Restoration**

This Section J. is applicable only to the Coverage Forms specified below:

1. **BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM;**
2. **BUSINESS INCOME (WITHOUT EXTRA EXPENSE) COVERAGE FORM;**
3. **EXTRA EXPENSE COVERAGE FORM;** and
4. **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 5. Coverage Extensions, b. Business income and Extra Expense.**

The "period of restoration" definition stated in the Coverage Form, or in any endorsement amending the beginning of the "period of restoration", applies to each Earthquake or Volcanic Eruption. A single Earthquake or Volcanic Eruption is defined in Section B. and C. of this endorsement.

- (a) An appraisal award has been made; or
- (b) We have reached an agreement with you on the amount of "loss" that was in dispute.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

- C. Exclusion 2.e. Nuclear Hazard** in **EXCLUSIONS - Coverages A. AND B.** of the **MORTGAGE INTEREST COVERAGE FORM** is deleted in its entirety and replaced by the following:

##### **2.e. Nuclear Hazard**

Nuclear reaction or radiation, or radioactive contamination, however caused. However, if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the "loss" caused by that fire.

- D. The Concealment, Misrepresentation or Fraud** Condition is replaced by the following:

We will not pay for any "loss" in any case involving misrepresentations, omissions, concealment of facts or incorrect statements:

1. That are fraudulent;
2. That are material either to the acceptance of the risk, or to the hazard assumed by us; and
3. Where, if the true facts had been known to us as required either by the application for the policy or otherwise, we in good faith would either:
  - a. Not have issued the policy;
  - b. Not have issued the policy in as large an amount; or
  - c. Not have provided coverage with respect to the hazard resulting in the "loss".

## COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

### A. Concealment, Misrepresentation or Fraud

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

### B. Control of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of direct "loss", the breach of condition does not exist.

### C. Insurance Under Two or More Coverages

If two or more of this policy's coverages apply to the same "loss", we will not pay more than the actual amount of the "loss".

### D. Legal Action Against Us

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct "loss" occurred.

### E. Liberalization

If, within 60 days prior to the beginning of this Coverage Part or during the policy period, we make any changes to any forms or endorsements of this Coverage Part for which there is currently no separate premium charge, and that change provides more coverage than this Coverage Part, the change will be considered as included until the end of the current policy period. We will make no additional premium charge for this additional coverage during the interim.

### F. No Benefit to Bailee

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

### G. Other Insurance

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered "loss". Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same "loss", other than that described in 1. above, we will pay only for the amount of covered "loss" in excess of the amount due from that other insurance, whether you can collect on it or not. **However, we will not reimburse any deductible or difference between Actual Cash Value and Replacement Cost valuations.** We will not pay more than the applicable Limit of Insurance.

### H. Policy Period, Coverage Territory

Under this Coverage Part:

1. We cover "loss" commencing:
  - a. During the policy period shown in the Declarations; and
  - b. Within the coverage territory.
2. The coverage territory:
  - a. The United States of America (including its territories and possessions);
  - b. Puerto Rico; and
  - c. Canada.

### I. Transfer of Rights of Recovery Against Others to Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after direct "loss" to impair them. But you may waive your rights against another party in writing:

1. Prior to a direct "loss" to your Covered Property or Covered Income.
2. After a direct "loss" to your Covered Property or Covered Income only if, at time of direct "loss", that party is one of the following:

**a.** Someone insured by this insurance;

**b.** A business firm:

(1) Owned or controlled by you; or

(2) That owns or controls you; or

**c.** Your tenant.

This will not restrict your insurance.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLE**

This endorsement modifies insurance provided under the following:

### **COMMERCIAL PROPERTY COVERAGE PART**

#### **SCHEDULE\***

<b>Loc</b>	<b>Bldg</b>	<b>Windstorm or Hail Percentage Deductible</b>
76	1	5%

\* Information required to complete this Schedule, if not shown on this endorsement, will be shown in the Declarations.

For the purposes of this endorsement only, **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION C. DEDUCTIBLE** is amended to include the following:

#### **WINDSTORM OR HAIL PERCENTAGE DEDUCTIBLE**

The Windstorm or Hail Deductible, as shown in the Schedule of this endorsement and set forth in this endorsement, applies to covered "loss" caused directly or indirectly by Windstorm or Hail. This deductible applies to each occurrence of Windstorm or Hail. Nothing in this endorsement implies or affords coverage for any "loss" that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement, (or if you have a flood insurance policy), a separate Flood Deductible applies to "loss" attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms specific insurance and blanket insurance have the following meanings: Specific insurance covers each item of Covered Property (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more types of Covered Property (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of Covered Property and corresponding Limit of Insurance are shown in the Declarations.

#### **WINDSTORM OR HAIL DEDUCTIBLE CALCULATIONS**

##### **A. Calculation of the Deductible - All Policies**

A Deductible is calculated separately for and applies separately to:

1. Each building that sustains "loss";
2. The business personal property in each building at which there is "loss" to business personal property; and
3. Business personal property in the open.

If there is damage to both a covered building and covered business personal property in the same building, separate deductibles apply to the building and to business personal property.

We will not pay for "loss" until the amount of "loss" exceeds the applicable Deductible. We will then pay the amount of "loss" in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition, Agreed Value Optional Coverage, and any provision in a Value Reporting Form relating to full reporting or failure to submit reports.

When property is covered under the Coverage Extension for Newly Purchased, Leased or Constructed Property: In determining the amount, if any, that we will pay for "loss", we will deduct an amount equal to a percentage

of the value(s) of the property at time of "loss". The applicable percentage for Newly Purchased, Leased or Constructed Property is the highest percentage shown in the Schedule of this endorsement for any "premises".

**B. Calculation of the Deductible - Specific Insurance Other than Builders Risk**

**Property Not Subject to Value Reporting Forms**

In determining the amount, if any, that we will pay for "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the Limit of Insurance applicable to the property that has sustained "loss".

**Property Subject to Value Reporting Forms**

In determining the amount, if any, that we will pay for "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the value(s) of the property that has sustained "loss". The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However:

1. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
2. If the first Report of Values is not filed with us prior to direct "loss", we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

**C. Calculation of the Deductible - Blanket Insurance Other than Builders Risk**

**Property Not Subject to Value Reporting Forms**

In determining the amount, if any, that we will pay for "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the value(s) of the property that has sustained "loss". The value(s) to be used are those shown in the most recent Statement of Values on file with us.

**Property Subject to Value Reporting Forms**

In determining the amount, if any, that we will pay for property that has sustained "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the value(s) of that property as of the time of "loss".

However:

1. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
2. If the first Report of Values is not filed with us prior to direct "loss", we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

**D. Calculation of the Deductible - Builders Risk Insurance**

**Builders Risk Other than Reporting Form**

In determining the amount, if any, that we will pay for property that has sustained "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the "actual cash value(s)" of that property as of the time of "loss".

**Builders Risk Reporting Form**

In determining the amount, if any, that we will pay for "loss", we will deduct an amount equal to the percentage deductible (shown in the Schedule of this endorsement) of the value(s) of the property that has sustained "loss". The value(s) to be used are the "actual cash value(s)" shown in the most recent Report of Values on file with us.

However:

1. If the most recent Report of Values shows less than the "actual cash value(s)" of the property on the report date, we will determine the deductible amount as a percentage of the "actual cash value(s)" as of the report date.
2. If the first Report of Values is not filed with us prior to direct "loss", we will determine the deductible amount as a percentage of the "actual cash value(s)" of the property as of the time of "loss".

**EXAMPLES - APPLICATION OF DEDUCTIBLE**

**Example #1 - Specific Insurance (B.1.)**

The amount of "loss" to the damaged building is \$60,000.

The value of the damaged building at time of "loss" is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

Step (1):  $\$70,000 \div \$80,000 = .875$   
 Step (2):  $\$60,000 \times .875 = \$52,500$   
 Step (3):  $\$70,000 \times 1\% = \$700$   
 Step (4):  $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the "loss", \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

#### Example #2 - Specific Insurance (B.1.)

The amounts of "loss" to the damaged property are \$60,000 (building) and \$40,000 (business personal property in building).

The value of the damaged building at time of "loss" is \$100,000. The value of the business personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the business personal property.

The **actual** Limit of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the business personal property (therefore no Coinsurance penalty).

The Deductible is 2%.

#### Building

Step (1):  $\$80,000 \times 2\% = \$1,600$   
 Step (2):  $\$60,000 - \$1,600 = \$58,400$

#### Business Personal Property

Step (1):  $\$64,000 \times 2\% = \$1,280$   
 Step (2):  $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. That portion of the total "loss" not covered due to application of the Deductible is \$2,880.

#### Example #3 - Blanket Insurance (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000) and Building #3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings #1, #2 and #3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of "loss" to these buildings are \$40,000 (Building #1) and \$20,000 (Building #2).

The Deductible is 2%.

#### Building #1

Step (1):  $\$500,000 \times 2\% = \$10,000$   
 Step (2):  $\$40,000 - \$10,000 = \$30,000$

#### Building #2

Step (1):  $\$500,000 \times 2\% = \$10,000$   
 Step (2):  $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. That portion of the total "loss" not covered due to application of the Deductible is \$20,000.

#### Example #4 - Blanket Insurance (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000), Business Personal Property at Building #1 (\$250,000) and Business Personal Property at Building #2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The **actual** Blanket Limit of Insurance covering Buildings #1 and #2 and Business Personal Property at Buildings #1 and #2, shown in the Declarations, is \$1,350,000. Therefore there is no Coinsurance penalty.

Building #1 and Business Personal Property at Building #1 have sustained damage; the amounts of "loss" are \$95,000 (Building) and \$5,000 (Business Personal Property).

The Deductible is 5%.

#### Building

Step (1):  $\$500,000 \times 5\% = \$25,000$   
 Step (2):  $\$95,000 - \$25,000 = \$70,000$

#### Business Personal Property

Step (1):  $\$250,000 \times 5\% = \$12,500$

The "loss", \$5,000, does not exceed the Deductible.

The most we will pay is \$70,000. The remainder of the building "loss", \$25,000, is not covered due to application of the Deductible. There is no "loss" payment for the business personal property.

GREAT AMERICA FINANCIAL SERVICES 625 1ST ST SE CEDAR RAPIDS, IA 52401-2030

For the purposes of this endorsement only, the following are added to **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION D. LOSS CONDITIONS, 4. Loss Payment**, as indicated in the Schedule of this endorsement.

**B. Loss Payable**

For Covered Property in which both you and a Loss Payee shown in the Schedule of this endorsement have an insurable interest, we will:

1. Adjust losses with you; and
2. Pay any claim for "loss" jointly to you and the Loss Payee, as interests may appear.

**C. Lender's Loss Payable**

1. The Loss Payee shown in the Schedule of this endorsement is a creditor, including a mortgageholder or trustee, whose interest in Covered Property is established by such written instruments as:

- a. Warehouse receipts;
- b. A contract for deed;

- c. Bills of lading;

- b. The Loss Payee has the right to receive loss payment even if the Loss Payee has started foreclosure or similar action on the Covered Property.
- c. If we deny your claim because of your acts or because you have failed to comply with the terms of the Coverage Part, the Loss Payee will still have the right to receive loss payment if the Loss Payee:

- (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Loss Payee.

All of the terms of this Coverage Part will then apply directly to the Loss Payee.

- d. If we pay the Loss Payee for any "loss" and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The Loss Payee's rights will be transferred to us to the extent of the amount we pay; and
- (2) The Loss Payee's rights to recover the full amount of the Loss Payee's claim will not be impaired.

At our option, we may pay to the Loss Payee the whole principal on the debt plus any accrued interest. In this event, you will pay your remaining debt to us.

3. If we cancel this policy, we will give written notice to the Loss Payee at least:
- a. 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
- b. 30 days before the effective date of cancellation if we cancel for any other reason.

4. If we elect not to renew this policy, we will give written notice to the Loss Payee at least 10 days before the expiration date of this policy.

#### **D. Contract of Sale**

1. The Loss Payee shown in the Schedule of this endorsement is a person or organization you have entered a contract with for the sale of Covered Property.

#### **E. Building Owner Loss Payable Clause**

1. The Loss Payee shown in the Schedule of this endorsement is the owner of the building in which you are a tenant.
2. We will adjust losses to the building with the Loss Payee. Any loss payment made to the Loss Payee will satisfy your claims against us for the owner's property.
3. We will adjust losses to tenants' improvements and betterments with you, unless the lease provides otherwise.

# BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION F. DEFINITIONS**.

## SECTION A. COVERAGE

Coverage is provided as described and limited below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- a. "Business Income" including "Rental Value".
- b. "Business Income" other than "Rental Value".
- c. "Rental Value".

If option **a.** above is selected, the term "Business Income" will include "Rental Value". If option **c.** above is selected, the term "Business Income" will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

### 1. Business Income

- a. We will pay for the actual loss of "Business Income" you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct "loss" to property at "premises" which are described in the Declarations and for which a "Business Income" Limit of Insurance is shown in the Declarations. The "loss" must be caused by or result from a Covered Cause of Loss. With respect to "loss" to personal property in the open (or personal property in a vehicle or portable storage unit), the "premises" include the area within 1,000 feet of the building or 1,000 feet of the "premises", whichever distance is greater.
- b. With respect to the requirements set forth in the preceding paragraph, if you are a tenant and occupy only part of the site at which the "premises" are located, for the purposes of this Coverage Part only, your "premises" is the portion of the building which you rent, lease or occupy, including:
  - (1) Any area within the building or on the site at which the "premises" are lo-

cated if that area services or is used to gain access to the described "premises".

- (2) Your personal property in the open (or in a vehicle or portable storage unit) within 1,000 feet of the building or 1,000 feet of the "premises", whichever distance is greater.

### 2. Extra Expense

- a. Extra Expense coverage is provided at the "premises" described in the Declarations only if the Declarations show that "Business Income" coverage applies at that "premises".
- b. Extra Expense means necessary expenses you sustain (as described in Paragraphs **2.c.**, **d.** and **e.**) during the "period of restoration" that you would not have sustained if there had been no direct "loss" to property caused by or resulting from a Covered Cause of Loss.
- c. If these expenses reduce the otherwise payable "Business Income" "loss", we will pay expenses (other than the expense to repair or replace property as described in Paragraph **2.d.**) to:
  - (1) Avoid or minimize the "suspension" of business and to continue "operations" either:
    - (a) At the "premises"; or
    - (b) At replacement "premises" or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location; or
  - (2) Minimize the "suspension" of business if you cannot continue "operations".
- d. We will also pay expenses to:
  - (1) Repair or replace property; or

- (2) Research, replace or restore the lost information on damaged "valuable papers and records";

but only to the extent this payment reduces the otherwise payable "Business Income" "loss". If any property obtained for temporary use during the "period of restoration" remains after the resumption of normal "operations", the amount we will pay under this Coverage Form will be reduced by the salvage value of that property.

- e. Extra Expense as described in Paragraphs 2.a. thru 2.d. does not apply to "loss" to Covered Property as described in the **BUILDING AND PERSONAL PROPERTY COVERAGE FORM**.

### 3. Covered Causes of Loss

See **BUILDING AND PERSONAL PROPERTY COVERAGE FORM, SECTION A. COVERAGE, 3. Covered Causes of Loss**.

### 4. Limitation for Electronic Data

- a. Coverage for "Business Income" does not apply when a "suspension" of "operations" is caused by destruction or corruption of "electronic data", or any "loss" to "electronic data", except as provided under **SECTION A. COVERAGE, 5. Additional Coverages, d. Interruption of Computer Operations**.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of "electronic data", or any "loss" to "electronic data", except as provided under **SECTION A. COVERAGE, 5. Additional Coverages, d. Interruption of Computer Operations**.
- c. This Limitation does not apply when "loss" to "electronic data" involves only "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

### 5. Additional Coverages

The Additional Coverages in Paragraphs 5.a. through 5.e. are included within and not additional "Business Income" and Extra Expense Limits of Insurance.

#### a. Alterations and New Buildings

We will pay for the actual loss of "Business Income" you sustain and necessary Extra Expense you sustain due to direct "loss" at the "premises" caused by or re-

sulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 1,000 feet of the "premises" and:
  - (a) Used in the construction, alterations or additions; or
  - (b) Incidental to the occupancy of new buildings.

If such direct "loss" delays the start of "operations", the "period of restoration" for "Business Income" coverage will begin on the date "operations" would have begun if the direct "loss" had not occurred.

#### b. Civil Authority

When a Covered Cause of Loss causes direct damage to property other than Covered Property at the "premises", we will pay for the actual loss of "Business Income" you sustain and necessary Extra Expense you sustain caused by action of civil authority that prohibits access to the "premises", provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority coverage for "Business Income" will begin immediately after the time of the first action of civil authority that prohibits access to the "premises" and will apply for a period of up to 30 consecutive days from the date on which such coverage began.

Civil Authority coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the "premises" and will end 30 consecutive days after the date of that action; or when your Civil Authority coverage for "Business income" coverage ends, whichever is later.

**c. Extended Business Income**

**(1) "Business Income" Other Than "Rental Value"**

If the necessary "suspension" of your "operations" produces a "Business Income" "loss" payable under this Coverage Part, we will pay for the actual loss of "Business Income" you sustain during the period that:

- (a)** Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b)** Ends on the earlier of:
  - (i)** The date you could restore your "operations", with reasonable speed, to the level which would generate the "Business Income" amount that would have existed if no direct "loss" had occurred; or
  - (ii)** 60 consecutive days after the date determined in **c.(1)(a)** above.

However, Extended Business Income does not apply to loss of "Business Income" sustained as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the "premises" are located.

Loss of "Business Income" must be caused by direct "loss" at the "premises" caused by or resulting from any Covered Cause of Loss.

**(2) "Rental Value"**

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this Coverage Part, we will pay for the actual loss of "Rental Value" you sustain during the period that:

- (a)** Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b)** Ends on the earlier of:
  - (i)** The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct "loss" had occurred; or

- (ii)** 60 consecutive days after the date determined in **c.(2)(a)** above.

However, Extended Business Income does not apply to loss of "Rental Value" sustained as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the "premises" are located.

Loss of "Rental Value" must be caused by direct "loss" at the described "premises" caused by or resulting from any Covered Cause of Loss.

**d. Interruption of Computer Operations**

- (1)** Subject to all provisions of this Additional Coverage - **Interruption of Computer Operations**, you may extend the insurance that applies to "Business Income" and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss. This Additional Coverage - **Interruption of Computer Operations** does not apply when "loss" to "electronic data" only involves "loss" to "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2)** The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (3)** The most we will pay under this Additional Coverage - **Interruption of Computer Operations** is \$2,500 for all "loss" sustained and expense sustained in any "coverage term", regardless of the number of interruptions or the number of "premises", locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this

amount, then the balance is available for "loss" or expense sustained as a result of subsequent interruptions in that "coverage term". A balance remaining at the end of a "coverage term" does not increase the amount of insurance in the next "coverage term". With respect to any interruption which begins in one "coverage term" and continues or results in additional "loss" or expense in that subsequent "coverage term", all "loss" and expense is deemed to be sustained in the "coverage term" in which the interruption began.

- (4) This Additional Coverage - **Interruption in Computer Operations** does not apply to "loss" sustained or expense sustained after the end of the "period of restoration", even if the amount of insurance stated in Paragraph **d.(3)** of this Additional Coverage has not been exhausted.

#### e. Ingress and Egress

We will pay for the actual loss of "Business Income" you sustain and necessary Extra Expense you sustain caused by the prevention of existing ingress or egress at a "premises" shown in the Declarations due to direct "loss" by a Covered Cause of Loss at a location contiguous to such "premises". However, coverage does not apply if ingress or egress from the "premises" is prohibited by civil authority.

Ingress and egress coverage for "Business Income" will begin immediately after the time of the direct "loss" and will continue for a period up to 30 consecutive days.

Ingress and egress coverage for Extra Expense will begin at time of the direct "loss" and will continue for 30 consecutive days or whenever your Ingress and Egress "business income" coverage ends, whichever occurs first.

#### 6. Coverage Extension

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance. **SECTION D. ADDITIONAL CONDITION, 1. Coinsurance** does not apply to this Coverage Extension.

##### Newly Purchased or Leased Locations

- a. You may extend your "Business Income" and Extra Expense coverages to apply to property located at:
- (1) New buildings or additions while being built on a "premises";

- (2) Buildings you newly purchase or become required to insure by written contract; or
- (3) Leased buildings or space therein that you are not required to insure. Such lease must be for a period of 12 consecutive months or longer.

This does not apply to property situated at trade shows, fairs or exhibitions.

- b. The most we will pay in total for "Business Income" and Extra Expense "loss" under this Coverage Extension is \$100,000 at each location described in Paragraph **6.a**.
- c. Insurance under this Coverage Extension will end when any of the following first occurs:
- (1) This policy expires;
- (2) 90 days pass from the date you begin construction on that part of the building that would qualify as Covered Property;
- (3) 90 days pass from the date you purchase, lease, or become contractually required to insure property described in Paragraphs **6.a.(2)** and **(3)**; or
- (4) You report values to us when you acquire your new building or business personal property.

We will charge you additional premium for values reported from the date you purchase or lease the property or begin construction on that part of the building that would qualify as Covered Property.

#### SECTION B. LIMITS OF INSURANCE

The most we will pay for "loss" in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

#### SECTION C. LOSS CONDITIONS

The following conditions apply in addition to the **COMMON POLICY CONDITIONS** and the **COMMERCIAL PROPERTY CONDITIONS**.

##### 1. Appraisal

If we and you disagree on the amount of "Business Income" or Extra Expense "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separate-

ly the amount of "Business Income" or Extra Expense "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

## 2. Duties in the Event of Loss

- a. You must see that the following are done in the event you have a "Business Income" or Extra Expense "loss":
  - (1) Notify the police if a law may have been broken.
  - (2) Give us prompt notice of the direct "loss". Include a description of the property involved.
  - (3) As soon as possible, give us a description of how, when, and where the direct "loss" occurred.
  - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent "loss" resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
  - (5) As often as may be reasonably required, permit us to inspect the property proving the "loss" and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of

your "operations" as quickly as possible.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

## 3. Loss Determination

- a. The amount of "Business Income" "loss" will be determined based on:

- (1) The Net Income of the business before the direct "loss" occurred;
- (2) The likely Net Income of the business if no direct "loss" had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
- (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct "loss"; and
- (4) Other relevant sources of information, including:
  - (a) Your financial records and accounting procedures;
  - (b) Bills, invoices and other vouchers; and
  - (c) Deeds, liens or contracts.

- b. The amount of Extra Expense will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been sustained by "operations" during the "period of restoration" if no direct "loss" had occurred. We will deduct from the total of such expenses:
  - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
  - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and

- (2) Necessary expenses that reduce the "Business Income" "loss" that otherwise would have been incurred.

**c. Resumption of Operations**

We will reduce the amount of your:

- (1) "Business Income" "loss", other than Extra Expense to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the "premises" or elsewhere.
- (2) Extra Expense "loss" to the extent you can return "operations" to normal and discontinue such Extra Expense.

- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

**4. Loss Payment**

We will pay for insured "loss" within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- a. We have reached agreement with you on the amount of "loss"; or
- b. An appraisal award has been made.

**SECTION D. ADDITIONAL CONDITION**

**1. Coinurance**

If a Coinurance percentage is shown in the Declarations, the following condition applies in addition to the **COMMON POLICY CONDITIONS** and the **COMMERCIAL PROPERTY CONDITIONS**.

We will not pay the full amount of any "Business Income" "loss" if the Limit of Insurance for "Business Income" is less than:

- a. The Coinurance percentage shown for "Business Income" in the Declarations; times
- b. The sum of:
- (1) The Net Income (Net Profit or Loss before income taxes), and
- (2) Operating expenses, including payroll expenses,

that would have been earned or incurred (had no direct "loss" occurred) by your "operations" at the "premises" for the 12 months following the inception, or last previous anniversary date, of this Coverage Part (whichever is later).

Instead, we will determine the most we will pay using the following steps:

1. Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this Coverage Part by the Coinurance percentage;
2. Divide the Limit of Insurance for the described "premises" by the figure determined in Step 1.; and
3. Multiply the total amount of "loss" by the figure determined in Step 2.

We will pay the amount determined in Step 3. or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

1. Prepaid freight - outgoing;
2. Returns and allowances;
3. Discounts;
4. Bad debts;
5. Collection expenses;
6. Cost of raw stock and factory supplies consumed (including transportation charges);
7. Cost of merchandise sold (including transportation charges);
8. Cost of other supplies consumed (including transportation charges);
9. Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
10. Power, heat and refrigeration expenses that do not continue under contract (if Form **CP 15 11** is attached);
11. All payroll expenses or the amount of payroll expense excluded (if Form **FA 465** is attached); and
12. Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion - not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

**Example No. 1 (Underinsurance):**

When: The Net Income and operating expenses for the 12 months follow-

ing the inception, or last previous anniversary date of this Coverage Part at "premises" would have been \$400,000.

The Coinsurance percentage is 50%  
 The Limit of Insurance Is \$150,000  
 "Business Income" "loss" is \$80,000

Step 1:  $\$400,000 \times 50\% = \$200,000$   
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step 2:  $\$150,000 \div \$200,000 = .75$

Step 3:  $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

#### **Example No. 2 (Adequate Insurance):**

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date of this Coverage Part at the "premises" would have been \$400,000.

The Coinsurance percentage is 50%  
 The Limit of Insurance Is \$200,000  
 "Business Income" "loss" is \$80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$400,000 \times 50\%$ ). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of "loss").

This condition does not apply to Extra Expense.

### **SECTION E. OPTIONAL COVERAGES**

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

#### **1. Maximum Period of Indemnity**

a. **SECTION D. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this Coverage Part at the "premises" to which this Optional Coverage applies.

b. The most we will pay in total for "Business Income" and Extra Expense "loss" is the lesser of:

- (1) The amount of "Business Income" and Extra Expense "loss" sustained during the 120 days immediately following the beginning of the "period of restoration"; or

- (2) The Limit of Insurance shown in the Declarations.

#### **2. Monthly Limit of Indemnity**

a. **SECTION D. ADDITIONAL CONDITIONS, 1. Coinsurance** does not apply to this Coverage Part at the "premises" to which this Optional Coverage applies.

b. The most we will pay for "Business Income" "loss" in each period of 30 consecutive days after the beginning of the "period of restoration" is:

- (1) The Limit of Insurance; multiplied by
- (2) The fraction shown in the Declarations for this Optional Coverage.

#### **Example:**

When: The "Business Income" Limit of Insurance is \$120,000

The fraction shown in the Declarations for this Optional Coverage is 1/4

The most we will pay for "loss" in each period of 30 consecutive days is:  $\$120,000 \times 1/4 = \$30,000$ .

If, in this example, the actual amount of "Business Income" "loss" is:

Days	1-30	\$40,000
Days	31-60	20,000
Days	61-90	30,000
		<u>\$90,000</u>

We will pay:

Days	1-30	\$30,000
Days	31-60	20,000
Days	61-90	30,000
		<u>\$80,000</u>

The remaining \$10,000 is not covered.

#### **3. Business Income Agreed Value**

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be on file with the Company and must show financial data for your "operations":

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies. The "Business Income" Limit of Insurance indicated on the Declarations should

be at least equal to the Agreed Value, which is determined by:

- (a) The Coinsurance percentage shown in the Declarations; multiplied by
- (b) The amount of Net Income and Operating Expenses for the following 12 months you report on the Work Sheet.

b. Except as noted in c. below, the **ADDITIONAL CONDITION Coinsurance** is suspended until the expiration date of this Coverage Part.

c. We will reinstate the **ADDITIONAL CONDITION Coinsurance** automatically if you do not submit a new Work Sheet and Agreed Value:

- (1) When you request a change in your "Business Income" Limit of Insurance; or
- (2) When you request the coinsurance percentage be changed on the Work Sheet.

d. If the "Business Income" Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:

- (1) The "Business Income" Limit of Insurance; divided by
- (2) The Agreed Value.

**Example:**

When: The Limit of Insurance is \$100,000

The Agreed Value is \$200,000

"Business Income" "loss" is \$80,000

Step (a):  $\$100,000 \div \$200,000 = .50$

Step (b):  $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

**4. Extended Period of Indemnity**

In **SECTION A. COVERAGE, 5. Additional Coverages, c. Extended Business Income**, the number "60" in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

**SECTION F. DEFINITIONS**

1. "Business Income" means the:

- a. Net income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

b. Continuing normal operating expenses sustained, including payroll.

2. "Computer programs" means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.

The last "coverage term" ends at 12:00 A.M. standard time at your mailing address shown in the Declarations on the earlier of:

- (1) The day the policy period shown in the Declarations ends; or
- (2) The day the policy to which this Coverage Part is attached is terminated or cancelled.

- b. However, if after the issuance of this Coverage Part, any "coverage term" is extended for an additional period of less than 12 months, that additional period of time will be deemed to be part of the last preceding "coverage term".

4. "Electronic data" means information, facts or "computer programs" stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment.

5. "Finished stock" means stock you have manufactured.

"Finished stock" also includes whiskey and alcoholic products being aged, unless there is a coinsurance percentage shown for "Business Income" in the Declarations.

"Finished stock" does not include stock you have manufactured that is held for sale on the "premises" of any retail outlet insured under this Coverage Part.

6. "Loss" means accidental physical loss or accidental physical damage.
7. "Operations" means:

    - (2) The date when business is resumed at a new permanent location.
  - c. "Period of restoration" does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
    - (1) Regulates the construction, use or repair, or requires the tearing down of any property; or
    - (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants".
  - d. The expiration date of the Coverage Part will not cut short the "period of restoration".
9. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, asbestos, chemicals, petroleum, petroleum products and petroleum by-products, and waste. Waste includes materials to be recycled, reconditioned or reclaimed. "Pollutants" include but are not limited to substances which are generally recognized in industry or government to be harmful or toxic to persons, property, or the environment regardless of whether injury or damage is caused directly or indirectly by the "pollutants" and whether:
  - a. You are regularly or otherwise engaged in activities which taint or degrade the environment; or
  - b. You use, generate or produce the "pollutant".
10. "Premises" means the Locations and Buildings described in the Declarations.
11. "Rental Value" means "Business Income" that consists of:
  - a. Net income (Net Profit or Loss before income taxes) that would have been earned or incurred as rental income from tenant occupancy of the "premises" described in the Declarations as furnished and equipped by you, including fair rental value of any portion of the "premises" which is occupied by you; and
  - b. Continuing normal operating expenses incurred in connection with that "premises", including:
    - (1) Payroll; and
    - (2) The amount of charges, which are the legal obligation of the tenant(s) but would otherwise be your obligations.
12. "Suspension" means:
  - a. The slowdown or cessation of your business activities; and
  - b. That a part or all of the "premises" is rendered untenable if coverage for "Business Income" including "Rental Value" or "Rental Value" applies.
13. "Valuable papers and records" means inscribed, printed or written documents, manuscripts or records, including abstracts, books, card index systems, deeds, drawings, films, maps, mortgages, or proprietary information. But "valuable papers and records" does not mean "money" or "securities" or "electronic data", including the materials on which the "electronic data" is recorded.

We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in **SECTION III - LIMITS OF INSURANCE**; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under **SECTION I - COVERAGES, COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**; **SECTION I - COVERAGES, COVERAGE B. PERSONAL AND ADVERTISING INJURY LIABILITY**; or medical expenses under **SECTION I - COVERAGES, COVERAGE C. MEDICAL PAYMENTS**.

No other obligation or liability to pay sums or perform acts or services is covered unless expressly provided for under

### SUPPLEMENTARY PAYMENTS - COVERAGES A AND B.

- b. This insurance applies to "bodily injury" and "property damage" only if:
- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
  - (2) The "bodily injury" or "property damage" occurs during the policy period; and
  - (3) Prior to the "coverage term" in which "bodily injury" or "property damage" occurs, you did not know, per Paragraph **1.d.** below, that the "bodily injury" or "property damage" had occurred or had begun to occur, in whole or in part.
- c. "Bodily injury" or "property damage" which:
- (1) Occurs during the "coverage term"; and
  - (2) Was not, prior to the "coverage term", known by you, per Paragraph **1.d.** below, to have occurred;
- includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the "coverage term" in which it first became known by you.
- d. You will be deemed to know that "bodily injury" or "property damage" has occurred at the earliest time when any "authorized representative":
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage";

## 2. Exclusions

This insurance does not apply to:

### a. Expected or Intended Injury

This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

### b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. When a claim for such "bodily injury" or "property damage" is made, we will defend that claim provided the insured has assumed the obligation to defend such claim in the "insured contract". Such defense payments will not reduce the limits of insurance.

### c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

### f. Pollutant

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release, escape or emission of "pollutants":

- (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, Paragraph (a) does not apply to:

1142

- a) The injury is caused by the inadequate ventilation of vapors;
- b) The person injured is first exposed to such vapors during the policy period; and
- c) Within 30 days of such first exposure, the person injured is clinically diagnosed or treated by a physician for the medical condition caused by the exposure to such vapors. However, Paragraph c) does not apply if the "bodily injury" is caused by vapors produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests.

This exception 1) shall apply only to Named Insureds; we shall have no duty to defend or pay damages for any person or organization that is not a Named Insured. However, this paragraph does not apply if the "bodily injury" is caused by vapors produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests.

For the purpose of the exception granted in Paragraph 1) only, vapors means any gaseous or airborne irritant or airborne contaminant, including smoke, fumes, vapor or soot, but excluding asbestos, which is discharged, dispersed, emitted, released or escapes from materials, machinery or equipment used in the service or maintenance of the premises. Vapors does not mean any gaseous or

airborne irritants or contaminants used in a manufacturing process or which is the product or by-product of any manufacturing process;

- 2) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor, and the owner or lessee of such premises, site or location has been added to this Coverage Part as an additional insured with respect to your ongoing operations or "your work" performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

However, Paragraph (d) does not apply to:
  - 1) "Bodily injury" or "property damage" arising out of the discharge, dispersal, seepage, migration, release, es-

cape or emission of fuels, lubricants or other operating fluids, or exhaust gases, which are needed to perform, or are the result of, the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids, or exhaust gases, escape, seep or migrate, or are discharged, dispersed, released or emitted from a vehicle part designed to hold, store or receive them. This exception does not apply if the fuels, lubricants or other operating fluids, or exhaust gases, escape, seep or migrate, or are discharged, dispersed, released or emitted with the intent to cause "bodily injury" or "property damage" or with the knowledge that "bodily injury" or "property damage" is substantially certain to occur, or if such fuels, lubricants or other operating fluids, or exhaust gases, are brought on or to the premises, site or location with such intent to escape, seep or migrate, or be discharged, dispersed, released or emitted as part of the operations being performed by such insured, contractor or subcontractor;

- 2) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the op-

erations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

  - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, Paragraphs (2)(a) and (b) do not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal and advertising injury":

(a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

### SECTION III - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

2. a. The General Aggregate Limit is the most we will pay for the sum of:

(1) Medical expenses under **COVERAGE C. MEDICAL PAYMENTS**;

(2) Damages under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

(3) Damages under **COVERAGE B. PERSONAL AND ADVERTISING INJURY LIABILITY**.

This General Aggregate Limit will not apply if either the Location General Aggregate

gate Limit of Insurance, Paragraph **2.b.**, or the Construction Project General Aggregate Limit of Insurance, Paragraph **2.c.** applies.

- b. A separate Location General Aggregate Limit of Insurance, equal to the amount of the General Aggregate Limit shown in the Declarations, shall apply to each location owned by, or rented or leased to you and is the most we will pay for the sum of:

(1) Damages under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

(2) Medical expenses under **COVERAGE C. MEDICAL PAYMENTS**,

which can be attributed to operations at only a single location owned by, or rented or leased to you.

- c. A separate Construction Project General Aggregate Limit of Insurance, equal to the amount of the General Aggregate Limit shown in the Declarations, shall apply to each construction project and is the most we will pay for the sum of:

(1) Damages under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

(2) Medical expenses under **COVERAGE C. MEDICAL PAYMENTS**;

which can be attributed only to ongoing operations and only at a single construction project.

- d. Only for the purpose of determining which General Aggregate Limit of Insurance, **2.a.**, **2.b.**, or **2.c.**, applies:

(1) Location means premises involving the same or connecting lots, or premises, whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

(2) Construction project means a location you do not own, rent or lease where ongoing improvements, alterations, installation, demolition or maintenance work is performed by you or on your behalf. All connected ongoing improvements, alterations, installation, demolition or maintenance work performed by you or on

your behalf at the same location for the same persons or organizations, no matter how often or under how many different contracts, will be deemed to be a single construction project.

3. The Products-Completed Operations Aggregate Limit is the most we will pay under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".

4. Subject to **2.a.** above, the Personal and Advertising Injury Limit is the most we will pay under **COVERAGE B. PERSONAL AND ADVERTISING INJURY LIABILITY** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.

5. Subject to **2.** or **3.** above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:

a. Damages under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY**; and

b. Medical expenses under **COVERAGE C. MEDICAL PAYMENTS**;

because of all "bodily injury" and "property damage" arising out of any one "occurrence".

6. Subject to **5.** above, the Damage to Premises Rented to You Limit is the most we will pay under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire or explosion, while rented to you or temporarily occupied by you with permission of the owner.

7. Subject to **5.** above, the Medical Expense Limit is the most we will pay under **COVERAGE C. MEDICAL PAYMENTS** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each "coverage term".

#### **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**

##### **1. Bankruptcy**

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

##### **2. Duties in the Event of Occurrence, Offense, Claim or Suit**

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or

a "personal and advertising injury" offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

### 3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable

under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

### 4. Liberalization

If, within 60 days prior to the beginning of this Coverage Part or during the policy period, we make any changes to any forms or endorsements of this Coverage Part for which there is currently no separate premium charge, and that change provides more coverage than this Coverage Part, the change will automatically apply to this Coverage Part as of the latter of:

- a. The date we implemented the change in your state; or
- b. The date this Coverage Part became effective; and

will be considered as included until the end of the current policy period. We will make no additional premium charge for this additional coverage during the interim.

### 5. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY** or **COVERAGE B. PERSONAL AND ADVERTISING INJURY LIABILITY** of this Coverage Part, our obligations are limited as follows:

#### a. Primary Insurance

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

#### b. Excess Insurance

This insurance is excess over:

- (1) Any of the other insurance, whether primary, excess, contingent or on any other basis:
  - (a) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar insurance for "your work";
  - (b) That is Fire or Explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;
  - (c) That is insurance purchased by you to cover your liability as a tenant for "property damage" to

premises rented to you or temporarily occupied by you with permission of the owner; or

- (d) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to **SECTION I - COVERAGES, COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions, g. Aircraft, Auto or Watercraft.**
- (2) Any other primary insurance available to the insured covering liability for damages arising out of the premises or operations, or the products and completed operations, for which the insured has been added as an additional insured by attachment of an endorsement.
- (3) Any other insurance:
- (a) Whether primary, excess, contingent or on any other basis, except when such insurance is written specifically to be excess over this insurance; and
- (b) That is a consolidated (wrap-up) insurance program which has been provided by the prime contractor/project manager or owner of the consolidated project in which you are involved.

When this insurance is excess, we will have no duty under **COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY** or **COVERAGE B. PERSONAL AND ADVERTISING INJURY LIABILITY** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance

shown in the Declarations of this Coverage Part.

### c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

## 6. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If:
- (1) The earned premium is less than the deposit premium, we will return the excess to the first Named Insured; or
- (2) The earned premium is greater than the deposit premium, the difference will be due and payable to us by the first Named Insured upon notice from us.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

## 7. Representations

By accepting this Coverage Part, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this Coverage Part in reliance upon your representations.

## 8. Separation of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

**9. Transfer of Rights of Recovery Against Others to Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

**10. Two or More Coverage Forms or Policies Issued by Us**

If this Coverage Part and any other Coverage Form, Coverage Part or policy issued to you by us or any company affiliated with us apply to the same "occurrence" or "personal and advertising injury" offense, the aggregate maximum limit of insurance under all the Coverage Forms, Coverage Parts or policies shall not exceed the highest applicable limit of insurance under any one Coverage Form, Coverage Part or policy. This condition does not apply to any Coverage Form, Coverage Part or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Part.

**11. When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

b. Does not include "bodily injury" or "property damage" arising out of:

**FARM LIABILITY COVERAGE FORM  
FARM EMPLOYERS LIABILITY AND FARM EMPLOYEES MEDICAL PAYMENTS INSURANCE  
ENDORSEMENT  
BASIC FARM PREMISES LIABILITY ENDORSEMENT  
BROAD FARM PREMISES LIABILITY ENDORSEMENT**

This insurance does not apply to damages awarded under:

- B.** Any law, due to violation of the MSAWPA, or
- C.** Any regulation promulgated pursuant to the MSAWPA.

**THIS ENDORSEMENT CHANGES THE POLICY, PLEASE READ IT CAREFULLY.**

**BASIC FARM PREMISES LIABILITY**

This endorsement modifies insurance provided under the following:

**COMMERCIAL GENERAL LIABILITY COVERAGE PART**

Subject to the provisions of this endorsement, insurance under the Commercial General Liability Coverage Part applies with respect to liability arising out of the ownership, use or maintenance of "farm premises". The terms ownership, use or maintenance include operations necessary or incidental to ownership, use or maintenance.

**A. Coverage A - Bodily Injury and Property Damage Liability**

**1. Under Exclusion 2.f., the following exception is added to Subparagraph (1)(a):**

- 4) "Bodily injury" or "property damage" caused by heat, smoke or fumes from a fire if the fire:

- a) is set by the insured on the "farm premises"; and
- b) is set for the purpose of burning of crop, stubble or other vegetation and is consistent with normal and usual agricultural practices; and
- c) is not set in violation of an ordinance or law.

**2. The following exception is added to Exclusion 2.g.:**

- (6) An "auto" or item of "mobile equipment" involved in an occurrence on the "farm premises" and not subject to motor vehicle registration by reason of:

- (a) Use exclusively on the "farm premises"; or
- (b) Being kept in dead storage on the "farm premises".

**3. Exclusion 2.i. does not apply to operations necessary or incidental to the ownership, use or maintenance of the "farm premises".**

**4. Unless the Declarations specify otherwise, the following exclusions are added:**

- u. "Bodily injury" or "property damage" arising out of the ownership, use or maintenance of any part of the "farm premises" that is:

- (1) Used for nonagricultural business purposes; or

- (2) Rented to others or held for rental by an insured for nonagricultural business or dwelling purposes.

This exclusion does not apply to:

- (1) A residence rented to a person who occupies and farms the "farm premises"; or
- (2) A residence occupied by no more than two roomers or boarders.

- v. "Bodily injury" or "property damage" arising out of the ownership, use or maintenance of:

- (2) Draft animals or vehicles used with them:

- (a) Under contract to others for a charge; or
- (b) Used for route delivery; or

- (b) Used in practicing for or participating in any exhibition or contest.

- w. "Property damage" arising out of any substance released or discharged from any aircraft.

- x. "Bodily injury" or "property damage" arising out of the rendering of or failure to render professional services.

**B. Coverage C - Medical Payments**

The following is added to Paragraph 2. Exclusions:

- h. To any person engaged in work usual or incidental to the maintenance or use of the "farm premises".

The only exceptions to this exclusion are in occurrences of "bodily injury" sustained by a person on the "farm premises" in a neighborly exchange of assistance for which the insured is not obligated to pay any money.

**C. Chemical Drift Liability Coverage** is added to the Commercial General Liability Coverage Part as Coverage M, as described and limited in 1. through 6, below:

**1. Insuring Agreement**

a. We will pay those sums that the insured becomes legally obligated to pay as damages for physical injury to crops or animals if:

- (1) The injury was caused by discharge, dispersal, release or escape into the air from the "farm premises", of the chemicals, liquids or gases that the insured has used in normal and usual agricultural operations; and
- (2) The chemicals, liquids or gases entered into the air by some means other than discharge, dispersal, release or escape from aircraft.

The term physical injury does not include any indirect or consequential damages such as loss, at any time, of market for crops or animals or of use of such animals.

The coverage applies only to physical injury that occurs during the policy period. The physical injury must be caused by an "occurrence". The "occurrence" must take place in the coverage territory.

b. We will have the right and duty to defend the insured against any suit seeking damages for covered physical injury. However, we will have no duty to defend the insured against any suit seeking damages for physical injury to which this insurance does not apply. We may at our discretion investigate any "occurrence" and settle any claim or "suit" that may result.

But:

- (1) The amount we will pay for damages is limited as described below in 3. Aggregate Limit of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable Aggregate Limit of Insurance in the payment of judgments

or settlements under Chemical Drift Liability Coverage.

As used in this Coverage M, the term "suit" means a civil proceeding in which damages because of physical injury to which such Coverage applies are alleged.

"Suit" includes:

- (1) An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit without consent;
- (2) Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits without consent; or
- (3) An appeal of a civil proceeding.

c. No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph 1. of Supplementary Payments.

**2. Exclusions**

**Chemical Drift Liability Coverage** does not apply to:

- a. Any loss, cost or expense arising out of any:
  - (1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of pollutants; or
  - (2) Claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to or assessing the effects of, chemicals, liquids or gases.

However, paragraphs (1) and (2) do not apply to liability for damages the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

b. Physical injury to crops or animals arising out of agricultural operations which are in violation of an ordinance or law.

c. Physical injury to crops or animals which may reasonably be expected to result from the intentional or criminal acts of the insured or which is in fact expected or intended by the insured, even if the injury or damage is of a different degree or type than actually expected or intended.

d. Physical injury to crops or animals for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) Assumed in a contract or agreement that is an "insured contract", provided the physical injury occurs subsequent to the execution of the contract or agreement; or
- (2) That the insured would have in the absence of the contract or agreement.

With respect to Chemical Drift Liability Coverage, Paragraph f. of the "insured contract" definition is deleted and replaced by the following:

f. That part of a contract or agreement pertaining to your "farming" operations (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another to pay a third person or organization for physical injury to crops or animals. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

However, Paragraph f. above does not include that part of any contract or agreement that indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing.

e. Physical injury to crops or animals you own, rent or borrow.

### 3. Aggregate Limit of Insurance for Chemical Drift Liability Coverage: \$25,000

a. Our total liability for Coverage M, Chemical Drift Liability Coverage, is the Aggregate Limit of Insurance stated above, unless a different Aggregate Limit of Insurance is stated for Coverage M in the Declarations.

b. The stated Aggregate Limit of Insurance applies separately to each "coverage form".

c. Therefore, the stated Aggregate Limit of Insurance is the most we will pay for the applicable period of time as described in b, above, regardless of the number of:

- (1) Occurrences
- (2) Insureds
- (3) Claims made or "suits brought" or
- (4) Persons or organizations making claims or bringing suits.

### 4. Section IV - Commercial General Liability Conditions applies to Chemical Drift Liability Coverage

5. Words and phrases (except "suit") used in this Chemical Drift Liability Coverage have meaning as defined in Section V - Definitions. Section V includes the defined terms added in this endorsement.

### D. Section II - Who is an Insured

Paragraph 1. is replaced by the following:

1. If you are designated in the Declarations as:
  - a. An individual, you are an insured, and they are members of your household, your spouse, and you and your spouse's relatives who are under the age of 21 and also insureds.
  - b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your "farming" operations.
  - c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your "farming" operations. Your managers are insureds, but only with respect to their duties as your managers.
  - d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your executive officers and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

**E. Section IV - Commercial General Liability Conditions**

The following is added to the **Duties in the Event of Occurrence, Offense, Claim or Suit** Condition:

We have no duty to provide coverage under this policy if failure to comply with the duties described in this Condition is prejudicial to us.

**F. Section V - Definitions**

1. The following definitions are added:

- a. "Custom farming" means performance of specific planting, cultivating, harvesting or other specific "farming" operations by an insured, at a farm that is not a "farm premises", when the performance is for and under the direction or supervision of the owner or operator of the farm or the authorized representative of the owner or operator.

But "custom farming" does **not** mean:

- c. Does not include property rented to or located for the use of others but not sold.

- 3. The definitions of "employee", "leased worker", "temporary worker" and "volunteer worker", as shown in Section V - Definitions of the Commercial General Liability Coverage Part, do not apply to the insurance provided under this endorsement.

**G. Additional Coverage - Custom Farming**

- 1. Insurance under the Commercial General Liability Coverage Form also applies with respect to liability arising out of the insured's performance of or failure to perform "custom farming" operations.

But this Additional Coverage will apply only if your records during the 12 months immediately preceding the date of the "occurrence" from such "custom farming" operations do not exceed \$5,000.

- 2. Exclusions 2.j.(4) and (6), 2.i. and 2.m. under Coverage A do not apply with respect to the Additional Coverage as described and limited in G.1, above.

For the purposes of this endorsement only, **SECTION III - LIMITS OF INSURANCE** is amended as follows:

5. The Each Occurrence Limit is the most we will pay for damages under Coverage **D.** because of all "bodily injury" arising out of any one "occurrence".

**D. CONDITIONS**

For the purposes of this endorsement only, **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS**, Items 2. and 5. are deleted in their entirety and replaced by the following:

**2. Duties in the Event of Occurrence, Injury, Claim or Suit**

a. You must see to it that we or our agent are notified as soon as practicable of an "occurrence" or "bodily injury" which may result in a claim. To the extent possible, notice should include:

(1) How, when and where the "occurrence" or "bodily injury" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers re-

ceived in connection with the injury, claim, proceeding or "suit";

- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us and assist us, as we may request, in the investigation or settlement of the claim or "suit";

- (5) Do nothing after an injury occurs that would interfere with our right to recover from others.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

#### 5. Other Insurance

- a. Excess - This insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis.

We will have no duty to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but will be entitled to the insured's right against all those other insurers.

We will pay the amount of the loss that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Condition and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations.

- b. Method of Sharing - If all other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

such "employee's" dependents and beneficiaries, as a result of:

- (a) An act, error or omission; or

  - (1) What the act, error or omission was and when it occurred; and
  - (2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.
- b. If a claim is made or "suit" is brought against any insured, you must:

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

**c. No Coverage**

This insurance shall not cover any loss for which the insured is entitled to recovery under any other insurance in force previous to the effective date of this Coverage Part.

Other words and phrases that appear in quotation marks have special meaning. Refer to **Section V - Definitions**.

While located:

- a. On your "premises" or within one thousand (1,000) feet thereof (except as may be provided in the **Section I - Coverages, Coverage A - Electronic Data Processing Property, 5. Coverage Extensions**); and

##### 4. Covered Causes of Loss

Covered Causes of Loss, with respect to Coverage A, means risks of direct "loss" to Covered Property except those causes of "loss" listed in **Section II - Exclusions**.

##### 5. Coverage Extensions

Unless stated otherwise, the Limits of Insurance referenced in the following Coverage Extensions are in addition to, and not included within, **Section III - Limits of Insurance and Deductibles, 1. Limits of Insurance** for Coverage A.

##### a. Debris Removal

- (1) We will pay your expense to remove the debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within one hundred-eighty (180) days of the date of direct "loss".

- (2) The most we will pay under this Coverage Extension is twenty-five (25) percent (%) of:

- (a) The amount we pay for the direct "loss" to Covered Property; plus  
(b) The deductible in this Coverage Part applicable to that "loss".

This Coverage Extension is included within the Limit of Insurance shown in the Declarations for Coverage A. However, if:

- (a) The sum of direct "loss" and debris removal expense exceeds the Limit of Insurance for Coverage A; or  
(b) The debris removal expense exceeds the amount payable under the twenty-five (25) percent (%) limitation in this Coverage Extension;

we will pay up to the additional Limit of Insurance for Debris Removal stated in the Declarations for each "premises" in any one "occurrence".

- (3) This Coverage Extension does not apply to costs to:

- (a) Extract "pollutants" from land or water; or  
(b) Remove, restore or replace polluted land or water.

**b. Duplicate and Backup Electronic Media and Records**

We will pay up to the Limit of Insurance for Duplicate and Backup Electronic Media and Records stated in the Declarations in any one "occurrence" for "loss" to "electronic media and records" due to a Covered Cause of Loss while such property is stored away from your "premises" other than "temporarily".

This Coverage Extension does not apply to "loss" insured under the Third Party Host Coverage Extension.

- (2) "Temporarily" in storage; or

- (3) In the custody of your employee for the purpose of conducting your business.

This is not an additional Limit of Insurance. It is included within the Coverage A Limit of Insurance.

This Coverage Extension applies to Covered Property whether or not it is located within the "coverage territory".

If the Limit of Insurance stated in the Declarations is other than the \$50,000 maximum stated, then the Limit of Insurance that applies to all "loss" in any one "occurrence" is the greater of the limit stated or the twenty percent (20%) of the Coverage A Limit of Insurance limitation.

**d. Pollutant Clean Up and Removal**

- b. Ends on the earlier of:

**a. Appraisal**

In the **COMMERCIAL INLAND MARINE CONDITIONS, LOSS CONDITIONS, B. Appraisal** is replaced by the following:

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make a written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that a judge of a court having jurisdiction make selection. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each will:

- (1) Pay its chosen appraiser; and

If there is an appraisal, we will still retain our right to deny the claim.

- 1) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
- 2) Any "extra expense" that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and

- (b) All necessary and reasonable expenses that reduce the "business income" loss that otherwise would have been incurred.

### c. Resumption of Operations

- (1) We will reduce the amount of your:

- (a) "Business income" loss other than "extra expense", to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise

or stock) at the "premises" or elsewhere.

- (b) "Extra expense" loss to the extent you can return "operations" to normal and discontinue such "extra expense".

- (3) An employee of any Insured is considered to be an employee of every Insured.
- (4) If this insurance or any of its coverages is cancelled or terminated as to any Insured, loss sustained by that Insured is covered only if discovered no later than one year from the date of that cancellation or termination.

- (2) If there is other insurance covering the same loss or damage, other than that described in (1) above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.
- (3) Irrespective of Paragraphs h.(1) or (2) above, this Coverage Part is always excess of a "service agreement". This endorsement modifies insurance provided under the following:

### **ELECTRONIC DATA PROCESSING EQUIPMENT COVERAGE PART**

**Section IV - Additional Conditions, 3. Common Conditions** is amended to include the following:

#### **Office of Foreign Assets Control (OFAC) Compliance**

Whenever insurance coverage provided by this policy would be in violation of any United States economic or trade sanctions, such insurance coverage shall be null and void.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**COMMERCIAL INLAND MARINE CONDITIONS**

The following conditions apply in addition to the Common Policy Conditions and applicable Additional Conditions in Commercial Inland Marine Coverage Forms:

**LOSS CONDITIONS**

**A. Abandonment**

There can be no abandonment of any property to us.

**B. Appraisal**

If we and you disagree on the value of the property or the amount of "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

**C. Duties in the Event of Loss**

You must see that the following are done in the event of "loss" to Covered Property:

1. Notify the police if a law may have been broken.
2. Give us prompt notice of the "loss". Include a description of the property involved.
3. As soon as possible, give us a description of how, when and where the "loss" occurred.
4. Take all reasonable steps to protect the Covered Property from further damage and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent "loss" resulting from a cause of loss that is not a Covered Cause of Loss. Also if feasible, set the damaged property aside and in the best possible order for examination.
5. Make no statement that will assume any obligation or admit any liability, for any "loss" for which we may be liable, without our consent.
6. Permit us to inspect the property and records proving "loss".

7. If requested, permit us to question you under oath, at such times as may be reasonably required, about any matter relating to this insurance or your claim, including your books and records. In such event, your answers must be signed.

8. Send us a signed, sworn statement of "loss" containing the information we request to settle the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

9. Promptly send us any legal papers or notices received concerning the "loss".

10. Cooperate with us in the investigation or settlement of the claim.

**D. Insurance Under Two or More Coverages**

If two or more of this policy's coverages apply to the same "loss", we will not pay more than the actual amount of the "loss".

**E. Loss Payment**

We will pay or make good any "loss" covered under this Coverage Part within 30 days after:

1. We reach agreement with you;
2. The entry of final judgment; or
3. The filing of an appraisal award.

We will not be liable for any part of a "loss" that has been paid or made good by others.

**F. Other Insurance**

If you have other insurance covering the same "loss" as the insurance under this Coverage Part, we will pay only the excess over what you should have received from the other insurance. We will pay the excess whether you can collect on the other insurance or not.

**G. Pair, Sets or Parts**

1. Pair or Set

In case of "loss" to any part of a pair or set we may:

- a. Repair or replace any part to restore the pair or set to its value before the "loss"; or
- b. Pay the difference between the value of the pair or set before and after the "loss".

2. Parts

In case of "loss" to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

#### **H. Privilege to Adjust with Owner**

In the event of "loss" involving property of others in your care, custody or control, we have the right to:

1. Settle the "loss" with the owners of the property. A receipt for payment from the owners of that property will satisfy any claim of yours.
2. Provide a defense for legal proceedings brought against you. If provided, the expense of this defense will be at our cost and will not reduce the applicable Limit of Insurance under this insurance.

#### **I. Recoveries**

Any recovery or salvage on a "loss" will accrue entirely to our benefit until the sum paid by us has been made up.

#### **J. Reinstatement of Limit After Loss**

The Limit of Insurance will not be reduced by the payment of any claim, except for total "loss" of a scheduled item, in which event we will refund the unearned premium on that item.

#### **K. Transfer of Rights of Recovery Against Others to Us**

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after "loss" to impair them.

### **GENERAL CONDITIONS**

1. This Coverage Part;
2. The Covered Property;

3. Your interest in the Covered Property; or

#### **B. Legal Action Against Us**

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all the terms of this Coverage Part; and
2. The action is brought within 2 years after you first have knowledge of the "loss".

#### **C. Liberalization**

If, within 45 days prior to the beginning of this Coverage Part or during the policy period, we make any changes to any forms or endorsements of this Coverage Part for which there is currently no separate premium charge, and that change provides more coverage than this Coverage Part, the change will be considered as included until the end of the current policy period. We will make no additional premium charge for this additional coverage during the interim.

#### **D. No Benefit to Bailee**

No person or organization, other than you, having custody of Covered Property, will benefit from this insurance.

#### **E. Policy Period**

We cover "loss" commencing during the policy period shown in the Declarations.

#### **F. Valuation**

The value of property will be the least of the following amounts:

1. The actual cash value of that property;
2. The cost of reasonably restoring that property to its condition immediately before "loss"; or
3. The cost of replacing that property with substantially identical property.

In the event of "loss", the value of property will be determined as of the time of "loss".

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F--DEFINITIONS.

### A. COVERAGE

1. **COVERED PROPERTY**, as used in this Coverage Form, means:

- a. Your signs; and
- b. Similar property of others in your care, custody or control.

2. **PROPERTY NOT COVERED**

Covered Property does not include contraband, or property in the course of illegal transportation or trade.

3. **COVERED CAUSES OF LOSS**

Covered Causes of Loss means RISKS OF DIRECT PHYSICAL "LOSS" to Covered Property except those causes of "loss" listed in the Exclusions.

4. **ADDITIONAL COVERAGE--COLLAPSE**

We will pay for direct "loss" caused by or resulting from risks of direct physical "loss" involving collapse of all or part of a building or structure caused by one or more of the following:

- a. Fire; lightning; windstorm; hail; explosion; smoke; aircraft; vehicles; riot; civil commotion; vandalism; breakage of glass; falling objects; weight of snow, ice or sleet; water damage; all only as covered in this Coverage Form;
- b. Hidden decay;

- d. Weight of people or personal property;

This Additional Coverage does not increase the Limits of Insurance provided in this Coverage Form.

### B. EXCLUSIONS

1. We will not pay for a "loss" caused directly or indirectly by any of the following. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss."

- a. **GOVERNMENTAL ACTION**

Seizure or destruction of property by order of governmental authority.

But we will pay for acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread if the fire would be covered under this Coverage Form.

- b. **NUCLEAR HAZARD**

- (1) Any weapon employing atomic fission or fusion; or
- (2) Nuclear reaction or radiation, or radioactive contamination from any other cause. But we will pay for direct "loss" caused by resulting fire if the fire would be covered under this Coverage Form.

- c. **WAR AND MILITARY ACTION**

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

2. We will not pay for a "loss" caused by or resulting from any of the following:

- a. Delay, loss of use, loss of market or any other consequential loss.
- b. Breakage during transportation, or breakage during installation, repairing or dismantling.

But we do insure against such "loss" caused directly by fire, lightning, or by accident to the vehicle carrying the property if these causes of "loss" would be covered under this Coverage Form.

- c. Dishonest acts by:

- (1) You, your employees or authorized representatives;

- (2) Anyone else with an interest in the property, or their employees or authorized representatives; or
- (3) Anyone else to whom the property is entrusted.

This exclusion applies whether or not such persons are acting alone or in collusion with other persons or such acts occur during the hours of employment.

But this exclusion does not apply to Covered Property that is entrusted to others who are carriers for hire.

- d. Artificially generated current creating a short circuit or other electric disturbance within an article covered under this Coverage Form.

But we will pay for direct "loss" caused by resulting fire if the fire would be covered under this Coverage Form.

This exclusion only applies to "loss" to that article in which the disturbance occurs.

- e. Voluntary parting with any property by you or anyone entrusted with the property if induced to do so by any fraudulent scheme, trick, device or false pretense.
  - f. Unauthorized instructions to transfer property to any person or to any place.
3. We will not pay for a "loss" caused by or resulting from any of the following. But if "loss" by a Covered Cause of Loss results, we will pay for that resulting "loss."

If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of "loss". ## BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION V - DEFINITIONS**.

### SECTION I - COVERED AUTOS

ITEM TWO of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

#### A. Description of Covered Auto Designation Symbols

SYMBOL	DESCRIPTION
1 =	ANY "AUTO".
2 =	OWNED "AUTOS" ONLY. Only those "autos" you own (and for Liability Coverage any "trailers" you don't own while attached to power units you own). This includes those "autos" you acquire ownership of after the policy begins.
3 =	OWNED PRIVATE PASSENGER "AUTOS" ONLY. Only the private passenger "autos" you own. This includes those private passenger "autos" you acquire ownership of after the policy begins.
4 =	OWNED "AUTOS" OTHER THAN PRIVATE PASSENGER "AUTOS" ONLY. Only those "autos" you own that are not of the private passenger type (and for Liability Coverage any "trailers" you don't own while attached to power units you own). This includes those "autos" not of the private passenger type you acquire ownership of after the policy begins.
5 =	OWNED "AUTOS" SUBJECT TO NO-FAULT. Only those "autos" you own that are required to have No-Fault benefits in the state where they are licensed or principally garaged. This includes those "autos" you acquire ownership of after the policy begins provided they are required to have No-Fault benefits in the state where they are licensed or principally garaged.
6 =	OWNED "AUTOS" SUBJECT TO A COMPULSORY UNINSURED MOTORISTS LAW. Only those "autos" you own that because of the law in the state where

they are licensed or principally garaged are required to have and cannot reject Uninsured Motorists Coverage. This includes those "autos" you acquire ownership of after the policy begins provided they are subject to the same state uninsured motorists requirement.

7 = SPECIFICALLY DESCRIBED "AUTOS". Only those "autos" described in ITEM THREE of the Declarations for which a premium charge is shown (and for Liability Coverage any "trailers" you don't own while attached to a power unit described in ITEM THREE).

8 = HIRED "AUTOS" ONLY. Only those "autos" you lease, hire, rent or borrow. This does not include any "auto" you lease, hire, rent, or borrow from any of your "employees" or partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

9 = NONOWNED "AUTOS" ONLY. Only those "autos" you do not own, lease, hire, rent or borrow that are used in connection with your business. This includes "autos" owned by your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households but only while used in your business or your personal affairs.

#### B. Owned Autos You Acquire After the Policy Begins

1. If Symbols 1, 2, 3, 4, 5, or 6 are entered next to a coverage in ITEM TWO of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.

2. But, if Symbol 7 is entered next to a coverage in ITEM TWO of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:

a. We already cover all "autos" that you own for that coverage or it replaces

an "auto" you previously owned that had that coverage; and

- b. You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

### C. Certain Trailers, Mobile Equipment and Temporary Substitute Autos

If Liability Coverage is provided by this Coverage Form, the following types of vehicles are also covered "autos" for Liability Coverage:

1. "Trailers" with a load capacity of 2,000 pounds or less designed primarily for travel on public roads.

2. "Mobile equipment" while being carried or towed by a covered "auto".
3. Any "auto" you do not own while used with the permission of its owner as a temporary substitute for a covered "auto" you own that is out of service because of its:
  - a. Breakdown;
  - b. Repair;
  - c. Servicing;
  - d. "Loss"; or
  - e. Destruction.

## SECTION II - LIABILITY COVERAGE

### A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

#### 1. Who is an Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
  - (1) The owner or anyone else from whom you hire or borrow a cov-

ered "auto". This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
  - (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
  - (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
  - (5) A partner (if you are a partnership), or a member (if you are a limited liability company), for a covered "auto" owned by him or her or a member of his or her household.
- c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

#### 2. Coverage Extensions

##### a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for the cost of bail bonds (including bonds for related traffic law violations) re-

quired because of an "accident" we cover. We do not have to furnish these bonds.

- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All costs taxed against the "insured" in any "suit" against the "insured" we defend.
- (6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

#### **b. Out-of-State Coverage Extensions**

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

#### **B. Exclusions**

This insurance does not apply to any of the following:

#### **1. Expected or Intended Injury**

"Bodily injury" or "property damage" which may reasonably be expected to result from the intentional or criminal acts of the "insured" or which is in fact expected or intended by the "insured", even if the injury or damage is of a different degree or type than actually expected or intended. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

#### **2. Contractual**

Liability assumed under any contract or agreement.

But this exclusion does not apply to liability for damages:

- a. Assumed in a contract or agreement that is an "insured contract" provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement; or
- b. That the "insured" would have in the absence of the contract or agreement.

#### **3. Workers' Compensation**

Any obligation for which the "insured" or the "insured's" insurer may be held liable under any workers' compensation, disability benefits or unemployment compensation law or any similar law.

#### **4. Employee Indemnification and Employer's Liability**

"Bodily injury" to:

- a. An "employee" of the "insured" sustained in the "workplace";

This Exclusion applies:

- (1) Whether the "insured" may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

But this exclusion does not apply to "bodily injury" to domestic "employees" not entitled to workers' compensation benefits or to liability assumed by the "insured" under an "insured contract" other than a contract or agreement with a labor leasing firm. For the purposes of the Coverage Form, a domestic "employee" is a person engaged in household or domestic work performed principally in connection with a residence premises.

#### **5. Fellow Employee**

"Bodily injury" to any fellow "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment or while performing duties related to the conduct of your business.

#### **6. Care, Custody or Control**

"Property damage" to or "covered pollution cost or expense" involving property owned or transported by the "insured" or in the "insured's" care, custody or control. But this exclusion does not apply to liability assumed under a sidetrack agreement.

#### **7. Handling of Property**

"Bodily injury" or "property damage" resulting from the handling of property:

- a. Before it is moved from the place where it is accepted by the "insured" for movement into or onto the covered "auto"; or
- b. After it is moved from the covered "auto" to the place where it is finally delivered by the "insured".

#### **8. Movement of Property by Mechanical Device**

"Bodily injury" or "property damage" resulting from the movement of property by a mechanical device (other than a hand truck) unless the device is attached to the covered "auto".

#### **9. Operations**

"Bodily injury" or "property damage" arising out of the operation of:

- a. Any equipment listed in Paragraphs **6.b.** and **6.c.** of the definition of "mobile equipment"; or
- b. Machinery or equipment that is on, attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor ve-

hicle insurance law where it is licensed or principally garaged.

#### **10. Completed Operations**

"Bodily injury" or "property damage" arising out of your work after that work has been completed or abandoned.

In this exclusion, your work means:

- a. Work or operations performed by you or on your behalf; and
- b. Materials, parts or equipment furnished in connection with such work or operations.

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in Paragraphs **a.** or **b.** above.

Your work will be deemed completed at the earliest of the following times:

- (1) When all of the work called for in your contract has been completed.
- (2) When all of the work to be done at the site has been completed if your contract calls for work at more than one site.
- (3) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

#### **11. Pollutant**

"Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release, escape or emission of "pollutants":

- a. That are, or that are contained in any property that is:
  - (1) Being transported or towed by, handled, or handled for movement into, onto or from, the covered "auto";
  - (2) Otherwise in the course of transit by or on behalf of the "insured"; or

- (3) Being stored, disposed of, treated or processed in or upon the covered "auto";
- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph **a.** of this exclusion does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (1) The "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraphs **6.b.** and **6.c.** of the definition of "mobile equipment".

However, this exception to Paragraph **a.** does not apply if the fuels, lubricants, fluids, exhaust gases or other similar "pollutants" are intentionally discharged, dispersed or released.

Paragraphs **b.** and **c.** of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (1) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) The discharge, dispersal, seepage, migration, release, emission or escape of the "pollutants" is caused directly by such upset, overturn or damage.

This exception does not apply if the fuels, lubricants or other operating fluids are intentionally discharged, dispersed or released, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent to be discharged, dispersed or released as part of the operations being performed by such "insured", contractor or subcontractor.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this Coverage Form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

### D. Mobile Equipment Subject to Motor Vehicle Insurance Laws

As respects **SECTION II - LIABILITY COVERAGE** any land vehicle, which would qualify as "mobile equipment", except that it is subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged, is considered a covered "auto" under **SECTION II - LIABILITY COVERAGE**, irrespective of the Auto Designation Symbols shown for **SECTION II - LIABILITY COVERAGE** in the Declarations.

### SECTION IV - BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

#### A. Loss Conditions

##### 1. Appraisal for Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

##### 2. Duties in the Event of Accident, Claim, Suit or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:

- (1) How, when and where the "accident" or "loss" occurred;
  - (2) The "insured's" name and address; and
  - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- b. Additionally, you and any other involved "insured" must:
    - (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
    - (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
    - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
    - (4) Authorize us to obtain medical records or other pertinent information.
    - (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.

c. If there is "loss" to a covered "auto" or its equipment you must also do the following:

- (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
- (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
- (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
- (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

### 3. Legal Action Against Us

No one may bring a legal action against us under this Coverage Form until:

- a. There has been full compliance with all the terms of this Coverage Form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

### 4. Loss Payment - Physical Damage Coverages

At our option we may:

- a. Pay for, repair or replace damaged or stolen property;
- b. Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

### 5. Transfer of Rights of Recovery Against Others to Us

If any person or organization to or for whom we make payment under this Cov-

erage Form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

## B. General Conditions

### 1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this Coverage Form.

### 2. Concealment, Misrepresentation or Fraud

This Coverage Form is void in any case of fraud by you at any time as it relates to this Coverage Form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this Coverage Form.

### 3. Liberalization

If within 60 days prior to the beginning of this Coverage Part or during the policy period, we make any changes to any forms or endorsements of this Coverage Part for which there is currently no separate premium charge, and that change provides more coverage than this Coverage Part, the change will automatically apply to this Coverage Part as of the latter of:

- a. The date we implemented the change in your state; or
- b. The date this Coverage Part became effective; and

will be considered as included until the end of the current policy period. We will make no additional premium charge for this additional coverage during the interim.

### 4. No Benefit to Bailee - Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this Coverage Form.

## 5. Other Insurance

- a. For any covered "auto" you own, this Coverage Form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this Coverage Form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this Coverage Form provides for the "trailer" is:

- (1) Excess while it is connected to a motor vehicle you do not own.
- (2) Primary while it is connected to a covered "auto" you own.

- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- c. Regardless of the provisions of Paragraph a. above, this Coverage Form's Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this Coverage Form and any other Coverage Form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our Coverage Form bears to the total of the limits of all the Coverage Forms and policies covering on the same basis.

## 6. Premium Audit

- a. The estimated premium for this Coverage Form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.

- b. If this policy is issued for more than one year, the premium for this Coverage Form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

## 7. Policy Period, Coverage Territory

- b. Within the coverage territory.

The coverage territory is:

- b. The territories and possessions of the United States of America;
- c. Puerto Rico;

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

## 8. Two or More Coverage Forms or Policies Issued by Us

If this Coverage Form and any other Coverage Form or policy issued to you by us or any company affiliated with us apply to the same "accident", the aggregate maximum Limit of Insurance under all the Coverage Forms or policies shall not exceed the highest applicable Limit of Insurance under any one Coverage Form or policy. This condition does not apply to any Coverage Form or policy issued by us or an affiliated company specifically to apply as excess insurance over this Coverage Form.

5. "Bodily injury" suffered by any person while operating or "occupying" a "motor vehicle" without a reasonable belief that he or she is entitled to do so. Under no circumstances will a person whose license has been suspended, revoked or never issued be held to have a reasonable belief that he or she is entitled to operate a "motor vehicle".
6. Punitive or exemplary damages.
7. "Noneconomic loss" sustained by any "insured" if such "insured" is an uninsured motorist with a previous violation as defined in Indiana Code Section 27-7-5.1.

However, Exclusion **C.7.** does not apply to an "insured" under 18 years of age.

### D. Limit of Insurance

1. Regardless of the number of policies, covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages, including damages claimed by any person or organization for care, loss of services, or death due to and arising out of any one "accident" is the limit of **Underinsured Motorist Coverage** shown in the Schedule or the Declarations.
2. The limit of insurance provided in this endorsement shall be reduced by all sums available for payment to the "insured" for "bodily injury" under all liability bonds or policies covering persons or organizations legally liable for the "accident".

3. No one will be entitled to receive duplicate payments for the same elements of "loss" under this endorsement and any Liability Coverage Form or Medical Payments Coverage endorsement attached to this Coverage Form.

We will not make a duplicate payment under this endorsement for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits, or similar laws, including medical payments made under any statute.

4. No "insured" shall recover duplicate payments for the same elements of "loss" or payments in excess of damages sustained.

#### E. Changes in Conditions

The **Conditions** for **Indiana Underinsured Motorist Coverage** are changed as follows:

1. **Other Insurance Condition** in the Business Auto and Garage Coverage Forms is changed as follows:

If there is other applicable insurance available under one or more policies or provisions of coverage, the following priorities of coverage apply:

<b>FIRST PRIORITY</b>	The Underinsured Motorist Coverage applicable to the vehicle the "insured" was "occupying" at the time of the "accident".
<b>SECOND PRIORITY</b>	Any other Coverage Form or policy affording Underinsured Motorist Coverage to the "insured".

- a. The limit of insurance under the "motor vehicle" the "insured" was "occupying" under the Coverage Form or policy in the first priority shall first be exhausted.
- b. The maximum recovery for damages under all Coverage Forms or policies may equal but shall not exceed the highest applicable limit of any one "motor vehicle" under any insurance providing coverage on either a first or second priority basis.
- c. We will pay only our share of the "loss". Our share is the proportion that our limit of liability bears to the total of all limits applicable to the same level of priority.

2. **Duties in the Event of Accident, Claim, Suit or Loss** is changed by adding the following:

- a. You or any other involved "insured" must promptly send us copies of the legal papers if a "suit" is brought;
- b. You and any other involved "insured" must cooperate with us in the investigation, settlement or defense of the claim or "suit". Cooperation includes, but is not limited to, identifying all parties who may be responsible for the accident and all insurers who may be obligated to provide coverage; and
- c. A person seeking Underinsured Motorist Coverage must also promptly notify us in writing of a tentative settlement between the "insured" and the insurer of the "underinsured motor vehicle", and allow us 30 days to advance payment to that "insured" in an amount equal to the tentative settlement to preserve our rights against the person(s) or organization(s) who may be legally responsible for the "accident", or the insurer, owner or operator of such "underinsured motor vehicle".

3. **Transfer of Rights of Recovery Against Others To Us** is changed by adding the following:

- a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.
- b. Our rights do not apply under this provision if we:
  - (1) Have been given prompt written notice of a tentative settlement between an "insured" and the insurer of the "underinsured motor vehicle"; and
  - (2) Fail to advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after receipt of such notification.

If we advance payment to the "insured" in an amount equal to the tentative settlement within 30 days after notification:

  - (a) That payment will be separate from any amount the "insured" is entitled to recover under the provisions of this coverage; and

(b) We also have the right to recover the advance payment from the insured or the owner or operator of the "underinsured motor vehicle".

c. If we make a payment because the insurer of the "underinsured motor vehicle" is or becomes insolvent, the **Transfer of Rights of Recovery Against Others To Us** Condition does not apply to any rights of recovery against:

- (1) The Indiana Guaranty Fund; or
- (2) The insured of the insolvent insurer, except in amounts that exceed the limit of liability of the Coverage Form or policy that was issued by that insolvent insurer.

#### 4. Legal Action Against Us

No lawsuit or action whatsoever or any proceeding in arbitration shall be brought against us for the recovery of any claim under the provisions of the Underinsured Motorist Coverage of this coverage form unless the "insured" has satisfied all of the things that "insured" is required to do under this endorsement. Any claim or suit for Underinsured Motorist Coverage must be brought within two (2) years from the date of the accident.

5. The following Condition is added:

#### ARBITRATION

- a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or operator of an "underinsured motor vehicle" or do not agree as to the amount of damages that are recoverable by that "insured" then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
- b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration proce-

dures and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to:

(1) Whether the "insured" is legally entitled to recover damages from a party responsible for the "accident"; and

(2) The amount of damages.

This applies only if the amount does not exceed the minimum limit for liability specified by the financial responsibility law of Indiana. If the amount exceeds that limit, either party may demand the right to a trial. This demand must be made in 60 days of the arbitrators' decision. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

- b.** Reduced by payments to others injured in the "accident" to an amount which is less than the Limit of Insurance under this endorsement.

However, "underinsured motor vehicle" does not include any "motor vehicle":

- a.** Owned or operated by a self insurer under any applicable motor vehicle

law, except a self insurer who is or becomes insolvent and can not provide the amounts required by that motor vehicle law.

- b.** Owned by a governmental unit or agency.

## INDIANA - UNINSURED AND UNDERINSURED MOTORIST PROTECTION SELECTION/REJECTION FORM

Indiana law permits you to make certain decisions regarding Uninsured Motorist Coverage and Underinsured Motorist Coverage. This document briefly describes these coverages and the options available. You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured Motorist Coverage or Underinsured Motorist Coverage and your options with respect to these coverages. This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

In accordance with the Indiana law, automobile liability policies may make available Uninsured and Underinsured Motorist Coverage limits equal to the Bodily Injury Liability limits of the policy to which the coverage attaches and to Property Damage Liability equal to the financial responsibility limits for the state of Indiana. Uninsured Motorist Property Damage coverage is available only if you purchase Uninsured Motorist Bodily Injury coverage. You may, however, reject Bodily Injury Liability. A named insured has the right to reject Uninsured Motorist and Underinsured Motorist Coverage on behalf of all other named insureds, all other insureds, and all other persons entitled to coverage under the policy. A rejection of coverage applies to all subsequent policy renewals or replacements. If a named insured rejects Uninsured Motorist Coverage or Underinsured Motorist Coverage in the underlying policy, the rejection also applies to an umbrella or excess liability policy.

If you elect to purchase Uninsured Motorist Bodily Injury coverage, you also may choose to purchase Uninsured Motorist Property Damage coverage. You may also reject Uninsured Motorists Property Damage entirely. This is our offer to you of your Uninsured Motorist and Underinsured Motorist Coverage options.

  - a. "Bodily injury" sustained by the "insured" and caused by an "accident" with an "uninsured motor vehicle"; or
  - b. "Property damage" caused by an "accident" with an "uninsured motor vehicle" if the Schedule or the Declarations indicates that both "bodily injury" and "property damage" Uninsured Motorist Coverage apply.

The owner's or operator's liability for these damages must result from the ownership, maintenance or use of the "uninsured motor vehicle".

#### B. Who is an Insured

  - c. Any natural person, but only for injuries that occur while "occupying" a covered "auto" or a temporary substitute for such covered "auto". In such case, the covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

- d. Any natural person, but only for damages he or she is entitled to recover because of "bodily injury" sustained by an "insured" described in Paragraphs **B.1.a.**, **b.** or **c.**
  - e. Anyone else "occupying" an "auto" you do not own who is an "insured" for Liability under the Coverage Form, but only at times when the person is an "insured" for Liability under the Coverage Form.
2. If an entity other than a natural person is listed as a Named Insured on this endorsement, the following persons are "insureds":
    - a. Any natural person, but only for injuries that occur while "occupying" a covered "auto" or a temporary substitute for such covered "auto". In such case, the covered "auto" must be out of service because of its breakdown, repair, servicing, "loss" or destruction.

  5. "Property damage" to an "auto" or to property contained in an "auto" owned by you which is not a covered "auto".
  6. "Bodily injury" suffered by any "insured" while operating or "occupying" a "motor vehicle" without a reasonable belief they are entitled to do so. Under no circumstances will an "insured" whose license has been suspended, revoked or never issued be held to have a reasonable belief they are entitled to operate a "motor vehicle".
  7. "Property damage" for which the "insured" has been or is entitled to be compensated by other property or physical damage insurance.
  8. The first \$300 of the amount of "property damage" to the property of each "insured" as the result of any one "accident". This exclusion does not apply if your covered "auto" is legally parked and unoccupied when involved in an "accident" with an "uninsured motor vehicle".

  10. Punitive or exemplary damages.

1. Any claim settled with the person(s) or organization(s) legally responsible for the "accident" or the insurer or legal representative of such person(s) or organization(s) without our consent.

#### D. Limit of Insurance

1. Regardless of the number of policies, covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for all damages, including damages claimed by any person or organization for care, loss of services, or death due to and arising out of any one "accident" is the limit of **Uninsured Mo-**

**torist Coverage** shown in the Schedule or the Declarations.

2. The limit of insurance provided in this endorsement shall be reduced by all sums available for payment to the "insured" for "bodily injury" under all liability bonds or policies covering person or organizations legally liable for the "accident".
3. Any amount payable for damages under this coverage shall be reduced by all sums paid or payable under any workers' compensation, personal injury protection benefits, disability benefits, pension statutes, or similar laws.
4. No one will be entitled to receive duplicate payments for the same elements of "loss" under this endorsement or any Liability Coverage Form.

We will not make a duplicate payment under this endorsement for any element of "loss" for which payment has been made by or for anyone who is legally responsible.

We will not pay for any element of "loss" if a person is entitled to receive payment for the same element of "loss" under any workers' compensation, disability benefits, or similar laws, including medical payments made under any statute.

5. We will not pay for a "loss" which is paid or payable under Physical Damage Coverage.
6. No "insured" shall recover duplicate payments for the same elements of "loss" or payments in excess of damages sustained.

#### E. Changes in Conditions

The **Conditions** for **Indiana Uninsured Motorist Coverage** are changed as follows:

1. **Other Insurance Condition** in the Business Auto and Garage Coverage Forms changed as follows:

If there is other applicable insurance available under one or more policies or provisions of coverage, the following priorities of coverage apply:

<b>FIRST PRIORITY</b>	The Uninsured Motorist Coverage applicable to the vehicle the "insured" was "occupying" at the time of the "accident".
<b>SECOND PRIORITY</b>	Any other Coverage Form or policy affording Uninsured Motorist Coverage to the "insured".

- a. The Limit of Insurance for the "motor vehicle" the "insured" was "occupying" under the Coverage Form or policy in the first priority shall first be exhausted.

- b. The maximum recovery for damages under all Coverage Forms or policies may equal but shall not exceed the highest applicable limit for any one "motor vehicle" under any insurance providing coverage on either a first or second priority basis.
- c. We will pay only our share of the "loss". Our share is the proportion that our limit of insurance bears to the total of all limits applicable to the same level of priority.

#### 2. **Transfer of Rights of Recovery Against Others to Us** is changed by adding the following:

- a. If we make any payment and the "insured" recovers from another party, the "insured" shall hold the proceeds in trust for us and pay us back the amount we have paid.
- b. If we make a payment because the insurer of the "uninsured motor vehicle" is or becomes insolvent, the **Transfer of Rights of Recovery Against Others to Us** Condition does not apply to any rights of recovery against:
  - (1) The Indiana Guaranty Fund; or
  - (2) The "insured" of the insolvent insurer, except in amounts that exceed the limit of liability of the Coverage Form or policy that was issued by that insolvent insurer.

#### 3. **Duties in the Event of Accident, Claim, Suit or Loss** is changed by adding the following:

- a. You or any other involved "insured" must promptly notify the police if a hit-and-run driver is involved;
- b. You or any other involved "insured" must promptly send us copies of the legal papers if a "suit" is brought; and
- c. You and any other involved "insured" must cooperate with us in the investigation, settlement or defense of any claim or "suit". Cooperation includes, but is not limited to, identifying all parties who may be responsible for the accident and all insurers who may be obligated to provide coverage.

#### 4. **Legal Action Against Us**

No lawsuit or action whatsoever or any proceeding in arbitration shall be brought against us for the recovery of any claim under the provisions of the Uninsured Motorist Coverage of this Coverage Form unless the "insured" has satisfied all of the things that

"insured" is required to do under this endorsement. Any claim or suit for Uninsured Motorist Coverage must be brought within two (2) years from the date of the "accident".

5. The following Condition is added:

#### **ARBITRATION**

a. If we and an "insured" disagree whether the "insured" is legally entitled to recover damages from the owner or operator of an "uninsured motor vehicle" or do not agree as to the amount of damages that is recoverable by that "insured" then the matter may be arbitrated. However, disputes concerning coverage under this endorsement may not be arbitrated. Both parties must agree to arbitration. If so agreed, each party will select an arbitrator. The two arbitrators will select a third. If they cannot agree within 30 days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.

b. Unless both parties agree otherwise, arbitration will take place in the county in which the "insured" lives. Local rules of law as to arbitration procedure and evidence will apply. A decision agreed to by two of the arbitrators will be binding as to:

- (1) Whether the "insured" is legally entitled to recover damages; and
- (2) The amount of damages. This applies only if the amount does not exceed the minimum limit for liability specified by the financial responsibility law of Indiana. If the amount exceeds that limit, either party may demand the right to a trial. This demand must be made within 60 days of the arbitrators' decision. If this demand is not made, the amount of damages agreed to by the arbitrators will be binding.

#### **F. Additional Definitions**

As used on this endorsement:

1. "Family member" means a natural person who is related to and is a resident of the same household as a natural person shown as a Named Insured in this endorsement. Such relation may be by blood, marriage or adoption, and may include a ward or foster child.

2. "Motor vehicle" means a self-propelled vehicle designed for use and principally used on public roads, including an automobile, truck, semi-tractor, motorcycle and bus. "Motor vehicle" also includes a motor home, provided the motor home is not stationary and is not being used as a temporary or permanent residence or office. "Motor vehicle" does not include a trolley, streetcar, "trailer", railroad engine, railroad car, motorized bicycle, golf cart, off-road recreational vehicle, snowmobile, fork lift, aircraft, watercraft, construction equipment, farm tractor or other vehicle designed and principally used for agricultural purposes, mobile home, vehicle traveling on treads or rails, or any similar vehicle.

However, "property damage" does not include loss of use of damaged or destroyed property. This definition replaces the definition in the Policy.

6. "Uninsured motor vehicle" means a land "motor vehicle" or "trailer":

- a. For which no liability bond or policy applies at the time of an "accident" provides at least the amounts required by the financial responsibility law of Indiana;
- b. For which an insuring or bonding company denies coverage or is or becomes insolvent; or
- c. Which is a hit-and-run "motor vehicle" and neither the operator nor owner can be identified. A hit and run vehicle is one that causes "bodily injury" to an "insured" by hitting the "insured", a covered "auto" or a "motor vehicle" an "insured" is "occupying".

We will only accept convincing evidence which may include the testimony, under oath, of a person making claim under this or similar coverage.

However, "uninsured motor vehicle" does not include any "motor vehicle":

- a.** Owned or operated by a self-insurer under any applicable motor vehicle law, except a self-insurer who is or becomes insolvent and cannot provide the amounts required by that motor vehicle law.
- b.** Owned by a governmental unit or agency.
- c.** Designed for use mainly off public roads while not on public roads.
- d.** Owned by or furnished or available for your regular use or that of any "family member" or any other "insured".

## COMMERCIAL UMBRELLA LIABILITY COVERAGE FORM

Various provisions in this Coverage Part restrict this insurance. Read the entire Coverage Part carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Part the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this Coverage Part. The words "we", "us" and "our" refer to the Company providing this insurance.

The word "insured" means any person or organization qualifying as such under **SECTION II - WHO IS AN INSURED**.

Other words and phrases that appear in quotation marks have special meaning. Refer to **SECTION V - DEFINITIONS**.

### SECTION I - COVERAGE

  - a. Which is in excess of the "underlying insurance"; or
  - b. Which is either excluded or not insured by "underlying insurance".
2. This insurance applies to "bodily injury", "personal and advertising injury" or "property damage" only if:
  - a. The "bodily injury", "personal and advertising injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory"; and
  - b. The "bodily injury" or "property damage" occurs during the policy period shown in the Declarations; or
  - c. The "personal and advertising injury" results from an "occurrence" that takes place during the policy period shown in the Declarations; and
  - d. Prior to the "coverage term" in which "bodily injury" or "property damage" occurs, or a "personal and advertising injury" offense is committed, you did not know, per Paragraph 5. below, that the "bodily injury" or "property damage" had occurred or had begun to occur, in whole or in part, or

that the "personal and advertising injury" offense had been committed or had begun to be committed, in whole or in part.

3. "Bodily injury" or "property damage" which:
  - a. Occurs during the "coverage term"; and
  - b. Was not, prior to the "coverage term", known by you, per Paragraph 5. below, to have occurred;includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the "coverage term" in which it first became known by you.
4. "Personal and advertising injury" caused by an offense which:
  - a. Was committed during the "coverage term"; and
  - b. Was not, prior to the "coverage term", known by you, per Paragraph 5. below, to have been committed;includes any continuation, change or resumption of that "personal and advertising injury" offense after the end of the "coverage term" in which it first became known by you.
5. You will be deemed to know that "bodily injury" or "property damage" has occurred, or that a "personal and advertising injury" offense has been committed at the earliest time when any "authorized representative":
  - a. Reports all, or any part, of the "bodily injury", "personal and advertising injury" or "property damage" to us or any other insurer;
  - b. Receives a written or verbal demand or claim for damages because of the "bodily injury", "personal and advertising injury" or "property damage";
  - c. First observes, or reasonably should have first observed, the "bodily injury" or "property damage", or the offense that caused the "personal and advertising injury";
  - d. Becomes aware, or reasonably should have become aware, by any means, other than as described in c. above, that "bodily injury" or "prop-

erty damage" had occurred or had begun to occur, or that the "personal and advertising injury" offense had been committed or had begun to be committed; or

- e. Becomes aware, or reasonably should have become aware, of a condition from which "bodily injury", "personal and advertising injury" or "property damage" is substantially certain to occur.
6. The amount we will pay for damages is limited as described in **SECTION III - LIMITS OF INSURANCE.**

- (1) That are, or that are contained in any property that is:

- (3) After the "pollutants" or any property in which the "pollutants" are contained are moved from an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion to the place where they are finally delivered, disposed of or abandoned by the insured.

Paragraph (1) above does not apply to "bodily injury" or "property damage" arising from fuels, lubricants, or other operating fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their

behalf in any other fashion or its parts, if:

- (a) The "pollutants" escape, seep, migrate, or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (b) The "bodily injury" or "property damage" does not arise out of the operation of any equipment listed in Paragraphs **f.(2)** and **(3)** of the definition of "mobile equipment".

However, this exception to Paragraph **(1)** does not apply if the fuels, lubricants, or other operating fluids, exhaust gases or other similar "pollutants" are intentionally discharged, dispersed, emitted or released.

Paragraphs **(2)** and **(3)** above do not apply to an "occurrence" that occurs away from premises owned by or rented to an insured with respect to "pollutants" not in or upon an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of an "auto" that an insured owns, hires, borrows, rents, leases, or that is operated on their behalf in any other fashion; and
  - (b) The discharge, dispersal, seepage, migration, release, emission or escape of the "pollutants" is caused directly by such upset, overturn or damage.
- b. Any liability caused by "pollutants" and arising from the operation, maintenance, use, "loading or unloading" of an "auto", for which insurance coverage is excluded by "underlying insurance".

#### **17. Pollutant - Other Than Auto**

- (1) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured.

However, Paragraph **a.(1)** of this exclusion does not apply to the following if such liability is covered by "underlying insurance" listed in the Schedule of Underlying Insurance, but only to the extent insurance is provided at the "underlying limit" specified in the Schedule of Underlying Insurance for the "underlying insurance" listed and subject to all its terms, limitations and conditions:

- (a) "Bodily injury", if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use by the building's occupants or their guests;
- (b) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor, and the owner or lessee of such premises, site or location has been added to your "underlying insurance" as an additional insured with respect to your ongoing operations or "your work" performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
- (c) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

- (2) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

- (3) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for any insured or any person or organization for whom you may be legally responsible;
- (4) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations, if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor.

However, Paragraph **a.(4)** of this exclusion does not apply to the following if such liability is covered by "underlying insurance" listed in the Schedule of Underlying Insurance, but only to the extent insurance is provided at the "underlying limit" specified in the Schedule of Underlying Insurance for the "underlying insurance" listed and subject to all its terms, limitations and conditions:

- (a) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by

such insured, contractor or subcontractor;

- (b) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
- (c) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or

- (5) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations, if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of, "pollutants".

- b. "Personal and advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release, escape or emission of "pollutants" at any time.

- c. Any loss, cost or expense arising out of any:

- (1) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
- (2) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this Paragraph **c.** does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement,

or such claim or "suit" by or on behalf of a governmental authority.

- d. Any liability caused by "pollutants", for which insurance coverage is excluded by "underlying insurance".

**18. Recall of Products, Work or Impaired Property**

Any liability or damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

- a. "Your product";

if such product, work or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

**19. Unauthorized Use of Another's Name or Product**

"Personal and advertising injury" arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatag or any other similar tactics to mislead another's potential customers.

**20. Uninsured / Underinsured Motorist**

Any liability or obligation to any insured or anyone else under any uninsured motorist, underinsured motorist, automobile no-fault or first party personal injury law.

- c. Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

**22. Workers' Compensation**

Any liability or obligation of the insured under any workers' compensation, unemployment compensation, disability benefits or similar law. However, this exclusion does not apply to liability of others assumed by you under an "insured contract" in existence at the time of "occurrence".

**C. Defense and Supplementary Payments**

1. We will have the right and duty to defend the insured against any "suit" seeking damages because of "bodily injury", "personal and advertising injury" or "property damage" to which this insurance applies. We will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "personal and advertising injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result when:
  - a. The applicable limits of the "underlying insurance" and any other insurance have been exhausted by payment of claims; or
  - b. Damages are sought for "bodily injury", "personal and advertising injury" or "property damage" which are not covered by "underlying insurance" or other insurance.
2. Our right and duty to defend ends when the applicable Limits of Insurance, as stated in the Declarations, has been exhausted by payment of claims.
3. We have no duty to investigate, settle or defend any claim or "suit" other than those circumstances described in Paragraph C.1. However, we do have the right to participate in the investigation, settlement or defense of any claim or "suit" to which this insurance applies. If we exercise this right, we will do so at our expense.
4. If there is no underlying insurer or other insurance obligated to do so, we will pay the following when we provide a defense:
  - a. All expenses we incur.
  - b. The cost of bail bonds up to \$3,000. We do not have to furnish these bonds.
  - c. The cost of bonds to appeal a judgment or award in any claim or "suit" we defend and the cost of bonds to

release attachments, but only for bond amounts within the applicable Limits of Insurance. We do not have to furnish these bonds.

- d. Reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including the actual loss of earnings.
  - e. All costs taxed against the insured in the "suit".
5. If there is no underlying insurer obligated to do so, we will pay the following for an "occurrence" to which this insurance applies, even if we have no duty to provide a defense:
- a. Prejudgment interest awarded against the insured on that part of the judgment we become obligated to pay and which falls within the applicable Limit of Insurance. If we make an offer to pay the applicable Limits of Insurance, we will not pay any prejudgment interest based on the period of time after the offer.
  - b. All interest awarded against the insured on the full amount of any judgment that accrues:
    - (1) After entry of the judgment; and
    - (2) Before we have paid, offered to pay or deposited in court the part of the judgment that is within the applicable Limit of Insurance.
6. The payments described in Paragraphs 4. and 5. above will not reduce the Limits of Insurance provided by this Coverage Part when defense or supplementary payments provided by the "underlying insurance" do not reduce their Limits of Insurance. However, when defense or supplementary payments provided by the "underlying insurance" reduce their Limits of Insurance then such expense payments paid by us will reduce the Limits of Insurance provided by this Coverage Part.
7. If we are prevented by law or otherwise from carrying out any of the provisions of **SECTION I - COVERAGE, C. Defense and Supplementary Payments**, we will pay any expense incurred with our written consent.

## SECTION II - WHO IS AN INSURED

This exception does not apply if the "auto" is a trailer or semi-trailer connected to an "auto" you own.
    - (2)** Your "employee", if the "auto" is owned by that "employee" or a member of his or her household, unless:
      - (a)** Such "employee" is an insured with respect to that "auto" in the "underlying insurance" listed in the Schedule of Underlying Insurance, and then only for such hazards for which coverage is provided by such "underlying insurance"; or

- No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture, or limited liability company that is not shown as a Named Insured in the Declarations.

### SECTION III - LIMITS OF INSURANCE

- 1.** The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
  - a.** Insureds;
  - b.** Claims made or "suits" brought; or
  - c.** Persons or organizations making claims or bringing "suits".
- 2.** The Aggregate Limit is the most we will pay for all damages:
  - a.** Included in the "products-completed operations hazard";
  - b.** Because of "bodily injury" by disease sustained by your "employees" arising out of and in the course of their employment by you; or

- c. Because of "bodily injury", "personal and advertising injury" or "property damage" not included within a. or b. above. However, this Aggregate Limit will not apply to damages which are not subject to an Aggregate Limit in the "underlying insurance".

The Aggregate Limit applies separately to a., b. and c. The Aggregate Limit described in c. will apply only to damages not subject to a. or b. above.

3. Subject to the Limit of Insurance described in 2.c. above:

## **POLICYHOLDER DISCLOSURE - NOTICE OF TERRORISM INSURANCE COVERAGE**

You are hereby notified that under the Terrorism Risk Insurance Act (Act), as amended, that you have a right to purchase insurance coverage for losses arising out of certified acts of terrorism. The term "certified act of terrorism" means any act that is certified by the Secretary of the Treasury - in accordance with the provisions of the federal Terrorism Risk Insurance Act - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property; or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that coverage provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided on the policy Declarations page and does not include any charges for the portion of loss covered by the federal government under the act.

### **LIMITATION ON PAYMENT OF TERRORISM LOSSES**

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

If you purchase this coverage on an umbrella policy, you must also purchase this coverage for underlying general liability policies.

In the context of a newly issued policy or renewal offer, this form becomes part of the application for this coverage.

### **You may select terrorism insurance coverage as follows:**

The portion of your annual policy premium that is attributable to coverage for certified acts of terrorism is shown on the declarations page. If you wish to reject this coverage, please read and complete the form below.

### **You may reject terrorism insurance coverage as follows:**

You may elect to decline coverage for certified acts of terrorism. However, if your policy covers property located in a state with a fire following statutory requirement, the terrorism exclusion makes an exception for fire losses to such covered property resulting from certified acts of terrorism. If you choose to decline coverage for certified acts of terrorism, that rejection is not applicable to fire losses to property in those states resulting from certified acts of terrorism, unless excepted by statute or other regulatory means. A separate premium is displayed on the declarations page for coverage for fire losses that result from certified acts of terrorism.

To reject coverage, you must 'X' the box below, sign your name, print your name, date this form and return it to the company within 30 days. If you choose not to reject this coverage, you do not need to return this form.

	I hereby elect to exclude losses arising from certified acts of terrorism and understand that I will have no coverage for losses resulting from certified acts of terrorism. I understand that if I exclude certified acts of terrorism coverage, coverage will not be available until my next renewal.

You are not covered for such losses unless your insurance company has offered you additional terrorism coverage for such losses and you have paid an additional premium for that coverage, if required to do so by the insurance company.

## ATTENTION POLICYHOLDER

### Notice of Premium Audit

When we issue a General Liability or Workers Compensation insurance coverage, we base its premiums on estimated values over the upcoming policy period, such as payroll, sales or the cost of work subcontracted to others. Throughout the policy period, the actual values may fluctuate from the amounts used to estimate the policy premium.

To determine the actual values developed over the policy period, we may conduct a premium audit at the end of the term by way of an accounting records review. This review may be by telephone, mail, or a physical examination of the business's accounting records by a State Auto representative.

Final premiums are then adjusted up or down, based on how the actual values compared to the originally estimated values.

**Here are some suggestions that can help make the premium audit process take as little of your time as possible, yet result in the most accurate calculation of your actual premium:**

1. Before your scheduled appointment with the auditor, have your payroll and sales records ready for review for the policy period being audited.
2. Payroll should include an itemized list of all employees and all labor used, and their payroll including overtime, commissions and bonuses for each job duty performed.
3. Sales include the total gross income from the sale and/or installation of goods you sold.
4. If you hire any subcontractors, be prepared to provide the names and the total cost of labor and materials used or delivered for use in the execution of work done by each contractor.
5. The auditor will also ask to review the liability certificates of insurance for the subcontractors doing work on your behalf.

We recommend you require certificates of insurance from all of your subcontractors and keep them on file. Not only can this practice help protect you from the financial consequences of losses caused by your subcontractors, it can also help you avoid potentially higher premium charges than if this important risk management control were not in place.

By maintaining proper accounting records and providing information as requested during the premium audit, you help to manage your overall insurance costs.

**Please contact your State Auto agent should you have any questions relating to your policy.**

## ATTENTION CONTRACTORS - IT'S TIME TO SAVE!

Protect yourself from needless costs and liabilities. Follow these important steps when working with subcontractors.

**S**afety programs are essential for your subcontractors as well as your own employees.

For the safety of all workers on your job sites, it's essential that subcontractors observe the loss control regulations you've established for your business.

Make sure that the contracts you sign require your subcontractors to comply with all state safety requirements, as well as your own safety standards. The documents should also specify that if subcontractors in turn hire subcontractors, the latter must also comply.

Clearly state your own safety regulations within the contract. Be sure to describe the steps you will take if any subcontractor fails to correct an unsafe condition on the job. This way, everyone knows what's expected -- and what will happen if standards are not met.

**A**greements with your subcontractors on their responsibilities should be entered into before work begins.

Hold-Harmless Agreements are an important form of protection for your business. When written in your favor, these legal documents confirm that your subcontractors will assume liability for Bodily Injury or Property Damage losses arising from their actions -- whether suffered by the public or by another contractor's employees on the job site.

Hold-Harmless Agreements are a vital supplement to Certificates of Insurance. These documents confirm that subcontractors are responsible for their own work -- as well as their own insurance protection. Make sure that both are received before your subcontractors begin their activities. Remember that these documents should certify protection for the full duration of the subcontractor's job.

**V**erify insurance protection is secured by all subcontractors before work begins.

The subcontractors you hire should carry their own General Liability, Automobile Liability and Workers Compensation insurance. Their failure to do so can cost you in two ways:

- ' In many states, subcontractors who do not carry their own coverage are treated as your employees for insurance purposes. (Their employees would also be treated as part of your work force.) This may increase the cost of your General Liability and Workers Compensation insurance.

- ' As general contractor, you may be held responsible for the work of your subcontractors. If they have no insurance, you may have to pay for Bodily Injury or Property Damage losses arising from their actions. State law may also require you to pay for injuries suffered by uninsured subcontractors or their employees, if these injuries occur on your job site.

Help prevent these problems by requiring that all subcontractors supply Certificates of Insurance for General Liability, Auto Liability and Workers Compensation coverages before they start work. File these documents in a secure place -- and check with subcontractors regularly to make certain coverage has not lapsed or been cancelled. Coverage must remain in force for the entire period your subcontractors will be on the job.

While we cannot suggest what limits will be adequate, the following may be used as a guideline. These are the minimum limits required to save you the cost of providing for your Subcontractors' protection under your coverage.

#### **Minimum General Liability Coverage**

- ' \$300,000 Products/Completed Operations Aggregate
- ' \$300,000 General Aggregate
- ' \$300,000 Any One Occurrence (Coverage A)
- ' \$300,000 Any One Person or Organization (Coverage B)

**NOTE:** Your subcontractors' General Liability coverage must be written on an occurrence basis.

IF THE WORK BEING PERFORMED BY SUBCONTRACTORS IS UNUSUALLY HAZARDOUS, YOU SHOULD REQUIRE HIGHER GENERAL LIABILITY LIMITS. Your agent can help you establish the proper limits for greater-than-average exposures.

#### **Minimum Automobile Liability Coverage**

\$300,000 Each Accident

**NOTE:** Your subcontractors' Auto Liability coverage should be written to cover all owned and non-owned autos.

#### **Minimum Employers Liability Coverage**

(Coverage "B" on the Workers Compensation Policy)

\$100,000 Each Accident  
\$100,000 Each Employee for Injury by Disease  
\$500,000 Aggregate for Injury by Disease

**E**

nter each job with the security of knowing you've protected yourself and your subcontractors.

Your agent will be glad to answer any questions you have about protection for you and your subcontractors. We encourage you to take these steps today to protect yourself and those who work for you.

**D. Possibility Of Additional Or Return Premium**

The premium for certified acts of terrorism coverage is calculated based in part on the federal participation in payment of terrorism losses as set forth in the Terrorism Risk Insurance Act. The federal program established by the Act is scheduled to terminate at the end of the year specified in Part I of the Schedule of this endorsement, unless extended by the federal government. If the federal program terminates or if the level or terms of federal participation change, the estimated premium shown in (B) in Part I of the Schedule may not be appropriate.

If this policy contains a Conditional Exclusion, continuation of coverage for certified acts of terrorism, or termination of such coverage, will be determined upon disposition of the federal program, subject to the terms and conditions of the Conditional Exclusion. If this policy does not contain a Conditional Exclusion, coverage for certified acts of terrorism will continue. In either case, when disposition of the federal program is determined, we will recalculate the premium shown in (B) in Part I of the Schedule and will charge additional premium or refund excess premium, if indicated.

If we notify you of an additional premium charge, the additional premium will be due as specified in such notice.

This sublimit is part of, and not in addition to, the Defense and Liability Limit.

**DEDUCTIBLE - SECTION 2**

Defense and Liability coverage is subject to the Defense and Liability Deductible indicated for this endorsement. You will be responsible for such deductible amount as respects each "data compromise suit" covered under this endorsement.

- b. You will not admit liability for or settle any "data compromise suit" or incur any defense costs without our prior written consent.
- c. If you refuse to consent to any settlement recommended by us and acceptable to the claimant, we may then withdraw from your defense (if we have assumed your defense) by tendering control of the defense to you. From that point forward, you will, at your own expense, negotiate or defend such "data compromise suit" independently of us. Our liability will not exceed the amount for which the claim or suit could have been settled if such recommendation had been consented to, plus defense costs incurred by us, and defense costs incurred by you with our written consent, prior to the date of such refusal.
- d. We will not be obligated to pay any damages or defense costs, or to defend or continue to defend any "data compromise suit" after the Data Compromise Defense and Liability Limit has been exhausted.

- 1) after entry of judgment; and
  - 2) before we pay, offer to pay or deposit in court that part of the judgment within the Data Compromise Defense and Liability Limit or, in any case, before we pay or offer to pay the entire Data Compromise Defense and Liability Limit.

These interest payments shall be in addition to and not part of the Data Compromise Defense and Liability Limit.

## 2. Duties in the Event of a "Data Compromise Suit"

- a. If a "data compromise suit" is brought against you, you must:
- (1) Immediately record the specifics of the "data compromise suit" and the date received;

  - (3) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "data compromise suit";
  - (4) Authorize us to obtain records and other information;
  - (5) Cooperate with us in the investigation, settlement or defense of the "data compromise suit";

- b. You may not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our prior written consent.
- c. If you become aware of a claim or complaint that may become a "data compromise suit", you will promptly inform us of such claim or complaint.

You must provide the following at our pre-notification consultation with you:

- a. The exact list of "affected individuals" to be notified, including contact information;
- b. Information about the "personal data compromise" that may appropriately be communicated with "affected individuals"; and
- c. The scope of services that you desire for the "affected individuals". For example, coverage may be structured to provide fewer services in order to make those services available to more "affected individuals" without exceeding the available Response Expenses Limit.

## 6. Service Providers

- a. We will only pay under this Data Compromise Plus Coverage for services that are provided by service providers approved by us. You must obtain our prior approval for any service provider whose expenses you want covered under this Data Compromise Plus Coverage. We will not unreasonably withhold such approval.

- b. Prior to the Pre-Notification Consultation described in Additional Condition 5. above, you must come to agreement with us regarding the service provider(s) to be used for the **Notification to "Affected Individuals"** and **Services to "Affected Individuals"**. We will suggest a service provider; however, if you prefer to use an alternate service provider, our coverage is subject to the following limitations:
- (1) Such alternate service provider must be approved by us;
  - (2) Such alternate service provider must provide services that are reasonably equivalent or superior in both kind and quality to the services that would have been provided by the service provider we had suggested; and
  - (3) Our payment for services provided by any alternate service provider will not exceed the amount that we would have paid using the service provider we had suggested.

**7. Services**

The following conditions apply as respects any services provided to you or any "affected individual" by us, our designees or any service firm paid for in whole or in part under this Data Compromise Plus coverage:

- a. The effectiveness of such services depends on your cooperation and assistance;
- b. All services may not be available or applicable to all individuals. For example, "affected individuals" who are minors or foreign nationals may not have credit records that can be provided or monitored. Service in Canada will be different from service in the United States and Puerto Rico in accordance with local conditions;
- c. We do not warrant or guarantee that the services will end or eliminate all problems associated with the covered events; and
- d. You will have a direct relationship with the professional service firms paid for in whole or in part under this coverage. Those firms work for you.

**a. Receipt of Notice of Claim.**

- (1) Not later than the 15th day after the date we receive notice of a claim, we will:
  - (a) acknowledge receipt of the claim;
  - (b) commence any investigation of the claim; and

**d. Delay in Payment of Claim.**

- (1) Except as otherwise provided, if we after receiving all items, statements, and forms reasonably requested and required under Subsection a, delay payment of the claim for a period exceeding the period specified by applicable statutes or, if other statutes do not specify a period, for more than 60 days, we will pay damages and other items as provided by Texas Insurance Code Section 542.060.

(2) Subsection d.(1) does not apply in a case in which it is found as a result of arbitration or litigation that a claim received by us is invalid and should not be paid by us.

This definition is subject to the following provisions:
  - a. "Affected individual" does not include any business or organization. Only an individual person may be an "affected individual";

  - c. An "affected individual" may reside anywhere in the world.
2. "Data Compromise Defense Costs" means expenses resulting solely from the investigation, defense and appeal of any "data compromise suit" against you. Such expenses must be reasonable and necessary. They will be incurred by us. They do not include your salaries or your loss of earnings. They do include premiums for any appeal bond, attachment bond or similar bond, but we have no obligation to apply for or furnish any such bond.

  - a. "Data compromise liability" means the following, when they arise from a "data compromise suit":
    - 1) Damages, judgments or settlements to "affected individuals";

"Data Compromise Suit" means a civil proceeding in which damages to one or more "affected individuals" arising from a "personal data compromise" or the violation of a governmental statute or regulation are alleged. Such proceeding must be brought in the United States of America, Puerto Rico or Canada. "Data compromise suit" includes:
    - 1) An arbitration proceeding in which such damages are claimed, and to which you must submit or do submit with our consent;
    - 2) Any other alternative dispute resolution proceeding in which such damages are claimed, and to which you submit with our consent; or
    - 3) A written demand for money, when such demand could reasonably result in a civil proceeding as described in this definition.

  - 1) Your director or officer;
  - 2) Your owner or part-owner; or
  - 3) A holder of your securities;
 in their capacity as such, whether directly, derivatively, or by class action. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

##### **4. Other Insurance**

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

**a. Primary Insurance**

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

**b. Excess Insurance**

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** - Coverage **A** - Bodily Injury And Property Damage Liability.

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

**5. Premium Audit**

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

**6. Representations**

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

**7. Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

## 8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

## 9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

The definition of "insured contract" in the **Definitions** section is replaced by the following:

"Insured contract" means:

- a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";

- f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. However, such part of a contract or agreement shall only be considered an "insured contract" to the extent your assumption of the tort liability is permitted by law. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph f. does not include that part of any contract or agreement:

  - (2)** Assumed by you in a contract or agreement that is an "insured contract", provided that the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement.     - b.** This insurance applies to such liability assumed by you;
    - c.** The obligation to defend, or the cost of the defense of, that indemnitee has also been assumed by you in the same "insured contract";

    - e.** You and the indemnitee ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend you and the indemnitee; and
- C.** The following replaces the last sentence of Paragraph **2.** of SUPPLEMENTARY PAYMENTS - COVERAGES A AND B of SECTION **I** - COVERAGES:
- Our obligation to defend your indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:
- a.** We have used up the applicable limit of insurance in the payment of judgments, settlements, medical expenses; or

1. The provisions of this endorsement become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.
  - a. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Part or Policy; or
  - b. A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:
    - (1) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or
    - (2) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or
    - (3) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

### 2. If the provisions of this endorsement become applicable, such provisions:

- a. Supersede any terrorism endorsement already endorsed to this policy that addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to an incident(s) of terrorism (however defined) which results in injury or damage that occurs on or after the date when the provisions of this endorsement become applicable (for claims made policies, such an endorsement is superseded only with respect to an incident of terrorism (however defined) that results in a claim for injury or damage first being made on or after the date when the provisions of this endorsement become applicable); and
- b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.

### 3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.

**EXCLUSION OF TERRORISM**

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism".

- 4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials.

2. If the provisions of this endorsement become applicable, such provisions:

a. Supersede any terrorism endorsement already endorsed to this policy that

addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to an incident(s) of terrorism (however defined) which results in injury or damage that occurs on or after the date when the provisions of this endorsement become applicable (for claims made policies, such an endorsement is superseded only with respect to an incident of terrorism (however defined) that results in a claim for injury or damage first being made on or after the date when the provisions of this endorsement become applicable); and

b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.

3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.

**B. The following definitions are added and apply under this endorsement wherever the term terrorism or the phrase any injury or damage, are enclosed in quotation marks:**

1. "Terrorism" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

(1) Use or threat of force or violence; or

(2) Commission or threat of a dangerous act; or

(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or both of the following applies:

- (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

- (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. "Any injury or damage" means any injury or damage covered under any Coverage Part or Policy to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or Policy.

**C. The following exclusion is added:**

**EXCLUSION OF TERRORISM**

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury or damage" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
2. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
3. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

5. The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

6. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

- a. Physical injury that involves a substantial risk of death; or
- b. Protracted and obvious physical disfigurement; or
- c. Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraphs **C.5.** or **C.6.** are exceeded.

With respect to this Exclusion, Paragraphs **C.5.** and **C.6.** describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Part or Policy.

In the event of any incident of "terrorism" that is not subject to this Exclusion, coverage does not apply to "any injury or damage" that is otherwise excluded under this Coverage Part or Policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

If aggregate insured losses attributable to terrorist acts certified under the federal Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

**Federal share of terrorism losses** 80 % Year: 20 20

(Refer to Paragraph B. in this endorsement.)

**NOTE:** The premium above is for certain losses resulting from certified acts of terrorism as covered pursuant to coverage provisions, limitations and exclusions in this policy. You should read the definition in your policy carefully, but generally speaking, "certified" acts of terrorism are acts that exceed \$5 million in aggregate losses to the insurance industry and which are subsequently declared by the U.S. Secretary of the Treasury as a certified terrorist act under the Terrorism Risk Insurance Act. Some losses resulting from certified acts of terrorism are not covered. Read your policy and endorsements carefully.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

**A. Disclosure Of Premium**

In accordance with the federal Terrorism Risk Insurance Act, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to coverage for terrorist acts certified under that Act. The portion of your premium attributable to such coverage is shown in the Schedule of this endorsement or in the policy Declarations.

**B. Disclosure Of Federal Participation In Payment Of Terrorism Losses**

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals a percentage (as shown in Part II of the Schedule of this endorsement or in the policy Declarations) of that portion of the amount of such insured losses that exceeds the applicable insurer retention. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

**C. Cap On Insurer Participation In Payment Of Terrorism Losses**

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

**D. Possibility Of Additional Or Return Premium**

The premium for certified acts of terrorism coverage is calculated based in part on the federal participation in payment of terrorism losses as set forth in the Terrorism Risk Insurance Act. The federal program established by the Act is scheduled to terminate at the end of the year specified in Part I of the Schedule of this endorsement, unless extended by the federal government. If the federal program terminates or if the level or terms of federal participation change, the estimated premium shown in (B) in Part I of the Schedule may not be appropriate.

If this policy contains a Conditional Exclusion, continuation of coverage for certified acts of terrorism, or termination of such coverage, will be determined upon disposition of the federal program, subject to the terms and conditions of the Conditional Exclusion. If this policy does not contain a Conditional Exclusion, coverage for certified acts of terrorism will continue. In either case, when disposition of the federal program is determined, we will recalculate the premium shown in (B) in Part I of the Schedule and will charge additional premium or refund excess premium, if indicated.

If we notify you of an additional premium charge, the additional premium will be due as specified in such notice.

The word "insured" means any person or organization qualifying as such under Section III - Who Is An Insured. Other words and phrases that appear in quotation marks have special meaning. Refer to Section VI - Definitions.

### Section I Insuring Agreements

In consideration of the payment of premium and in reliance upon representations you made to us during the process of obtaining this insurance and subject to the Limit of Insurance shown in the Declarations, and all the exclusions, terms and conditions of this policy, we agree with you as follows:

#### Coverage A Bodily Injury And Property Damage Liability

##### 1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "bodily injury" or "property damage" to which this insurance applies. We will have the right to associate with the "underlying insurer" and the insured to defend against any "suit" seeking those damages. But:
  - (1) The amount we will pay for "ultimate net loss" is limited as described in Section IV - Limit Of Insurance;
  - (2) At our discretion, we may investigate any "occurrence" and settle any resulting "claim" or "suit";
  - (3) We have a right and duty to defend the insured against any "suits" to which this insurance applies:
    - (a) But which are not covered by any "underlying insurance" shown in the Declarations or by any other primary policies that may apply; or
    - (b) If the applicable limit of "underlying insurance" is exhausted.

However, we will have no duty to defend the insured against any "suits" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply; and
  - (4) Both our right and duty to defend any existing or future "suits" end when we have exhausted the applicable Limit of Insurance in payment of judgments or settlements under Coverages A and B.

No other obligation or liability to pay or perform acts or services is covered unless explicitly provided for under Section II - Defense.
- b. This insurance applies to "bodily injury" or "property damage" which may be subject to an applicable "retained limit" when shown in the Declarations. If any other limit, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "bodily injury" or "property damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of Underlying Insurance.
- c. It is agreed that this insurance only applies if:
  - (1) The "bodily injury" or "property damage" occurs during the policy period of this policy;
  - (2) With respect to your liability (other than under a contract) for "bodily injury" to your "employees" arising out of and in the course of their employment by you:
    - (a) Any "bodily injury" by disease is caused or aggravated by the conditions of that employment; and
    - (b) An "employee's" last day of last exposure to conditions causing or aggravating such disease occurs during the policy period of this policy; and
  - (3) The "bodily injury" or "property damage" is caused by an "occurrence", and such "occurrence" takes place in the "coverage territory".
  - (4) Prior to the policy period, no insured listed under Paragraph 1. of Section III - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- d. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section III - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- e. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section III - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
  - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

## 2. Exclusions

- (2) "Bodily injury" to any person in work subject to the Federal Employers' Liability Act (45 USC Sections 51-60), any other federal laws obligating an employer to pay damages to an "employee" due to "bodily injury" arising out of or in the course of employment, or any amendments to those laws;

- (9) "Defense expense" for allegations of an employer's intentional injury to employees that results in "bodily injury" whether or not the Ohio Employers Intentional Injury Defense Expense is written as "underlying insurance".

This exclusion **d.** applies whether the insured may be held liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of such injury.

With respect to your liability (other than under a contract or agreement) for "bodily injury" to your "employees" arising out of and in the course of their employment by you, exclusions **f.**, **g.**, and **h.** do not apply.

**e. Employment-related Practices**

**f. Pollution:**

- (1) "Bodily injury" or "property damage" which would not have occurred in whole or part but for the actual, alleged or threatened discharge, seepage, migration, dispersal, release or escape of "pollutants":
  - (a) That are, or ever were, contained in any property that is, or ever was:
    - (i) Being transported or towed by, handled, or handled for movement into, onto or from any "auto";
    - (ii) Otherwise in the course of transit by or on behalf of the insured; or
    - (iii) Being stored, disposed of, treated or processed in or upon any "auto";
  - (b) At or from any premises, site or location which is or was at any time, owned or occupied by, or rented or loaned to, any insured. However, this subparagraph **f.1.(b)** does not apply to:
    - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests.
    - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your applicable "underlying insurance" as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than the additional insured; or

  - (i) Any insured; or
  - (ii) Any person or organization for whom you may be legally responsible; or
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph **f.(1)(e)** does not apply to:
  - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment", any "auto" covered by applicable "underlying insurance" or the parts of either, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

However, this paragraph (2) does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

Subparagraph (a) of part (1) of this exclusion **f.** does not apply if any applicable "underlying insurance" shown in the Schedule of Underlying Insurance provides coverage at the full limits of liability shown therein for such losses as are described in subparagraph (a) of part (1) for any "autos" involved in such operations.

- (3) Exceptions:
  - (a) Paragraphs **f.(1)(c)** through **f.(1)(f)** of this exclusion do not apply to pollutants that are not in or upon a "covered auto" if:

5. Our obligation to defend your indemnitee and to pay for attorneys' fees and necessary litigation expenses under Section II - Defense ends when:
  - a.** We have used up the applicable limit of insurance in the payment of judgments or settlements; or

- (2) Coverage is applicable only in excess of the Limits of "underlying insurance" as shown in the Declarations, and you must add such organization to your "underlying insurance" as soon as practicable, advising us of such additions. We may then make adjustment of premium charges as called for in Condition 9 - Maintenance of Underlying Insurance;
- (3) Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

(4) Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, or joint venture that is not shown as a named insured in the Declarations.

2. Only with respect to liability arising out of the ownership, maintenance or use of "covered autos":

a. You are an insured.

b. Anyone else while using a "covered auto" you own, hire or borrow with your permission is also an insured except:

(1) The owner or anyone else from whom you hire or borrow a "covered auto". This exception does not apply if the "covered auto" is a trailer or semitrailer connected to a "covered auto" you own.

(2) Your "employee" if the "covered auto" is owned by that "employee" or a member of his or her household.

(3) A partner (if you are a partnership), or a member (if you are a limited liability company) for a "covered auto" owned by him or her or a member of his or her household.

(4) Someone using a "covered auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

(5) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company), or a lessee or borrower or any of their "employees", while moving property to or from a "covered auto".

(6) "Employees with respect to "bodily injury" to:

(a) Any fellow "employee" of the insured arising out of and in the course of the fellow "employee's" employment or while performing duties related to the conduct of your business; or

(b) The spouse, child, parent, brother or sister of that fellow "employee" as a consequence of Paragraph (a) above.

(7) "Property damage" to property owned by the employer of any person who is an insured under this provision.

However, paragraphs **b. (2)** and **b. (3)** do not apply if:

(1) Insurance is afforded to the owner for such "covered auto" by "underlying insurance", or would be afforded under such "underlying insurance" but for exhaustion of such policy's limits of insurance; or

(2) Such "covered auto" is a trailer connected to a "covered auto" you own.

c. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the "covered auto".

3. Any additional insured under any policy of "underlying insurance" will automatically be an insured under this insurance.

Subject to Section IV - Limits Of Insurance, if coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured will not exceed either the:

a. Minimum limit of insurance you agreed to provide, less any amounts payable by any "underlying insurance"; or

b. Available under the applicable Limits of Insurance available under this policy; whichever is less,

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "underlying insurance".

#### **Section IV Limits Of Insurance**

1. The Policy Aggregate Limit shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. "Claims" made or "suits" brought, or number of vehicles involved; or

c. Persons or organizations making "claims" or bringing "suits".

2. The Policy Aggregate Limit is the most we will pay for:

a. The sum of all "ultimate net loss" under Coverage **A** and Coverage **B** combined, except "ultimate net loss" because of "bodily injury" and "property damage" arising from the "automobile hazard"; and

b. Each "occurrence" with regard to "ultimate net loss" because of injury and damage arising from the "automobile hazard".

3. If the Policy Aggregate Limit is paid prior to this policy's termination date for losses other than losses arising from the "automobile hazard", this policy's premium is fully earned.

4. If there is "underlying insurance" with a policy period that is non-concurrent with the policy period of this Commercial Umbrella Coverage Form, the "retained limit(s)" will only be reduced or exhausted by payments for:

a. **"Bodily injury" or "property damage" which occurs during the policy period of this Coverage Form; or**

**b. "Personal and advertising injury" for offenses that are committed during the policy period of this Coverage Form.**

However, if any "underlying insurance" is written on a claims-made basis, the "retained limit(s)" will only be reduced or exhausted by claims for that insurance that are made during the policy period, or any Extended Reporting Period, of this Coverage Form.

5. The Policy Aggregate Limit applies separately to each consecutive annual period, and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limit of Insurance.

**Section V Conditions**

1. **Appeals.** In the event the insured or any "underlying insurer" elects not to appeal a judgment for damages covered by this policy and which exceeds the "retained limit", we may elect, but have no duty, to do so. We shall be liable, in addition to the Limit of Insurance, for all costs and expenses incurred and interest on judgments incidental to such an appeal and for all such costs, expenses and interest on appeals in connection with our right and duty to defend the insured under this policy.
2. **Bankruptcy.** Bankruptcy, insolvency, or receivership of the insured, the insured's estate or of any "underlying insurer" will not relieve us of our obligations under this policy. With regard to bankruptcy, insolvency, or receivership of any "underlying insurer", this policy shall not apply as a replacement of such bankrupt or insolvent insurer and our Limits of Insurance will apply only in excess of the required Limit(s) of Insurance stated in the Declarations of this policy.
3. **Cancellation.**
  - a. The first named insured shown in the Declarations may cancel this policy by delivering it to us or any of our authorized agents or by sending us written notice stating when the future cancellation will take effect. Cancellation will become effective the date of delivery of the policy to us or upon such future date requested by the first named insured.
  - b. We may cancel this policy by mailing or delivering to the first named insured written notice of cancellation at least:
    - (1) Ten (10) days before the effective date of cancellation if we cancel because of nonpayment of premium whether payable directly to us or payable to our agents or others under any installment payment plan, premium finance plan, extension of credit or other payment plan; or
    - (2) Thirty (30) days before the effective date of cancellation if we cancel for any other reason.
  - c. We will mail or deliver our notice to the first named insured's last mailing address known to us.
  - d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
  - e. If this policy is canceled, we will send the first named insured any premium refund due. If we or the first named insured cancel, the refund will be pro rata. The cancellation will be effective even if we have not made or offered any refund of unearned premium.
  - f. If notice is mailed, proof of mailing will be sufficient proof of notice.
4. **Changes.** This policy contains all the agreements between you and us concerning the insurance afforded. The first named insured shown in the Declarations is authorized to make changes in the terms of this policy upon our giving written consent. This policy's terms can be amended or waived only by endorsement to this policy issued by us and made a part of this policy.
5. **Duties In The Event Of Occurrence, Offense, Claim Or Suit.**
  - a. You must see to it that we or our authorized representative are notified as soon as practicable of an "occurrence" or an offense which may result in a "claim". To the extent possible, notice should include:
    - (1) How, when, and where the "occurrence" or alleged offense took place;
    - (2) The insured's name and address;
    - (3) The names and addresses of any injured persons or witnesses; and
    - (4) The nature and location of any injury or damage arising out of the "occurrence" or offense.
 Notice of an "occurrence" or an offense is not notice of a "claim".
  - b. If a "claim" is made or "suit" is brought against any insured, you must:
    - (1) Immediately record the specifics of the "claim" or "suit" and the date received; and
    - (2) Notify us as soon as practicable.
 You must see to it that we also receive written notice of the "claim" or "suit" as soon as practicable.
  - c. You and any other insured involved in such "claim" or "suit" must:
    - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
    - (2) Authorize us to obtain records and other information;
    - (3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and

- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.
- e. No insureds shall in any way jeopardize our rights after an "occurrence" or offense.
6. **Examination of Your Books and Records.** We may examine and audit your books and records as they relate to this policy at any time during the policy period set forth in the Declarations and up to three years afterward.
7. **Inspection and Surveys.**
- a. We have the right but are not obligated to:
- (1) Make inspections and surveys at any time;
  - (2) Give you reports on the conditions we find; and
  - (3) Recommend changes to such conditions.
- b. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. We also do not warrant that conditions:
- (1) Are safe or healthful; or
  - (2) Comply with laws, regulations, codes or standards.
- c. This condition applies not only to us, but also to any rating, advisory, rate service or similar organization which makes insurance inspections, surveys, reports or recommendations on our behalf.
8. **Legal Action Against Us.**
- a. No person or organization has a right under this policy:
- (1) To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
  - (2) To sue us under this policy unless all of its terms have been fully complied with.
- b. A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this policy or that are in excess of the applicable Limit of Insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.
9. **Maintenance of Underlying Insurance.**
- a. You must keep the "underlying insurance" listed in the Schedule of "underlying insurance" in the Declarations, or renewal or replacement policies not more restrictive in their terms and conditions, in full force and effect throughout the policy period of this insurance. The Limits of Insurance must be maintained in full effect without reduction of limits except for reduction of the aggregate limit due to payment of claims, settlement or judgments to which this insurance applies. You must also notify us in writing, within 30 days of any termination of any policy of "underlying insurance", or replacement of any policy of "underlying insurance".
- b. You must notify us in writing, within 30 days of any changes to the terms or limits of any "underlying insurance" policies. We may adjust premium charges under this policy from the effective date of such changes to the terms of any "underlying insurance".
- c. Your failure to comply with the foregoing paragraphs 9.a. and 9.b. will not invalidate this policy, but in the event of such failure, we shall be liable under this policy only to the extent that we would have been liable had you complied with these obligations.
10. **Other Insurance.** If other valid and collectible insurance is available to the insured for "ultimate net loss" we cover under this policy, our obligations under this policy are limited as follows:
- a. This insurance is excess over:
- (1) Any other insurance, whether primary, excess, contingent or on any other basis, except such insurance as is specifically purchased to apply in excess of this policy's Limit of Insurance; and
  - (2) Any other insurance available to the insured, whether primary or excess, covering liability for damages arising out of premises or operations for which you have been added as an additional insured.
- b. We will indemnify only our share of the amount of "ultimate net loss", if any, that exceeds the sum of:
- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
  - (2) The total of all deductible and self-insured amounts under this or any other insurance.
- c. We will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all other insurers in accordance with provisions of Condition 16 below.

**11. Premium Audit.**

- a. We will compute all premiums for this policy in accordance with our rules and rates.
- b. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first named insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first named insured, but not if such audit premium is less than the Minimum Premium shown in the Declarations.
- c. The first named insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

**12. Premiums.** The first named insured shown in the Declarations:

- a. Is responsible for the payment of all premiums; and
- b. Will be the payee for any return premiums we pay.

**13. Representations.** By accepting this policy, you agree that:

- a. The information shown on the Declarations is accurate and complete;
- b. The information is based upon representations you made to us in your application(s) for this policy;
- c. We have issued this policy in reliance upon your representations; and
- d. Except as otherwise provided in this policy or by law, this policy is void if you conceal or misrepresent any material facts concerning this policy, in your application for this policy or otherwise.

**14. Separation of Insureds.** Except with respect to the Limit of Insurance, and any rights or duties specifically assigned to the first named insured, this insurance applies:

- a. As if each named insured were the only named insured; and
- b. Separately to each insured against whom "claim" is made or "suit" is brought.

**15. Sole Agent.** The named insured first shown in the Declarations is authorized to act on behalf of all insureds with respect to giving or receiving notice of cancellation or nonrenewal, receiving refunds, and agreeing to any changes in this policy.**16. Transfer Of Rights Of Recovery Against Others To Us.**

- a. If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring suit or transfer those rights to us and
- b. Any recoveries shall be applied first to reimburse any interests (including the insured) that may have paid any amounts in excess of our liability under this policy; then to reimburse us for any payment hereunder; and lastly to reimburse such interests (including the insured) as to which this policy is excess, as are entitled to the residue, if any.
- c. When we assist in pursuit of the insured's rights of recovery, reasonable expenses resulting therefrom shall be apportioned among all interests in the ratio of their respective recoveries.
- d. If there should be no recovery as a result of proceedings instituted solely at our request, we shall bear all expenses of such proceedings.

**17. Transfer of Your Rights and Duties Under This Policy.**

- a. Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual named insured.
- b. If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

**18. When Loss Payable.** Our liability for any portion of "ultimate net loss" shall not apply until the insured or any "underlying insurer" shall be obligated to actually pay the full and complete amount of the "retained limit". When "ultimate net loss" has been finally determined, the insured may make "claim" for payment under this policy as soon as practicable thereafter. Such insured's obligation to pay any amount of "ultimate net loss" must have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant or the claimant's legal representative and us.**19. When We Do Not Renew.**

- a. If we decide not to renew this policy, we will mail or deliver to the first named insured shown in the Declarations written notice of the non-renewal not less than 30 days before the expiration date or such other period as may be required by law.
- b. If notice is mailed, proof of mailing will be sufficient proof of notice.

**20. Expanded Coverage Territory**

- a. If a "suit" is brought in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from defending the insured, the insured will initiate a defense of the "suit". We will reimburse the insured, under Supplementary Payments, for any reasonable and necessary expenses incurred

for the defense of a "suit" seeking damages to which this insurance applies, that we would have paid had we been able to exercise our right and duty to defend.

If the insured becomes legally obligated to pay sums because of damages to which this insurance applies in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from paying such sums on the insured's behalf, we will reimburse the insured for such sums.

- b. All payments or reimbursements we make for damages because of judgments or settlements will be made in U.S. currency at the prevailing exchange rate at the time the insured became legally obligated to pay such sums. All payments or reimbursements we make for expenses under Supplementary Payments will be made in U.S. currency at the prevailing exchange rate at the time the expenses were incurred.
- c. Any disputes between you and us as to whether there is coverage under this policy must be filed in the courts of the United States of America (including its territories and possessions), Canada or Puerto Rico.
- d. The insured must fully maintain any coverage required by law, regulation or other governmental authority during the policy period, except for reduction of the aggregate limits due to payments of claims, judgments or settlements.

Failure to maintain such coverage required by law, regulation or other governmental authority will not invalidate this insurance. However, this insurance will apply as if the required coverage by law, regulation or other governmental authority was in full effect.

**CONDITIONAL EXCLUSION OF TERRORISM INVOLVING  
NUCLEAR, BIOLOGICAL OR CHEMICAL TERRORISM  
(RELATING TO DISPOSITION OF FEDERAL  
TERRORISM RISK INSURANCE ACT)**

This endorsement modifies insurance provided under the following:

**COMMERCIAL UMBRELLA COVERAGE FORM**

**A. Applicability Of The Provisions Of This Endorsement**

1. The provisions of this endorsement become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.

- a. The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Part; or

- b. A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

- (1) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or

- (2) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or

- (3) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

2. If the provisions of this endorsement become applicable, such provisions:

- a. Supersede any terrorism endorsement already endorsed to this policy that addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to an incident(s) of

terrorism (however defined) which results in injury or damage that occurs on or after the date when the provisions of this endorsement become applicable (for claims made policies, such an endorsement is superseded only with respect to an incident of terrorism (however defined) that results in a claim for injury or damage first being made on or after the date when the provisions of this endorsement become applicable); and

- b. Remain applicable unless we notify you of changes in these provisions, in response to federal law.

3. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.

**B. The following definitions are added and apply under this endorsement wherever the term terrorism, or the phrase any injury or damage, are enclosed in quotation marks:**

1. "Terrorism" means activities against persons, organizations or property of any nature:

- a. That involve the following or preparation for the following:

- (1) Use or threat of force or violence; or

- (2) Commission or threat of a dangerous act; or

- (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

- b. When one or both of the following applies:

- (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

(2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

2. "Any injury or damage" means any injury or damage covered under any Coverage Part or underlying insurance to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage", "personal and advertising injury", "injury" or "environmental damage" as may be defined in any applicable Coverage Part or underlying insurance.

C. The following exclusion is added:

**EXCLUSION OF TERRORISM**

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". damage. But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":

1. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

4. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for injury or damage that is otherwise excluded under this Coverage Part.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. **THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **TEXAS CHANGES**

This endorsement modifies insurance provided under the following:

### **COMMERCIAL UMBRELLA COVERAGE FORM**

#### **A. Changes In Liability Coverage**

With regard to liability for Bodily Injury, Property Damage and Personal And Advertising Injury, unless we are prejudiced by the insured's or your failure to comply with the requirement, no provision of this Coverage Part requiring you or any insured to give notice of "occurrence", claim or "suit", or forward demands, notices, summonses or legal papers in connection with a claim or "suit", will bar coverage under this Coverage Part.

However, Paragraph **A.** does not apply with respect to the ownership, maintenance or use of "covered autos".

#### **B. The following is added to Section VI - Definitions:**

Except for any provision of a construction contract subject to Tex. Ins. Code **h** 151.102, Paragraph **12.** of the Definitions Section is replaced by the following:

##### **12. "Insured contract" means:**

- a.** A contract for a lease of premises. However, that portion of a contract for a lease of premises that indemnifies any person or organization for damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner is not an "insured contract";
- b.** A sidetrack agreement;
- c.** Any easement or license agreement, except in connection with construction or demolition operations on or within 50 feet of a railroad;
- d.** An obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;
- e.** An elevator maintenance agreement; or
- f.** That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".
- g.** That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. Tort liability means a liability that would be imposed by law for injury to persons or property in the absence of any contract or agreement.

Paragraph **11.f.** and **g.** does not include that part of any contract or agreement:

- (1)** That indemnifies any person or organization for "bodily injury" or "property damage" arising out of construction or demolition operations within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;
- (2)** That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
  - (a)** Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
  - (b)** Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage;
- (3)** Under which the insured, if an architect, engineer or surveyor, assumes liability for injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in **11.g.(2)** above and supervisory, inspection, architectural or engineering activities ;
- (4)** That pertains to the loan, lease or rental of an "auto" to you or any of your "employees," if the "auto" is loaned, leased or rented with a driver; or
- (5)** That holds a person or organization engaged in the business of transporting property by "auto" for hire, harmless for your use of a "covered auto" over a route or territory that person or organization is authorized to serve by public authority.

#### **C. Paragraph 3. b., Cancellation of Section V. Conditions is replaced by the following:**

- b.** We may cancel this policy:

- (1) By mailing or delivering to the first Named Insured written notice of cancellation, stating the reason for cancellation, at least 10 days before the effective date of cancellation. However if this policy covers a condominium association, and the condominium property contains at least one residence or the condominium declarations conform with the Texas Uniform Condominium Act, then the notice of cancellation, as described above, will be provided to the First Named Insured 30 days before the effective date of cancellation. We will also provide 30 days' written notice to each unit-owner to whom we issued a certificate or memorandum of insurance, by mailing or delivering the notice to each last mailing address known to us.
- (2) For the following reasons, if this policy does not provide coverage to a governmental unit, as defined under 28 TEX. ADMIN. CODE, Section 5.7001 or on one- and two- family dwellings:
- (a) If this policy has been in effect for 60 days or less, we may cancel for any reason except, that under the provisions of the Texas Insurance Code, we may not cancel this policy solely because the policyholder is an elected official.
  - (b) If this policy has been in effect for more than 60 days, or if it is a renewal or continuation of a policy issued by us, we may cancel only for one or more of the following reasons:
    - 1) Fraud in obtaining coverage;
    - 2) Failure to pay premiums when due;
    - 3) An increase in hazard within the control of the insured which would produce an increase in rate;
    - 4) Loss of our reinsurance covering all or part of the risk covered by the policy; or
    - 5) If we have been placed in supervision, conservatorship or receivership and the cancellation is approved or directed by the supervisor, conservator or receiver.
- (3) For the following reasons, if this policy provides coverage to a governmental unit, as defined under 28 TEX. ADMIN. CODE, Section 5.7001 or on one- and two-family dwellings:
- (a) If this policy has been in effect for less than 90 days, we may cancel coverage for any reason.
  - (b) If this policy has been in effect for 90 days or more, or if it is a renewal or continuation of a policy issued by us, we may cancel coverage, only for the following reasons:
    - 1) If the first Named Insured does not pay the premium or any portion of the premium when due;
    - 2) If the Texas Department of Insurance determines that continuation of this policy would result in violation of the Texas Insurance Code or any other law governing the business of insurance in Texas;
    - 3) If the Named Insured submits a fraudulent claim; or
    - 4) If there is an increase in the hazard within the control of the Named Insured which would produce an increase in rate.

**D. The following is added and supersedes provisions to the contrary:**

**NONRENEWAL**

1. We may elect not to renew this policy except, that under the provisions of the Texas Insurance Code, we may not refuse to renew this policy solely because the policyholder is an elected official.
2. This Paragraph, 2. applies unless the policy qualifies under Paragraph 3. below. If we elect not to renew this policy, we may do so by mailing or delivering to the first Named Insured, at the last mailing address known to us, written notice of nonrenewal, stating the reason for nonrenewal, at least 60 days before the expiration date. If notice is mailed or delivered less than 60 days before the expiration date, this policy will remain in effect until the 61st day after the date on which the notice is mailed or delivered. Earned premium for any period of coverage that extends beyond the expiration date will be computed pro rata based on the previous year's premium.
3. If this policy covers a condominium association, and the condominium property contains at least one residence or the condominium declarations conform with the Texas Uniform Condominium Act, then we will mail or deliver written notice of nonrenewal, at least 30 days before the expiration or anniversary date of the policy, to:
  - a. The first Named Insured; and
  - b. Each unit-owner to whom we issued a certificate or memorandum of insurance.
 We will mail or deliver such notice to each last mailing address known to us.
4. If notice is mailed, proof of mailing will be sufficient proof of notice.
5. The transfer of a policyholder between admitted companies within the same insurance group is not considered a refusal to renew.

**E. The following is added to Section V., Paragraph 5. - Duties In The Event Of An Act, Error Or Omission, Or "Claim" or "suit":**

We will notify the first Named Insured in writing of:

1. An initial offer to compromise or settle a claim made or "suit" brought against any insured under this coverage. The notice will be given not later than the 10th day after the date on which the offer is made.
2. Any settlement of a claim made or "suit" brought against the insured under this coverage. The notice will be given not later than the 30th day after the date of settlement.

**F.** The following is added to the policy.

With regard to liability for "administration" of your "employee benefit program", unless we are prejudiced by the insured's or your failure to comply with the requirement, no provision of this Coverage Form requiring you or any insured to give notice of "occurrence", claim or "suit", or forward demands, notices, summonses or legal papers in connection with a claim or "suit" will bar coverage under this Coverage Form.

**G.** The following is added to Section V. Conditions:

**CLAIMS HANDLING PROCEDURES**

- (a) An initial offer to compromise or settle a claim made or "suit" brought against any insured. The notice will be given no later than the 10th day after the date on which the offer is made.

## **POLICYHOLDER DISCLOSURE - NOTICE OF TERRORISM INSURANCE COVERAGE**

You are hereby notified that under the Terrorism Risk Insurance Act (Act), as amended, that you have a right to purchase insurance coverage for losses arising out of certified acts of terrorism. The term "certified act of terrorism" means any act that is certified by the Secretary of the Treasury - in accordance with the provisions of the federal Terrorism Risk Insurance Act - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property; or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that coverage provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided on the policy Declarations page and does not include any charges for the portion of loss covered by the federal government under the act.

### **LIMITATION ON PAYMENT OF TERRORISM LOSSES**

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

If you purchase this coverage on an umbrella policy, you must also purchase this coverage for underlying general liability policies.

In the context of a newly issued policy or renewal offer, this form becomes part of the application for this coverage.

### **You may select terrorism insurance coverage as follows:**

The portion of your annual policy premium that is attributable to coverage for certified acts of terrorism is shown on the declarations page. If you wish to reject this coverage, please read and complete the form below.

### **You may reject terrorism insurance coverage as follows:**

You may elect to decline coverage for certified acts of terrorism. However, if your policy covers property located in a state with a fire following statutory requirement, the terrorism exclusion makes an exception for fire losses to such covered property resulting from certified acts of terrorism. If you choose to decline coverage for certified acts of terrorism, that rejection is not applicable to fire losses to property in those states resulting from certified acts of terrorism, unless excepted by statute or other regulatory means. A separate premium is displayed on the declarations page for coverage for fire losses that result from certified acts of terrorism.

To reject coverage, you must 'X' the box below, sign your name, print your name, date this form and return it to the company within 30 days. If you choose not to reject this coverage, you do not need to return this form.

	I hereby elect to exclude losses arising from certified acts of terrorism and understand that I will have no coverage for losses resulting from certified acts of terrorism. I understand that if I exclude certified acts of terrorism coverage, coverage will not be available until my next renewal.

## ATTENTION POLICYHOLDER

### Notice of Premium Audit

When we issue a General Liability or Workers Compensation insurance coverage, we base its premiums on estimated values over the upcoming policy period, such as payroll, sales or the cost of work subcontracted to others. Throughout the policy period, the actual values may fluctuate from the amounts used to estimate the policy premium.

To determine the actual values developed over the policy period, we may conduct a premium audit at the end of the term by way of an accounting records review. This review may be by telephone, mail, or a physical examination of the business's accounting records by a State Auto representative.

Final premiums are then adjusted up or down, based on how the actual values compared to the originally estimated values.

**Here are some suggestions that can help make the premium audit process take as little of your time as possible, yet result in the most accurate calculation of your actual premium:**

1. Before your scheduled appointment with the auditor, have your payroll and sales records ready for review for the policy period being audited.
2. Payroll should include an itemized list of all employees and all labor used, and their payroll including overtime, commissions and bonuses for each job duty performed.
3. Sales include the total gross income from the sale and/or installation of goods you sold.
4. If you hire any subcontractors, be prepared to provide the names and the total cost of labor and materials used or delivered for use in the execution of work done by each contractor.
5. The auditor will also ask to review the liability certificates of insurance for the subcontractors doing work on your behalf.

We recommend you require certificates of insurance from all of your subcontractors and keep them on file. Not only can this practice help protect you from the financial consequences of losses caused by your subcontractors, it can also help you avoid potentially higher premium charges than if this important risk management control were not in place.

By maintaining proper accounting records and providing information as requested during the premium audit, you help to manage your overall insurance costs.

**Please contact your State Auto agent should you have any questions relating to your policy.**

## ATTENTION CONTRACTORS - IT'S TIME TO SAVE!

Protect yourself from needless costs and liabilities. Follow these important steps when working with subcontractors.

**S**afety programs are essential for your subcontractors as well as your own employees.

For the safety of all workers on your job sites, it's essential that subcontractors observe the loss control regulations you've established for your business.

Make sure that the contracts you sign require your subcontractors to comply with all state safety requirements, as well as your own safety standards. The documents should also specify that if subcontractors in turn hire subcontractors, the latter must also comply.

Clearly state your own safety regulations within the contract. Be sure to describe the steps you will take if any subcontractor fails to correct an unsafe condition on the job. This way, everyone knows what's expected -- and what will happen if standards are not met.

**A**greements with your subcontractors on their responsibilities should be entered into before work begins.

Hold-Harmless Agreements are an important form of protection for your business. When written in your favor, these legal documents confirm that your subcontractors will assume liability for Bodily Injury or Property Damage losses arising from their actions -- whether suffered by the public or by another contractor's employees on the job site.

Hold-Harmless Agreements are a vital supplement to Certificates of Insurance. These documents confirm that subcontractors are responsible for their own work -- as well as their own insurance protection. Make sure that both are received before your subcontractors begin their activities. Remember that these documents should certify protection for the full duration of the subcontractor's job.

**V**erify insurance protection is secured by all subcontractors before work begins.

The subcontractors you hire should carry their own General Liability, Automobile Liability and Workers Compensation insurance. Their failure to do so can cost you in two ways:

- In many states, subcontractors who do not carry their own coverage are treated as your employees for insurance purposes. (Their employees would also be treated as part of your work force.) This may increase the cost of your General Liability and Workers Compensation insurance.

- As general contractor, you may be held responsible for the work of your subcontractors. If they have no insurance, you may have to pay for Bodily Injury or Property Damage losses arising from their actions. State law may also require you to pay for injuries suffered by uninsured subcontractors or their employees, if these injuries occur on your job site.

Help prevent these problems by requiring that all subcontractors supply Certificates of Insurance for General Liability, Auto Liability and Workers Compensation coverages before they start work. File these documents in a secure place -- and check with subcontractors regularly to make certain coverage has not lapsed or been cancelled. Coverage must remain in force for the entire period your subcontractors will be on the job.

While we cannot suggest what limits will be adequate, the following may be used as a guideline. These are the minimum limits required to save you the cost of providing for your Subcontractors' protection under your coverage.

#### **Minimum General Liability Coverage**

- \$300,000 Products/Completed Operations Aggregate
- \$300,000 General Aggregate
- \$300,000 Any One Occurrence (Coverage A)
- \$300,000 Any One Person or Organization (Coverage B)

**NOTE:** Your subcontractors' General Liability coverage must be written on an occurrence basis.

IF THE WORK BEING PERFORMED BY SUBCONTRACTORS IS UNUSUALLY HAZARDOUS, YOU SHOULD REQUIRE HIGHER GENERAL LIABILITY LIMITS. Your agent can help you establish the proper limits for greater-than-average exposures.

**d. Delay in Payment of Claim.**

- (1) Except as otherwise provided, if we after receiving all items, statements, and forms reasonably requested and required under Subsection a, delay payment of the claim for a period exceeding the period specified by applicable statutes or, if other statutes do not specify a period, for more than 60 days, we will pay damages and other items as provided by Texas Insurance Code Section 542.060.

(2) Subsection d.(1) does not apply in a case in which it is found as a result of arbitration or litigation that a claim received by us is invalid and should not be paid by us.

- b. All services may not be available or applicable to all individuals. For example, "identity recovery insureds" who are minors or foreign nationals may not have credit records that can be provided or monitored.   - 1) Such costs include:
    - (a) Costs by the "identity recovery insured" to recover control over his or her personal identity; and
    - (b) Deductibles or service fees from financial institutions.

  - b. When the entity insured under this policy is a partnership, the "identity recovery insureds" are the current partners; or

    - 1) The chief executive of the insured entity; or

An "identity recovery insured" must always be an individual person. The entity insured under this policy is not an "identity recovery insured".

This includes fraudulently using the personal identity of an "identity recovery insured" to establish credit accounts, secure loans, enter into contracts, or commit crimes. Re: Claim No.: PR-433837  
Insured: Watermark at Peoria AZ, LLC  
Site: 24701 N. Lake Pleasant Pkwy, Peoria, AZ 85383  
Policy No.: SPP2505525

Dear Mr. Stigall:

Please allow this letter to inform you of State Auto Property and Casualty Insurance Company's ("State Auto") coverage position with respect to environmental contamination at Watermark at Peoria AZ, LLC's ("Watermark") property known as Grandstone at Sunrise located at 24701 N. Lake Pleasant Pkwy, Peoria, AZ 85383 (the "Site") which is believed to be migrating onto the Site from a nearby drycleaner. Watermark reported the contamination to the Arizona Department of Environmental Quality ("ADEQ"). To date, Watermark has not received any notices from the ADEQ or any other governmental agency identifying Watermark a potentially liable party for the contamination. Watermark, through Thompson Thrift Holding Company, LLC, has requested that State Auto provide defense and indemnity against a potential demands by ADEQ that Watermark investigate and/or remediate environmental contamination at the Site (the "Claim").

State Auto previously acknowledged receipt of the Claim and of Thompson Thrift Holding Company, LLC's ("Thompson Thrift") and Watermark's request that Meridian defend, and if necessary, indemnify Watermark against the Claim under the following policies of insurance:

- State Auto Policy No. SPP2505525-00, issued to Watermark as a Named Insured<sup>1</sup>, effective December 1, 2020 to December 1, 2021 (the "Policy"); and

<sup>1</sup> Thompson Thrift is the first Named Insured on the Policies. Thompson Thrift is an limited liability company with principal places of business in Indiana, Arizona, and Texas. Watermark was added to the Policy as a Named Insured effective July 13, 2021. Watermark is a Delaware limited liability company with its principal place of business in Arizona.

- State Auto Policy No. SPP2505525-01, issued to Watermark as a Named Insured, effective December 1, 2021 to December 1, 2022 (the "Renewal Policy").

Collectively, the Policy and the Renewal Policy are referred to as the "Policies". Each of the Policies has the following General Liability Limits: \$1M each occurrence; \$2M general aggregate; and \$2M products-completed operations aggregate. Each of the Policies includes a self-contained Commercial Umbrella Policies with a \$15M aggregate limit.

State Auto exercised its right to investigate the Claim pursuant to a full and complete reservation of all rights under the Policies. It must be understood that actions taken by State Auto, its agents, representatives and attorneys, in investigating the Claim should not be construed as a waiver of the terms, conditions, and requirements of the Policies. State Auto specifically reserves all of its rights under the Policies, and no waiver or estoppel of any kind is intended nor should be inferred.

The Policies' Commercial General Liability ("CGL") Coverage Form, Form CG 0001 0413, Bodily Injury And Property Damage ("BI/PD") insuring agreement, provides, in relevant part:

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and

- (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

\*\*\*

The Policies' coverage defines the term "suit" as follows:

"Suit" means a civil proceeding in which damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:

August 25, 2022  
Page 3 of 19

- a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent; or
- b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits with our consent.

Under Arizona law, a governmental edict issued to an insured is considered a "suit".

State Auto has completed its coverage investigation. At this time, there is no "suit" pending against Watermark as no civil proceedings have been initiated against Watermark and/or the ADEQ has not issued any notices of liability to Watermark with respect to the Claim or issued any directives or orders to ADEQ to take any action with respect to the Claim. Accordingly, the Policies' GCL BI/PD insuring agreement has not been triggered as the duty to defend does not arise until a "suit" is filed. **However, based on the information provided, State Auto regrets to inform you that there is no coverage under the Policies for Watermark against the Claim as it is currently presented to State Auto as the Policies exclude coverage for "bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants", including, but not limited to, tetrachloroethylene ("PCE"), which is considered to be traditional environmental pollutants, and which is also expressly excluded from coverage under Indiana Changes - Pollution Exclusion endorsement, Form SL 2041 0318.**

The purpose of this correspondence is to:

- (1) Enumerate for you the facts, language in the Policies upon which State Auto relied in reaching its coverage determination; and
- (2) Afford you with the opportunity to provide State Auto with any facts, language in the Policies, or case law which you believe would require State Auto to defend and, if necessary, indemnify Watermark against the Claim.

## **I. FACTS**

On June 17, 2022, Thompson Thrift notified State Auto that PCE had been detected at the Site (the "Notice"). According to the Notice, a Phase I report had identified a laundromat door as the suspected source of the PCE, and testing was ongoing.

On June 22, 2022, a copy of a Phase I Environmental Site Assessment ("Phase I ESA"), dated August 29, 2017, and prepared by Vann Engineering, Inc. for Thompson Thrift was provided to State Auto. According to the Phase I ESA, "[t]his assessment has revealed no evidence of recognized environmental conditions in connection with the property." The Phase I ESA identified the laundromat as "Lake Pleasant Cleaners, which performs dry-cleaning on the premises."

On July 15, 2022, a copy of an Initial Soil Vapor Intrusion Assessment ("VI Assessment"), dated June 28, 2022, and prepared jointly by W.L. Bouchard & Associates, Inc. and Speyer Environmental LLC for Watermark was submitted to State Auto. The VI Assessment revealed the presence of PCE at levels above the Regional Screening Levels and Minimal Risk Levels.

On or about July 5, 2022, Walter L. Bouchard submitted a complaint to the ADEQ on behalf of Watermark concerning Lake Pleasant Cleaners. The Description of the Complaint states as follows:

On behalf of Watermark at Peoria AZ, LLC of Terre Haute, Indiana, I am providing you with two soil vapor reports, relating to a potential environmental condition at the northwest corner of the Grandstone at Sunrise residential development located at 24701 North Lake Pleasant Parkway Peoria, AZ 85383.

The current thought is that Unit #1061 may be subject to both transboundary PCE soil vapor and/or PCE product in soil originating at the dry cleaner. Our assessment also suggests the unconfirmed possibility of PCE plume impacts on the Site from roof mounted ambient air discharge from the dry-cleaning facility. We recommend that the Arizona Department of Environmental Quality (ADEQ) and the Maricopa County Air Quality Department (MCESD) be notified, and that regulatory inspections occur to investigate past/present PCE handling and ambient air discharges.

In response to the complaint, on July 7, 2022, ADEQ conducted an inspection of Lake Pleasant Cleaners. The ADEQ's Complaint Inspection Report confirmed that Lake Pleasant Cleaners utilized PCE in one dry cleaning machine and observed a number of violations concerning the Lake Pleasant Cleaner's use, handling, and storage of PCE.

To date, Watermark has not received any notices from the ADEQ or any other governmental agency identifying Watermark a potentially liable party for the contamination at the Site.

## **I. THE POLICIES' CGL BI/PD INSURING AGREEMENT**

The Policies' Commercial General Liability ("CGL"), Form CG 0001 0413, Bodily Injury Or Property Damage ("BI/PD") insuring agreement states, in relevant part:

### **1. Insuring Agreement**

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our

discretion, investigate any “occurrence” and settle any claim or “suit” that may result. But:

- (1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C**.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B**.

b. This insurance applies to “bodily injury” and “property damage” only if:

- (1) The “bodily injury” and “property damage” is caused by an “occurrence” that takes place in the coverage territory;
- (2) The “bodily injury” or “property damage” occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** - Who Is An Insured and no “employee” authorized by you to give or receive notice of an “occurrence” or claim, knew that the “bodily injury” or “property damage” had occurred, in whole or in part. If such a listed insured or authorized “employee” knew prior to the policy period, that the “bodily injury” or “property damage” occurred, then any continuation, change or resumption of such “bodily injury” or “property damage” during or after the policy period will be deemed to have been known prior to the policy period.

\*\*\*

To trigger coverage under the Policies’ CGL BI/PD coverage, an insured must be legally obligated to pay damages because of covered “bodily injury” or “property damage” caused by an “occurrence”, and such “bodily injury” or “property damage” must occur during the policy period.

The Policies define the term “property damage”, in relevant part, as follows:

“Property damage” means:

- a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or

- b. Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.

\*\*\*

The Policies define the term "occurrence" as follows:

"Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions.

## **II. COVERAGE DENIAL – THE POLICIES' POLLUTION EXCLUSION**

As discussed above, at this time there is no "suit" pending against Watermark; however, even if there was "suit" against Watermark, the Policies' pollution exclusion, as modified by Indiana Changes – Pollution Exclusion, Form SL 2041 0318, would apply to bar coverage for the Claim.

The Policies' CGL BI/PD coverage pollution exclusion, as modified by Form SL 2041 0318, states as follows:

### **2. Exclusions**

This insurance does not apply to:

\*\*\*

#### **f. Pollution**

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":
- (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:
- (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
- (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations

performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
- (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
- (c) Which are or were at any time transported handled, stored, treated, disposed of, or processed as waste by or for:
  - (i) Any insured; or
  - (ii) Any person or organization for whom you may be legally responsible; or
- (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
  - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
  - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with

operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

(3) Paragraph 2. f. (1) and (2) applies to all insureds to include, but not limited to:

a. An active polluter legally obligated to pay damages because of an "occurrence" resulting from continuous or repeated exposure to substantially the same generally harmful conditions, or

b. Any other polluter responsible for damages resulting from an "occurrence" caused by an isolated, infrequent, or unexpected event; or

c. Any other insured legally obligated under state or federal law

The Policies define the term "pollutants" as follows:

"Pollutants" mean any solid, liquid, gaseous, electromagnetic, thermal or other substance that can be toxic or hazardous, cause irritation to animals or persons and/or cause contamination to property and the environment including smoke, vapor, soot, fumes, acids, alkalis, chemicals, and waste.

Specific examples identified as pollutants include, but are not limited to:

- a. **ACETATES**, including n-butyl acetate;

\*\*\*

**CHLORINATED OR HALOGENATED SOLVENTS (HYDROCARBONS)**, such as trichloroethane (TCA), trichloroethylene (TCE) and tetrachloroethylene (perchloroethylene, PERC).

\*\*\*

**VOLATILE ORGANIC COMPOUNDS (VOC)**, such as acrylamide, epichlorohydrin, benzene, ethyl benzene, carbon tetrachloride, styrene, chlorobenzene, tetrachloroethylene, o-dichlorobenzene, toluene, pdichlorobenzene, 1,2,4-trichlorobenzene (and other isomers), 1,2-dichloroethane (ethylene dichloride), 1,1,1-trichloroethane, 1,1-dichloroethylene 1,1,2- trichloroethane, methyl tert-butyl ether (MTBE), cis- and trans- 1,2-dichloroethylene, dichloromethane, trichloroethylene, 1,2-dichloropropane, vinyl chloride, vinyl chloride monomer, and xylenes.

\*\*\*

- b. Arsenic, Lead, Mercury, Vinyl Chloride, Polychlorinated Biphenyls, Benzene, [ ], Trichloroethylene, [ ], Tetrachloroethylene, [ ], 1,1,2,2-Tetrachloroethane, [ ] 1,1-Dichloroethane, [ ] 1,2 Dichloroethane, [ ], 1,1,1-Trichloroethane, [ ], 1,1,2-Trichloroethane, [ ], Trans-1,2-Dichloroethene, [ ], Tetrachloroethane, Dichloroethane, [ ], Cis1,2-Dichloroethene, 1,2,3-Trichloropropane; and

\*\*\*

- q. all substances specifically listed, identified, or described by one or more of the following references: **Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) Priority List Hazardous Substances** (1997 and all subsequent editions), **Agency For Toxic**

**Substances And Disease Registry ToxFAQsf, U.S. Environmental Protection Agency EMCI Chemical References Complete Index, U.S Occupational Safety and Health Administration List of Hazardous Chemicals, Resource Conservation and Recovery Act (RCRA), and/or identified on the F,K, P and U Lists found in Title 40 of the Code of Federal Regulations (CFR) sections h 261.31, h 261.32, and h 261.33, and/or all successive editions, updates, and successors of such references concerning potentially harmful substances. Substances identified as examples above or by the referenced lists also include materials or substances to be discarded, recycled, reconditioned or reclaimed.**

This definition of “pollutants” applies whether or not such solid, liquid, gaseous, electromagnetic or thermal irritant or contaminant is your product or products used by or for you, and/or is an integral part of or incidental to your business or operations or has any function in your business, operations, premises, site, or location.

PCE, the only contaminant at the Site, is specifically listed in the Policies’ definition of “pollutants”. In addition, PCE is regarded as a traditional environmental pollutant, and coverage for any “bodily injury” or “property damage” arising out of any discharge, dispersal, seepage, migration, release or escape of PCE or any request, demand, order or statutory or regulatory requirement that Watermark test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of PCE would be excluded under the Policies’ pollution exclusion, regardless of whether the same was modified by Form SL 2041 0318. Accordingly, the pollution exclusion applies to bar coverage for the Claim.

State Auto denies any duty under the Policies CGL BI/PD coverage to defend or indemnify Watermark against the Claim on the basis that pollution exclusion applies to bar coverage for the Claim.

### **III. COVERAGE DENIAL – THE COMMERCIAL UMBRELLA POLICIES**

The self-contained Commercial Umbrella Policies’ (the “Umbrella Policies”) Commercial Umbrella Coverage Form, CXS 0001 1215, Coverage A BI/PD Liability insuring agreement states:

#### **1. Insuring Agreement**

- a. We will pay on behalf of the insured the “ultimate net loss” in excess of the “retained limit” because of “bodily injury” or “property damage” to which this insurance applies. We will have the right to associate with the

"underlying insurer" and the insured to defend against any "suit" seeking those damages. But:

- (1) The amount we will pay for "ultimate net loss" is limited as described in Section **IV** - Limit Of Insurance;
- (2) At our discretion, we may investigate any "occurrence" and settle any resulting "claim" or "suit";
- (3) We have a right and duty to defend the insured against any "suits" to which this insurance applies:
  - (a) But which are not covered by any "underlying insurance" shown in the Declarations or by any other primary policies that may apply; or
  - (b) If the applicable limit of "underlying insurance" is exhausted.

However, we will have no duty to defend the insured against any "suits" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply; and

- (4) Both our right and duty to defend any existing or future "suits" end when we have exhausted the applicable Limit of Insurance in payment of judgments or settlements under Coverages **A** and **B**.

No other obligation or liability to pay or perform acts or services is covered unless explicitly provided for under Section **II** - Defense.

- b. This insurance applies to "bodily injury" or "property damage" which may be subject to an applicable "retained limit" when shown in the Declarations. If any other limit, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "bodily injury" or "property damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of Underlying Insurance.
- c. It is agreed that this insurance only applies if:
  - (1) The "bodily injury" or "property damage" occurs during the policy period of this policy;
  - (2) With respect to your liability (other than under a contract) for "bodily injury" to your "employees" arising out of and in the course of their employment by you;

- (a) Any "bodily injury" by disease is caused or aggravated by the conditions of that employment; and
- (b) An "employee's" last day of last exposure to conditions causing or aggravating such disease occurs during the policy period of this policy; and
- (3) The "bodily injury" or "property damage" is caused by an "occurrence", and such "occurrence" takes place in the "coverage territory".
- (4) Prior to the policy period, no insured listed under Paragraph 1. of Section III - Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- d. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section III - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.
- e. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section III - Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
  - (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
  - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
  - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

- f. "Ultimate net loss" because of "bodily injury" includes damages sought by any person or organization for care or loss of services resulting at any time from the "bodily injury".

The Umbrella Policies define the term "property damage" in relevant part as follows:

"Property damage" means:

- a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or
- b. Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it.

\*\*\*

The Umbrella Policies define the term "occurrence" as follows:

"Occurrence" means:

- a. With respect to "bodily injury" or "property damage", an accident, including continuous or repeated exposure to substantially the same general harmful conditions. This does not apply to your liability (other than under a contract or agreement) for "bodily injury" to your "employees" arising out of and in the course of employment by you; or
- b. With respect to your liability (other than under a contract or agreement) for "bodily injury" to your "employees" arising out of and in the course of employment by you, "bodily injury" caused by accident or disease.

The Umbrella Policies define the term "claim" as follows:

"Claim" means any demand upon the insured for damages or services alleging liability of the insured as the result of an "occurrence" or offense.

The Umbrella Policies define the term "suit" as follows:

"Suit" means a civil proceeding in which damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:

- a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or submits with our consent; or
- b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured must submit or submits with our consent.

The Umbrella Policies define the term “retained limit” as follows:

“Retained limit” means the greater of:

- a. The sum of amounts applicable to any “claim” or “suit” from:
  - (1) “Underlying insurance”, whether such “underlying insurance” is collectible or not; and
  - (2) Other collectible primary insurance; or
- b. The “self-insured retention”.

The Umbrella Policies define the term “ultimate net loss” as follows:

“Ultimate net loss” means the total amount of damages for which the insured is legally liable in payment of “bodily injury”, “property damage” or “personal and advertising injury”. “Ultimate net loss” must be fully determined as shown in Condition 18 - When Loss Payable.<sup>2</sup> “Ultimate net loss” shall be reduced by any recoveries or salvages which have been paid or will be collected, but the amount of “ultimate net loss” shall not include any expenses incurred by any insured, by us or by any “underlying insurer”.

The Umbrella Policies define the term “underlying insurance” as follows:

“Underlying insurance” means the coverage(s) afforded under insurance policies designated in the Declarations and any renewals or replacements of those policies.

The Umbrella Policies define the term “underlying insurer” as follows:

---

<sup>2</sup> Condition 18 – When Loss Payable states:

**When Loss Payable.** Our liability for any portion of “ultimate net loss” shall not apply until the insured or any “underlying insurer” shall be obligated to actually pay the full and complete amount of the “retained limit”. When “ultimate net loss” has been finally determined, the insured may make “claim” for payment under this policy as soon as practicable thereafter. Such insured’s obligation to pay any amount of “ultimate net loss” must have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant or the claimant’s legal representative and us.

"Underlying insurer" means any company issuing any policy of "underlying insurance".

The "underlying insurance" listed in the Umbrella Policies' Declarations are the corresponding Policy and Renewal Policy liability coverage. The Policy and the Renewal Policy have the following liability limits: \$1M each occurrence; \$2M general aggregate; and \$2M products-completed operations aggregate.

To trigger coverage under the Umbrella Policies' BI/PD coverage, the limits of the Policies must first be exhausted. At this time there is nothing to suggest that the limits of the Policies will be exhausted by this Claim.

Even if the limits of the Policies were exhausted, there would still be no coverage under the Umbrella Policies for the Claim as the Umbrella Policies' pollution exclusion will apply to bar coverage.

The Umbrella Policies include the following pollution exclusion:

## **2. Exclusions**

This insurance does not apply to:

\*\*\*

### **f. Pollution:**

- (1) "Bodily injury" or "property damage" which would not have occurred in whole or part but for the actual, alleged or threatened discharge, seepage, migration, dispersal, release or escape of "pollutants":
  - (a) That are, or ever were, contained in any property that is, or ever was:
    - (i) Being transported or towed by, handled, or handled for movement into, onto or from any "auto";
    - (ii) Otherwise in the course of transit by or on behalf of the insured; or
    - (iii) Being stored, disposed of, treated or processed in or upon any "auto";

- (b) At or from any premises, site or location which is or was at any time, owned or occupied by, or rented or loaned to, any insured. However, this subparagraph f.1.(b) does not apply to:
  - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests.
  - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your applicable "underlying insurance" as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than the additional insured; or
  - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
- (c) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
- (d) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:
  - (i) Any insured; or
  - (ii) Any person or organization for whom you may be legally responsible; or
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph f.1.(e) does not apply to:

- (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment", any "auto" covered by applicable "underlying insurance" or the parts of either, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
  - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
  - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".
- (f) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any loss, cost or expense arising out of any:
- (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize or in any way respond to, or assess the effects of, "pollutants"; or
  - (b) "Claim" or "suit" by or on behalf of any governmental authority or others for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph (2) does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

Subparagraph (a) of part (1) of this exclusion f. does not apply if any applicable "underlying insurance" shown in the Schedule of Underlying Insurance provides coverage at the full limits of liability shown therein for such losses as are described in subparagraph (a) of part (1) for any "autos" involved in such operations.

**(3) Exceptions:**

(a) Paragraphs f.(1)(c) through f.(1)(f) of this exclusion do not apply to pollutants that are not in or upon a "covered auto" if:

(i) The pollutants or any property in which the pollutants are contained are upset, overturned or damaged as a result of the maintenance or use of a "covered auto"; and

(ii) The discharge, dispersal, release or escape of the pollutants is caused directly by such upset, overturn or damage.

The Umbrella Policies define the term "pollutants" as follows:

"Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including, without limitation, smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes, without limitation, materials to be recycled, reconditioned or reclaimed.

PCE is regarded as a traditional environmental pollutant, such that coverage for any "bodily injury" or "property damage" arising out of the same or any request, demand, order or statutory or regulatory requirement that Watermark test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of PCE would be excluded under the Commercial Umbrella Policies' coverage.

State Auto denies any duty under the Umbrella Policies' CGL BI/PD coverage to defend or indemnify Watermark against the Claim on the basis that pollution exclusion applies to bar coverage for the Claim.

**CONCLUSION**

State Auto is always willing to reconsider its coverage denial in light of any new or additional information, facts, evidence, language in the Policies, or case law. If you are aware of any new or additional information, facts, evidence, language in the Policies, or case law which would have a bearing on any of the issues upon which State Auto has denied coverage or reserved its rights, please contact me as soon as possible so that State Auto can give due consideration to the same.

It must be understood that this letter is not intended to set forth, nor should it be construed as, setting forth all coverage defenses that may arise in connection with the Claim. State Auto specifically reserves all of its rights under the Policies and all applicable law, and no waiver or estoppel of any kind is intended, nor should it be inferred. If you submit additional information or documents to State Auto for its further consideration, and State Auto identifies other coverage defenses during any further investigation into the facts surrounding the Claim, State Auto will advise you in writing of any additional coverage defenses.

State Auto does not, in any way, agree to any change or modification in the coverage, terms and conditions of the Policies, all of which shall remain in full force and effect. Any action taken by State Auto in connection with any further investigation of the Claim or any potential "suit" against Watermark in connection with the Claim shall not constitute a waiver of any of the terms and conditions contained in the Policies; nor shall it operate as an extension of coverage provided for in the Policies.

**If "suit" is filed against Watermark arising out of or in connection with the Claim, please forward the complaint and/or governmental notice or edict and all accompanying documents to me immediately. Upon receipt, State Auto will evaluate its duties to Watermark with regard to the allegations asserted in any such "suit" and the coverages available under the Policies, and advise Watermark of the same.**

Our position on coverage as outlined in this letter is based upon the information and facts as we know them to date. Should you have any additional information that may change our view on the duty to defend or indemnify, please let us know as soon as possible and provide us with a description of all reasons that State Auto should reconsider its position. We invite you to call us should you have any questions regarding this decision.
